

DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—MARCH 2013

March--a Month of New Beginnings

by Connie Riter

Most people know that March was named after the Roman god of war, Mars, and that the “Ides of March” on the 15th, was the day Julius Caesar was killed by his best friends. Whenever we listen to the news these days, it seems that most of the world has taken this as their favorite month and their favorite god is the god of war.

Yet there is much more to these 31 days than fighting, wars, storms, and other bad events. This is the month when most of us become a little bit Irish so we can enjoy celebrating St. Patrick’s Day on the 17th with corned beef, cabbage, and perhaps green beer. We also celebrate Spring on the 20th and we will soon enjoy the desert wildflowers and the citrus blossoms and the promise of new life. This year, too, Easter arrives this month, on the 31st -- another time for celebrating new life, a vibrant Spring, and the promise of exciting things to come.

Here are a few other historical events which occurred during this month. The Star Spangled Banner became our national anthem on March 3, 1931. The telephone was patented by Alexander Graham Bell on March 7, 1876. (How did people live without a phone?) Paper money was first issued on March 10, 1862, and Coca Cola was first marketed on March 29, 1886. (Both are still around today, but other things are taking their place.)

March reminds us to find enjoyment and excitement in every day -- to live each day to its fullest, and as we admire the flowers and blossoms around us, we are reminded that we are “blossoming” each day in new ways, too! Let us find these ways this March -- and enjoy!

From the President's Desk

by Dick Smith

This will be my last news report to the residents of Desert Harbor. So, here goes.....

First, I want to thank you for allowing me to be President of the Activities Organization. We have had a few ups and downs, but, overall, I think we have progressed in a forward manner. I would like to thank all of you who have volunteered to help me with the many activities we have had throughout the two years. Anytime I asked, it was done. I could never had done it without all your help. We have a GREAT group of people here at Desert Harbor.

Thanks to the Board. They did an outstanding job. They stepped in when things needed to get done, even taking on extra jobs to make things run smoothly. Don't forget to cast your votes for the upcoming Board members. The voting will take place on March 2nd.

In closing, Cyndi and I thank ALL of you once again, for the help and work you have done to make our Community a great place in which to live!

LEFT....RIGHT.....CENTER! *By Connie Riter*

Our Friday TGIF party on Jan. 18th was more fun than ever when Tracy, our Solstice Activities Director, came and brought snacks and a new game for many of us to play. Left, Right, Center is a special dice game played where you become very conscious of who is to the left of you and to your right. For \$3.00 buy in, you can play until your money is gone and the winner is the one who still has money left. It was fun and fast, with the winner getting all the money from the center bowl. Tracy also brought other prizes for the second and third place winners. While most Fridays we don't play games at 4 pm, everyone is welcome to come and relax and share snacks and conversation.....and byob.

RESIDENT'S MEETING *by Bob Mayo*

The monthly resident's meeting was held on February 2nd at 9:00 a.m. in the clubhouse. Following the normal reports by various committees several announcements were made including that Bingo will continue to be held Mondays at 6:30 p.m. and Shuffleboard will be on Tuesdays at 2:30 p.m.

The proposed amendments to the organization's by-laws were presented and there was some spirited discussion on some of the proposals. Specifically the proposal to change the terms of office for the officers and board members from their current period of 2 years for officers and three years for members at large to a term of one year for all board members was a subject for debate..

Dick Smith announced the new Desert Harbor phone books would be printed and ready for distribution around the end of February. It was decided that the phone books would be placed in the mail cubbies in the clubhouse so all residents should keep an eye out for these books.

Midge Drouin announced that the patio sale is set for March 9th. There is a signup sheet on the board in the clubhouse for those residents desiring to sign up. There will also be a white elephant sale and a book sale in the clubhouse along with the usual cakes and goodies.

The meeting was adjourned at approximately 9:45 a.m.

PROPOSED CHANGES TO BY-LAWS *by Bob Mayo*

Several changes have been proposed to the organization's by-laws that will be voted on by park residents. There are four that provide for fundamental changes.

The first is a proposal to **change the term of office** for all officers and members at large. Currently officers are elected to a two year term and members at large are elected to a term of three years with one position being open each year. The proposed change would make the term of office one year for all officers and members at large.

The second proposed change would affect **how many consecutive terms the President could serve**. Currently the President may serve two consecutive two year terms while the proposed change would allow a President to serve four one year terms.

The third proposed change deals with **the way proposed amendments to the by-laws are handled**. Currently any proposed change to the by-laws will be voted on at the next annual meeting. This could result in a necessary change being in limbo for as much as a year waiting for the next annual meeting. The change would provide that any proposed change to the by-laws be posted on the bulletin board for a period of 15 days. Ballots would be provided to all park residents and the results of the voting would be announced at the first resident's meeting following the end of the 15 day posting period.

The fourth proposed change deals with having **resident meetings on the first Saturday of each month throughout the year** as opposed to the present way of having no meetings in the summer months.

There are also three additional proposed changes which are housekeeping changes necessary to remove items that have been previously changed or that would be changed with the approval of the above proposals. The proposed changes and the specific wording are posted on the bulletin board in clubhouse and all residents are encouraged to read them if you have not already done so.

Clean Kitchen and Craft Room *by Jane Boudreau*

A big thank you goes out to a group of residents who cleaned the clubhouse kitchen and craft room. On Monday January 14, Connie Riter, Midge Drouin, Ken Camp, Tim Chrissis, Philicia Hightower, Carol Rysavy, Margo Crawford Bobbie Lowery and Jane Boudreau spent the morning cleaning. If I missed a volunteer I'm sorry however, your efforts were appreciated. They sorted and discarded old items and identified items that will be available for sale during our White Elephant Sale on March 9. They hope you enjoy the clean environment they have provided for our potluck dinners and other activities. It's the volunteers who make this a great park in which to reside.

UPCOMING PATIO SALE *by Midge Drouin*

Heads up everyone! Desert Harbor Activities Organization is having its second patio sale of the year. So set some time aside to get your items that you would like to donate to the white elephant, book and bake sale. We will also take monetary donations. The date of the sale is March 9th from 7 am until 12 noon. Make this fundraiser another great event.

Items for the white elephant sale can be dropped off the Wednesday before the sale in the craft room. We would appreciate it if you could price your items and also mark the piece you are donating "for white elephant". Bake sale items should be dropped off, priced and bagged, the night before the sale. I will be there around 4:30pm. Don't forget the book sale. We would appreciate only good used books, craft books, video's, CDs, anything that is good reading. Any questions call Midge Drouin at 602-459-9039.

RECYCLED GREETING CARDS WANTED

Do you have leftover greeting cards? There is a basket in the clubhouse that you can put them in. Connie Riter will be sure the cards are sent to St. Jude's in Nevada. Thank you.

CHIT CHAT AROUND THE PARK

Potluck and Karaoke *by Midge Drouin*

On January 19th we had our monthly Saturday potluck with happy hour starting at 4:30pm and a blessing given by Pastor Michael Bauschard followed by delicious entrees, salads, veggies, bread, and many good desserts. There were three prize giveaways from the proceeds of 50/50. Later in the evening we all gathered to listen to karaoke singers who were very entertaining. Judy and Jim Mathews hosted the karaoke entertainment for the evening. Everyone seemed to enjoy the music and singing. Thanks to all for setting and cleaning up the clubhouse. See you at the next potluck.

JANUARY LADIES' LUNCHEON *by Jane Boudreau*

The January Ladies' Luncheon was held at the Golden Corral on Power Road in Mesa. Twelve ladies and guests enjoyed the very large buffet. The food was good and the conversation was lively. After the luncheon nine of the ladies toured Sunshine Acres Children's Home on Higley Road in Mesa. Sunshine Acres provides residential care for children whose families cannot provide the care they need. It is a faith based organization whose operational expenses are covered by donations. If you are interested in learning more about Sunshine Acres, go to their web site www.sunshineacres.org.

Residents are being asked to host the monthly luncheon. This entails selecting a local restaurant which will provide individual checks, making the reservation and posting the sign up sheet. If you are interested in hosting please volunteer at the next luncheon.

LADIES' GET ACQUAINTED SOUP - N - SALAD LUNCHEON *by Jane Boudreau*

On February 5, 2013 the Ladies of Desert Harbor celebrated the fifth anniversary of the monthly luncheon. The tables were decorated with individual roses a gift for the ladies to take home with them. The dessert table centerpiece was the handy work of Margo Crawford who was recruited for the job. A Celebrating 5 years cake was provided by the Activities Organization. Before the meal began Carol Rysavy read the minutes from the first luncheon which coincidentally was held on February 5, 2008. Joann Hankison is the chairperson of our group and she was thanked for her work. Other members of the committee who keep the monthly luncheons on track are Carol Rysavy, Kay McKersie and Jane Boudreau. Our founder Marj Lepic and committee member Elaine Anfang have moved from Desert Harbor to be close to their individual families.

We look forward to seeing you at the next monthly luncheon. A sign up sheet is posted on the bulletin board please let us know what taste tempting delight you will bring.

WHO AM I ?

MIDGE DROUIN Lot #203

We only had two residents enter a guess this month.

Steve Davison correctly guessed Midge on 1-27-13 at 4:15pm.

The other correct guess was Barb Fox on 1-27-13 at 4:22pm.

Steve's winning entry was 7 minutes earlier than Barb's.

Stay tuned for next month's photo!

QUILTS, QUILTS, QUILTS! *by Reni Dieball*

STREET SIGNS A NEW ADDITION TO DESERT HARBOR *by Jane Boudreau*

We have new street signs in Desert Harbor which should help with providing directions to delivery and service personnel. The signs contain the street name and the house numbers on that street. While researching the street names I received a remedial American History lesson. Did you know Powhatan was a Native American tribe in Virginia when the English settled Jamestown or that Squanto was Tisquantum who helped the pilgrims during their first winter in the New World?

Four of our streets are named after Native American leaders either chiefs or war leaders. They include Red Cloud who was a war leader of the Sioux. Cochise was an Apache chief who resisted the intrusion of the Americans during the 19th century. Crazy Horse was a war leader of the Oglala Lakota who fought with Sitting Bull for the battle of Little Bighorn. Eight Deer refers to the ruler of the Mixtec during the 12th century in Tilantongo, Mexico.

Wounded Knee was the last of the American Indian Wars taking place in Lakota Pine Ridge Indian Reservation in South Dakota. So, who was Kelso and how does that name fit into our history lesson? Wikipedia was no help in identifying the source of this name. If you know please share the information with us.

I almost forgot the street leading to the clubhouse is La Casa Blanca Drive which was the original name of Desert Harbor.

Do You Have The Flu?

Fever, muscle aches, runny nose, fatigue--flu symptoms can leave you feeling so bad that they stop you in your tracks.

Treating The Flu

Obviously, the easiest way to treat the flu is simply not to contact the illness. An annual flu vaccine is the first line of defense. If you do get the flu, most people will recover in one or two weeks without complications. Here are several ways to start managing your symptoms: Take time off and get plenty of rest. Increase fluid intake which prevents dehydration. Avoid alcohol and tobacco. Take over the counter med's. You can also treat the flu with antiviral medications. Your doctor can recommend one over the other.

A Big Desert Harbor Welcome To Nellie & Barry *by Margo Crawford*

I had the absolute pleasure of doing an interview with Nellie and Barry Dalton who live in # 145. At this time they are only visiting the park for short periods of time but intend to move here on a permanent basis. Barry hails from Jacksonville, Florida and Nellie arrived in the United States on the Queen Mary from Rotterdam, Holland. The two met while working at Yellowstone Park and as the saying goes, "It was love at first sight."

They have been married for 49 years as of February. They have two sons Roger and Steven. Nellie and Barry settled in Salt Lake City, Utah. Barry had an extensive career in law enforcement which included serving for the Salt Lake City Police Department, Salt Lake County, Salt Lake Community College and the Utah Highway Patrol (and is now enjoying retirement!) Nellie was blessed with being able to be a homemaker and full time mom.

Many of you may have seen Barry around the park taking photos with a really big lens on his camera. That is the kind of lens I dream about!!! Marty and I joined Barry on a trip along Hwy. 88 stopping to take pictures all along the way. We went as far as Tortilla Flats and while there we enjoyed a very delicious hamburger lunch. The ride home also entailed just stopping for 'that' photo opportunity. When we made our final photo stop at Lost Dutchman State Park we were told that we had missed the five hawks that had been sitting in the tree right by the rangers' house! Just our luck! But then again that just means that a trip out for more picture taking is in the future! Barry is very talented and has snapped some great photos from right here in the park

BABBO'S ITALIAN EATERY
NW Corner of Southern & Signal Butte
Mesa, Arizona 480-354-2322

Lynn and I stopped by Babbo's for lunch today after a morning spent at the LDS Library searching for long lost ancestors.

Lynn ordered the Steak Panini and I had the Mushroom-pepperoni Calzone. Both were excellent, served hot and with large portions. We saw several items on the menu we would like to try so we will probably be going back for seconds!

We were surprised at how busy they were at two in the afternoon. It must be a hit in the neighborhood.
