

Welcome Back!!

Fall has arrived here in the desert and slowly the temperature is beginning to come down. We would like to welcome back all who spend their winter months with us. As you notice we have a news letter again. It is a joint effort on the part of many people to bring this to you. And we could use your help.

Elections for Desert Harbor Residents' Activity Organization

Jim Stephens #156 will head the Nominating Committee. Offices open for election are:

President (two year commitment)

Vice President (two year commitment)

Treasurer (fill out the year)

one Board Position (commitment 3 years)

There is a sign-up sheet on the main bulletin board if you are interested. You do not have to be a year-round resident to hold one of these positions. If you know of someone, who, you think, would do a great job and enjoy doing it - give Jim Stevens a call at 288-4499. Jim will then contact the person and check if they are willing to be nominated.

At the November meeting (11-1), the names for each position will be made public and the voting will be at the December 6th residents' meeting. It is important that everyone be involved in this process. These are the people who will come up with more great ideas for our community activities. The activities have been a lot of fun this past year, thanks to the current board and all the residents who participated.

BY-LAWS COMMITTEE MEETS

During the October monthly residents meeting Bob Mayo was appointed as the new chairman of the By-laws committee. Other committee members are Agnes Miller and Carol Rysavy. The committee met on 6 October 2008 to prepare to accept any proposed amendments to the current by-laws of the Activities Organization.

Park residents who wish to propose an amendment to the organization's by-laws are encouraged to do so at any time by submitting their request in writing to any member of the committee. Proposed amendments must be signed by the individual proposing the change and should include the reason for the recommended change. All proposals must be received in sufficient time to allow the committee to review them for clarity. Copies of the proposed

amendments will be posted on the bulletin board in the Clubhouse NLT 27 October 2008 for residents to review if they wish.

Recommended changes will be formally proposed at the November resident's meeting and will require a second in accordance with the current bylaws. Once moved and seconded the proposed amendment will be added to the ballot to be voted on by all park residents later in November. The results of the vote will be announced during the annual resident's meeting in December.
