## OCTOBER

*By Dave Borchardt*

Here it is, October 2011, the 10<sup>th</sup> month of the year and only 3 months away from 2012. Wow, where does the time go? It doesn't seem that long ago, when the year 2000 was coming and everyone thought the end of the world might happen with all the computers that were going to shut down. Oh well, here we are, almost 12 years later and computers are still working just fine (well, most of the time anyway).

When we think of October, we usually remember the major events Oktoberfest, Columbus Day, Yom Kippur, Thanksgiving Day in Canada, and of course the big one, Halloween.

Some of the other special events you may or may not know about:

A few month long events: National Apple Month, National Clock Month, National Dessert Month, National Pizza Month (my favorite) and National Popcorn Popping Month (another favorite)

October 2, 1950	First Peanuts Cartoon Strip published
October 4 <sup>th</sup>	National Golf Day (wow, another favorite)
October 7, 1957	American Bandstand premiered
October 15 <sup>th</sup>	National Grouch Day and National Poetry Day (who put these together?)
October 19, 1814	Star Spangled Banner first sung (I know some of you remember this)
October 20, 1931	Mickey Mantle born - Spavinaw, Oklahoma
October 22 <sup>nd</sup>	National Nut Day (need I say more)
October 26, 1863	International Red Cross Organized - Geneva, Switzerland
October 27, 1858	Theodore Roosevelt born - New York City
October 29, 1966	National Organization of Women Founded
October 30, 1735	John Adams born - Braintree, Massachusetts

One of the other major events in October is the Baseball World Series and who could forget Reggie Jackson's three home runs (on the very first pitch of 3 different innings with 3 different pitchers) in Game 6 on October 18, 1977. The Yankees went on to beat the Los Angeles Dodgers 4 games to 2. That's why he was nicknamed "Mr. October".

There's a lot of other stuff going on in October but I hope you enjoyed some of this trivia.

### From the President's Desk

by Dick Smith

WOW! What a summer. Hope it cools down soon. I am looking forward to all the activities for the holidays. Don't forget we will have our holiday potlucks supplied by Solstice Communities.

Also, keep watching for the fun activities Mandy is working on for the park, such as a casino night in October. As the weather cools, we will be getting our winter residents back. I want to welcome them back to the park. We hope all of you join in with the activities in the park. We do ask that you put your name on the signup sheets as that gives us a count of what we need to plan for.

**AUGUST POT LUCK** *By Dave Borchardt*

Our August Pot Luck was held on Saturday August 20<sup>th</sup> with about 35 people in attendance. The happy hour started at 4:30 and then the serious eating began at 5:00. There was an ample supply of good food that was enjoyed by all and a very good supply of desserts. Our pot luck are not for the weight watcher conscious, there are plenty of calories and fat grams for all to enjoy. I'm sure most of our cardiologists would cringe. We did have our 50-50 drawing and \$10.00 went to Art Roberts, and the other \$10.00 went to Betty, a friend of Helen Rietow.

We are also looking for volunteers to host the pot luck, so if you are interested, please sign up.

**TEXAS HOLD 'EM TOURNAMENT** *By Dave Borchardt*

The Fall Texas Hold 'Em Tournament will begin on October 28, 2011 and will continue until we have a winner. The tournament is open to Desert Harbor residents only, and we usually have around 15 to 20 total participants. The tournament cost is \$25.00 per person and all money taken in will be paid out, 1<sup>st</sup> place will receive 40%, 2<sup>nd</sup> place 30%, 3<sup>rd</sup> place 20% and 4<sup>th</sup> place 10%. There will be a sign up sheet in the clubhouse, so please sign up as soon as possible. The signup sheet will list all of the dates and times we will be playing.

**MOVIE NIGHT "THE KING'S SPEECH"** by Jane Boudreau

Solstice Activities Director, Mandy Rogers hosted a movie night in the Desert Harbor Clubhouse. The movie shown on Thursday, September 8 was "The King's Speech" winner of three academy awards, including best director and best actor. The movie documented the struggle of King George VI to overcome his stuttering.

Approximately thirty residents attended the event munching on popcorn, a variety of candies and washing it down with cold beverages. Several residents brought lawn chairs and cushions as their seating preference to the padded folding chairs. Those who arrived early were able to select the living room chairs and sofa which had been turned to face the screen. The screen was of the blow-up variety which I had not seen before. It provided a large viewing surface and was easily seen from many vantage points in the room.

The comments from those attending were they enjoyed the movie and would enjoy attending another movie night in the future. Thank you to Mandy for organizing and hosting this community event.

### HEALTH ARTICLE – DRY SKIN

By Dave Borchardt

Article taken from [www.naturalremedies.articlesbase.com](http://www.naturalremedies.articlesbase.com)). Dry skin is a very common ailment, especially during winter. In medical terms, dry skin is referred to as “xerosis”. A person's skin requires moisture and tends to become dry when enough moisture is not available, when the oil glands cannot produce enough oil as required by the body. This can happen due to cold winter weather, heating in the house, bathing with too hot or too cold water, or rough towel drying. Dry skin causes many problems. Cracks, itching, premature wrinkles, dry and unhealthy look and marks of scratches are a few of them. If you have no diseases that are making your skin dry, you need to address the reasons that make your skin dry and adopt habits to correct the dryness.

#### What Is Dry Skin?

It is moisture that is no longer in your skin. The body produces different natural oils that keep the skin moist and soft. This helps to keep your skin from being less likely injured or dried out. When your skin is dry the amount of oils that your body produces has been reduced. Your skin is feeling dry, itchy and painful.

Dry skin is often very sensitive as it has a very low level of sebum. Due to its inability to retain moisture, the skin looks very dry or parched, and feels highly uncomfortable and dull until it is moisturized. Due to intense sensitivity, the skin tends to flake, crack and chap at places of extreme dryness. Dry skin often seems to be tightly drawn over the bones and is indicated by tiny expression lines around some sensitive areas like the eyes and the mouth.

#### Skin- why it becomes dry?

Skin becomes dry for various reasons. The sebum on the skin is getting washed very fast because you might be over washing it. You might be using harsh detergents. The weather may be playing a role. Dry air will suck the moisture away from skin. Air conditioners and room heaters produce dry air and that is one cause. Many skin problems make skin dry. Psoriasis is one of them. If you have persistent dry skin with flaking, you should consult a doctor and find out if there is any underlying skin condition that is causing this. Sometimes, your daily use of cosmetics may cause irritation.

#### Treatment for Dry Skin:

- 1] Diet is also one of the factors for dry skin ailments. Plenty of vitamins A and B can help the skin produce natural oils and avoid dry skin.
- 2] The use of soap on dry skin should be minimal because soap strips the natural oils from the skin and leaves the skin dry.
- 3] Weather conditions can also be a cause of dry skin.
- 4] Bathing in very hot water too often will also dry your skin out.
- 5] The best thing you can do for your dry skin is exfoliate daily.

*The Prize Is Finally Awarded..*

**This is a new feature of the newsletter when we go digging in our archives and check out what was happening 4 years ago here in Desert Harbor. This excerpt is from the October 2007 issue of our newsletter. Interesting to read what we were experiencing during that year.**

May, 2007 - After a tie breaking vote by the residents, **Harbor Lights** was selected as the new name for our community newsletter. **Marcia Taylor**, Lot #46, was the first to suggest the name and will be awarded a **\$25 Gift Certificate** to **Village Inn Restaurant** near Baseline on Signal Butte.

“Will Be” was the operative phrase for months as we could never find this lady home at a decent hour. If it wasn't that she was on vacation, it was that she was always away tending to her elderly mother in nearby Mesa. She finally received her prize **September 24th** when she slipped up and stayed home one day...

Congratulations! Thank you Marcia for the thoughtful consideration in naming our newsletter.

**The Happenings** was the 2nd most popular name. Thanks to all who participated in this fun contest.

### “LADIES’ GET ACQUAINTED SOUP & SALAD LUNCHEON “

On September 2, 2011 the ladies of Desert Harbor held their monthly ‘Ladies’ Get Acquainted Soup and Salad Luncheon” with nineteen ladies in attendance. Before the meal was served Elaine Kereluk reported on her visits that morning to several of our residents who are hospitalized, in rehabilitation facilities and recovering at home. She asked all to keep them in their thoughts and prayers. After Elaine’s update Nita Watkins offered the blessing.

After lunch we were all busy reminiscing about the hot summer and our vacations and almost forgot to hold the 50/50 drawing. The winner this month of \$7.00 was Agnes Miller. Congratulations to Agnes who said she has not won in several years.

As a reminder the Soup & Salad Luncheon is held on the first Tuesday of the month. On October 4, the meal begins at noon so come a little early to enjoy meeting new neighbors and welcoming back the winter visitors. A sign-up sheet is posted on the Activities Organization Bulletin Board. By your signing up, the organizing committee knows the number of tables needed and how many pots of coffee to prepare. Don't forget to bring your table service including bowls to sample the soups. This month we had Corn Chowder, three varieties of chicken soup, and tortilla soup.

We are looking forward to seeing you at the next Soup & Salad Luncheon.

### A BUS TRIP TO OUT OF AFRICA

*By Monica Bauschard*

On August 19<sup>th</sup> Connie Riter and I went on a bus trip through “Especially4UTours” to the Out of Africa Park near Camp Verde. The cost was very reasonable--it included our bus fare, entrance into the park, a box lunch and all the exhibits in the park. The ride there was pleasant and we stopped for a bathroom break and were given a bottle of cold water (a thoughtful tour guide.) Our bus driver was cautious, pleasant and we arrived at the park safe and sound, raring to go.

The park was clean – well organized – a lovely gift shop with reasonably priced gifts. Our box lunch was the best I have ever had on a trip where lunch is provided! The park management is to be commended on such a good job in all areas.

The animals were in compounds and our tour guide was very knowledgeable on all the animals we saw. The shows we saw were “the tiger water splash” and “the bear splash.” The Siberian tiger was well cared for, and the handlers were able to have control over her for the performance. The bear show was also an extremely good show. A large crowd gathered to watch and enjoy the many hours of training these men and women must have had in the planning of the shows.

It was a long exciting day with a chance to view many wild animals--a trip worth taking. We were completely astonished when the giraffe maneuvered her head into the bus to eat “cookies” from a bucket and the zebras tried to actually come into the bus! We also saw a type of antelope with a broken horn. She had broken her horn in a fight with a lion! Obviously this was an aggressive animal and we were happy she wasn’t interested in eating from the cookie bucket in the bus. This is a really nice place to visit especially if you have young grandchildren coming to visit. You will all enjoy it, as we did. We plan on another visit when our husbands can come along .

**A Giant Mystery** *by Dick Smith*

Something weird went through the park the middle of August. How do we know? We have proof. It started

digging holes behind Nancy and Bill Pavkov's house. Also dug a hole behind the Lee Haas house (#59). Moved on to Dick Smith's house. Started a hole in the back of his house, abandoned that and dug a 4 foot long tunnel in the drainage area on the side of the house.

Didn't stay there long though. Only a day or so. Where it went from there is another mys-

tery. There has been traces of the "thing" trying to dig holes in other yards, but nothing like what he left up front. There has been much speculation.

Badger? Turtle? Rabbit? Kit Fox? One of Joe Arpiao's men? No one knows for sure. Keep an eye out. You may have a visitor and not even know it.

*Lunch at Baci, an Italian Bistro, by Nancy Pavkov*

This restaurant has a beautiful new building at 8830 East Germann Road in Mesa. (The old building on South Power Road has been bought by the owners of Dema's). While Baci's new building is out in the farmland, it is an easy place to find. Go south on Ellsworth for about eleven miles and turn right on Germann Road.

Lunch specials, which are posted on a blackboard, are \$3.95.

There are several choices of pasta with either soup or salad. The bread which is served with oil and vinegar is delicious! The three of us (Bill, Judy, and myself) enjoyed salads of baby greens and a choice of dressings. Bill had baked lasagna. Judy ordered cheese ravioli and I got my favorite--Fettuccini Alfredo.

Lunch is served from 11am to 4pm. Weekends are open for dinner only. Baci is closed on Monday. The food is delicious and the prices quite reasonable.

**Boutique At Desert Harbor by Midge Drouin**

**Heads up everyone!** Here is your opportunity to display and sell the items that you've created throughout the year. This includes jewelry, sewing, crochet and knitted items, painted things, homemade cards, woodwork, candles etc. This is not necessarily a craft fair. This event is open to anyone in the park who has something they would like to sell. No commercial vendors and no commercially produced articles are permitted. This is an in-park sale only. No outside sales or vendors.

You'll have plenty of time throughout the summer months to get your items together. The boutique will start on Saturday, November 19, 2011 and run every Saturday until December the 17th. It will start at 9:00 a.m. and end at 12:00 noon. There will be no charge for table space. You will be limited to the size of your table. Card table size is appropriate. We will have sign up sheets posted on the clubhouse bulletin board in October. The wooden tables in the hall can be used on a first come/first served basis. Once they have all been asked for, you will be responsible for providing your own table.

This is a first time event. Hopefully, if everything turns out smoothly we will have more boutiques throughout the year. At November's residents meeting I will give you more input on this event and answer any questions that you might have.

**PJ BREAKFAST By Monica Bauschard**

The first PJ pancake breakfast organized by Mandy, Solstice Community's activity director, was a huge success. About 40 members of the park signed up to enjoy a wonderful prepared breakfast. The complimentary breakfast was delightful and consisted of sausage, bacon, scrambled eggs, fried potatoes, pancakes, fruit, coffee and juice. It was well prepared and was set out for all to help themselves in a very delightful manner.

It was such an enjoyable time I hope that they will continue with these. Breakfast is the most important start to the day and to have all your friends with you made this an even more special breakfast. Once again we have Mandy to thank for a job well done.

**October Residents' Meeting** - *By Bob Mayo*

Well it's that time of the year again when our monthly residents' meetings resume. The first meeting will be on October 1<sup>st</sup> at 9:00am at the clubhouse.

One of the first items to be aware of is the upcoming election of officers to the Activities Organization. We have two positions on the board that are open for which we need people to fill. We will need a new Vice President as the result of the resignation of our previous VP Jan Ginsburg as well as an individual to replace Midge Drouin whose term as a board member expires in December. Be thinking about any individual whom you believe would be a good person to fill those positions; and if anyone would like to run for one of the positions, we are more than happy to have volunteers.

This is also the time to look at the Activities Organization By-Laws to see if there are any changes which you would like considered. Any recommended changes must be submitted not later than the day of the November residents' meeting and should be submitted to Bob Mayo, the Chairman of the By-Laws Committee.

Final nominations to fill the vacant board positions and presentation of proposed changes to the by-laws will be held during the November meeting. Ballots will be prepared and given to residents during November for their votes.

These monthly meetings are important to plan and/or pass on information regarding our park activities so we hope that all park residents will attend and offer their suggestions for activities that all may enjoy. We hope to see you there on the 1<sup>st</sup>!

**Our Annual Labor Day Cookout** *by Margo Crawford*

On **Monday** Sept. 5, 2011 we held our annual Labor Day Cookout. Dave Borchardt, Tom Hennessy and Dick Smith did the grilling. The flavor of the hot dogs and brats was enhanced by a pre-boil in water 'seasoned' by beer. Cyndi Smith not only prepared the dogs and brats and as always helped with the setup and even the cleanup. 56 people attended the get together and the 50/50 pot was won by Ken Camp.

**August Ladies Luncheon**     *by Cyndi Smith*

This month we went out of town. We went East to Gold Canyon for a Chinese lunch at Chen's, located in the Bashas' Shopping Center. There were 17 ladies attending. They started us off with soup and a salad. On the menu were 18 items available for the lunch menu--everything from Spicy Mongolian beef to orange chicken to seafood items. Every one enjoyed the food. The service was great and our food was done to perfection. The ladies luncheon is on the third Tuesday of the month. Agnes and Helen always pick a great place to go. There is a sign-up sheet in the clubhouse. We need you to sign up so they can let the restaurant staff know how many will be attending.

**WELCOME TO OUR NEW MANAGER!**     *by Connie Riter*

**Marta Alegria**, our new Community Manager, officially took over her new duties here in the Park in late August. She has an extensive background in Human Resources and in Park Management. Marta has worked for American Land Lease for the past three years at The Lost Dutchman Park, both as a Community Manager and as the Arizona Regional Business Manager. "I'm looking forward to being the Community Manager here at Desert Harbor," she smiled. Marta is a native Arizonian and lived in Tucson before moving to Gilbert 12 years ago with her husband, Manny. They have two beautiful girls--Justine who is 23 and will graduate in December from ASU, and Destinie who is 12. "You may see Destinie here in the Park at times," she said. "Destinie loved to visit the Lost Dutchman Park and had made many friends there." When I asked Marta what she liked about Desert Harbor, she quickly responded, "the beautiful, well-kept homes. You can see the residents take pride in their homes and their grounds, and I want to help them keep it that way."

If you haven't met Marta yet, stop in the office and welcome her...she will be happy to meet you, too.

ARE YOU LOOKING FOR AN OPPORTUNITY TO BECOME MORE ACTIVE  
IN OUR COMMUNITY? *by Jane Boudreau*

The Activities Organization is looking for individuals to host the Saturday morning Coffees as well as the monthly Pot-Luck Dinner and drivers to deliver dinners to shut-ins prior to the monthly Pot-Luck Dinner.

Those who are willing to Host the Saturday Coffees will order the donuts from Bashas' and pick them up on Saturday morning, ready the coffee pots Friday evening, and clean up at the end of the gathering. The Activities Organization reimburses the host for the cost of the donuts. If each attendee volunteered once a quarter we could continue to have donuts each Saturday. A sign-up sheet is posted in the clubhouse if you are interested in helping.

**Each month we look for four residents to host the potluck dinner.** The responsibilities of the hosts are to set up the tables, prepare the coffee, welcome the residents as they enter the dinner, and clean up after the meal.

If you have not previously hosted a dinner the officers will be happy to provide suggestions. The following is an idea of what hosting our Pot-Luck dinner entails. After the Saturday Coffee the morning group usually helps set up the tables and prepare the coffee. You would then start the coffee about one hour before the dinner. As the host you would introduce new residents and help them find seating. Just prior to serving the hosts assist preparing the dinners to be delivered to shut-in residents, which will be delivered by another group of volunteers. After the dinner the extra tables are taken down, the room is repositioned, all dishes are washed and the trash is removed. We have great residents who help clean up after the dinner. Just ask for help and you will be surprised with the response.

The last group of volunteers are individuals to help prepare the meals to be delivered to residents who cannot come to the clubhouse. The drivers then deliver the dinners to the individual homes. Please contact Dick Smith if you are willing to be a driver.

***For those residents who are interested in hosting either the Saturday Coffee or a Pot-Luck Dinner sign-up sheets are on the Activities Organization Bulletin Board. Thank you in advance for being a volunteer and demonstrating what great residents we have here in Desert Harbor.***
