Can It Really Be November Already? by *Connie Riter*

Here we are in November! Time seems to fly by at this time of year. Perhaps that is why on November 1, 1884, delegates from 25 nations met in Washington, DC and established time zones for the world (with every 15 degrees of longitude equaling one hour.) Was this an attempt to organize and hold on to time, if just for a moment? When we think of November, we naturally think of Thanksgiving Day, and as we get older and have more time to reflect on our lives and the things for which we are thankful, we think of our country, our families, our friends, our health, our opportunity to enjoy our retirement here in Arizona, and so many more things. It is not a perfect world and the challenges seem to be overwhelming at times, but we still are grateful for so much!

Is it a coincidence that during this month on November 11th we celebrate Veteran's Day--a day to honor veterans of all wars? This is a good day to thank the veterans in our Park who have served our country so well.

There are other lesser known holidays which occur in this month, too. Sandwiches, peanut butter, teddy bears, and saxophones also share the spotlight with our Thanksgiving turkey. November 2nd is National Sandwich Day. John Montagu, the 4th Earl of Sandwich (who was born on Nov. 3, 1718) is credited with inventing the sandwich. (Thanks, John, you've saved us a lot of time cooking.) November 6th is National Saxophone Day. (I wonder if there is a Kazoo day, too...) November 14th is Teddy Bear Day, and November 21st is World Hello Day, which was established in the hope that it would make the world a friendlier place.

The entire month is designated National Peanut Butter Lovers' Month. So, why not sit back, enjoy a peanut butter sandwich, and wait for "Turkey Day" on November 24th. And while you're munching, you may want to practice saying, "arigato", "shukran", "do jeh", "dziekuje", "spasibo", "merci", "danke", "grazie", "asante". No matter how you say it, they all mean "Thank you..."

The Holidays are here. Everyone is going to be so busy over the next two months. Don't forget the activities here in the park also. Thanksgiving Pot Luck on Nov 19 and Christmas Pot Luck on Dec 17. For our Christmas Pot Luck we are having the kids from Studio 3, a school for dancing and singing. They are going to come and give us a program after we eat. Don't forget to sign up as we are supplying the meat for these and need to know how many to prepare for. We also need people to sign up for hosting the pot lucks and the coffee and donuts on Saturday mornings.

We also have the Holiday Boutique for selling our crafts. Please join in on this. Also, our semi-annual patio sale will be on the 12th. A good time to clean out the closets and the sheds and make a little spending money, unless you are like me and buy more than you sell. We also have our Coyote Coupon Books for sale again now, with discounts for local restaurants, golf, and many other things. This is a yearly fundraiser and you can easily save the cost of the book--\$15.

Don't forget the food bins in the clubhouse. Especially this time of year, we need to fill them for the needy. Hope you all have a wonderful holiday season.

Chuck McCall 1940-2011

On Saturday, September 24th, we honored a very good friend and neighbor, Chuck McCall. The clubhouse was filled with members of his family, co-workers and friends who came to pay their respects to him. He left us all after a brief illness that he fought bravely - but lost. The service was given by Eileen Kereluk with members of his family and friends remembering him with kind loving words. He will be missed by all who knew him.

There was a cake with two playing cards on it -- a pair of threes. This was brought by his fellow card players who explained that three threes was his favorite hand. The poker game that evening was named in his honor and remembrance. There were also two other cakes in which some of his family pictures through the years had been placed in frosting.

Chuck will be remembered for his smile, kindness and his wonderful fruit salad that he always made for our pot luck dinners and other functions that we hold here in the park. He was a joy to all who knew him – and who worked with him – but mostly to his wife, Sharon. Rest in Peace to a wonderful husband, father, grandfather and friend.

Chuck's granddaughter– so proud of him

Chuck's grandson - how precious

Melanoma by Midge Drouin

Melanoma is a kind of skin cancer. It is not as common as other types of skin cancer, but it is the most serious. It can affect your skin only, or it may spread to your organs and bones. As with other cancers, treatment for melanoma works best when the cancer is found early.

You can get melanoma by spending too much time in the sun. Too much sun exposure causes normal skin cells to become abnormal. These abnormal cells quickly grow out of control and attack the tissues around them. Melanoma tends to run in families. Other things in your family background can increase your chances of getting the disease. For example, you may have abnormal, or atypical moles. Atypical moles may fade into the skin and have a flat part that is level with the skin. They may be smooth or slightly scaly, or they may look rough and "pebbly". Having many atypical moles increases your risk of melanoma. Also, it may be a sign that melanoma runs in your family.

The main sign of melanoma is a change in a mole or other skin growth, such as a birthmark. Any change in the shape, size, or color of a mole may be a sign of melanoma. Melanoma may grow in a mole or birthmark that you already have. But melanoma may grow in unmarked skin. They can be found anywhere on your body. Most of the time, they are on the upper back in men and women and on the legs of women. Melanoma may look like a flat, brown or black mole that has uneven edges. Melanoma usually have an irregular or asymmetrical shape. This means that one half of the mole doesn't, match the other half. Melanoma moles or marks may be any size, but they are usually 6 mm (¼ in.) or larger. Unlike a normal mole or mark, a melanoma can change color, size, or the shape of its border, be lumpy or rounded, or become crusty, ooze, or bleed.

Your doctor will check your skin to look for melanoma. If your doctor thinks you have melanoma, he or she will remove a sample of tissue from the area around the melanoma (biopsy). Another doctor, called a pathologist, will look at the tissue to check for cancer cells. If your biopsy shows melanoma, you may need to have more tests to find out if it has spread to your lymph nodes.

Lemon Pasta Salad by Margo Crawford

1/4 C. Extra Virgin olive oil
1 lb corkscrew pasta
Freshly ground black pepper
1 lb asparagus Salt
2Tb Dijon mustard
1 Pt cherry tomatoes halved
1 garlic clove minced
1/4 C freshly chopped dill leaves
1/4 C fresh lemon juice
1 C frozen peas, defrosted
7 oz crumbled feta cheese

Boil water and add pasta and cook until al dente. Drain. Rinse. Set aside.

In another pot of boiling water add the asparagus and blanch until bright green and slightly tender. About 3 min. Remove with a slotted spoon and shock in icy cold water. Remove from the water and dry well.

Trim the ends from the asparagus then cut the stems into bite size pieces. Whisk together the mustard, garlic, lemon juice and olive oil in a small bowl. Season with salt and pepper to taste. Combine the reserved asparagus and pasta in a large serving bowl. Add the tomatoes, dill, peas, feta and the mustard dressing. Toss with tongs to coat the salad well.

Boutique At Desert Harbor by Midge Drouin

Heads up everyone! Here is your opportunity to display and sell the items that you've created throughout the year. This includes jewelry, sewing, crochet and knitted items, painted things, homemade cards, woodwork, candles etc. This is not necessarily a craft fair. This event is open to anyone in the park who has something they would like to sell. No commercial vendors and no commercially produced articles are permitted. This is an in-park sale only. No outside sales or vendors.

You'll have plenty of time throughout the summer months to get your items together. The boutique will start on Saturday, November 19, 2011 and run every Saturday until December the 17th. It will start at 9:00 a.m. and end at 12:00 noon. There will be no charge for table space. You will be limited to the size of your table. Card table size is appropriate. We will have sign up sheets posted on the clubhouse bulletin board in October. The wooden tables in the hall can be used on a first come/first served basis. Once they have all been asked for, you will be responsible for providing your own table.

This is a first time event. Hopefully, if everything turns out smoothly we will have more boutiques throughout the year. At November's residents meeting I will give you more input on this event and answer any questions that you might have.

The Southwest Surfers by Margo Crawford

www.thesouthwestsurfers.webs.com

The Southwest Surfers are basically a Beach Boys Tribute Band. They put on a rocking good show that usually has the audience singing and clapping along. This band is a high energy group that invites your interaction with them. You can check them out at the above web address for their schedule and different venues for performing. They can be hired for parties including pool parties with movies! They sing gospel and country also. Oh, they also have their own Mystery Tour Bus trips. For that occasion there is no singing. When performing the songs of The Beach Boys they include a great variety of the oldies but goodies sung by the hit makers of the past. I most recently saw them at The 5 And Diner at 6353 E. Southern Ave., Mesa. It is located on the outer ring of the Superstition Springs Mall. Dan Wiebe the lead singer of the band did a rousing Elvis set complete with 'outfit' that definitely took the evening to another level of enjoyment. The 5 And Diner serves great food in generous portions with great service and reasonable prices--and there are three BOGO coupons in the Coyote Coupon Book to use there. So you can go there for an evening of good food even if the band isn't appearing that night. Be sure to check The Southwest Surfers' schedule to see if you can catch one of their performances.

Residents Meeting -- by Bob Mayo

The first Residents meeting of the new season was held Saturday October 1st at the clubhouse. Following reports by the Secretary and Treasurer which were approved, Connie Riter announced that the new Coyote Coupon books were available for \$15 each or 2 for \$25. Connie also reminded residents of the Patio, Baked goods, and book sale scheduled for Nov 12th. Mike Bauschard announced there will be our annual fall Texas Hold'em Tournament beginning on October 28th. Those interested in playing in the tournament should sign up on the board in the clubhouse. There will also be a series of Boutique Sales each Saturday from 9 AM to Noon beginning on November 19th and going through December 17th.

Under New Business it was moved and seconded that the Activities Organization pay a \$205 annual fee to the company that currently prints our newsletter. During the discussion the cost comparison of the annual fee to what it would cost the organization to print a much smaller four page newsletter each month locally showed a definite savings by paying the annual fee and in return getting a much nicer and larger newsletter. The motion was passed by the membership. Organization President Dick Smith read a letter from Jan Ginsburg resigning as Vice President of the Activities Organization and thanking residents for the opportunity to serve. Dick then asked for volunteers to serve on the Nominating Committee to select park residents who may be interested in serving and nominate them for the position of Vice President and also for the Board Member position which will become vacant in December with the expiration of the term of Midge Drouin. Since there were no volunteers from the members present, Mike Bauschard and Alice Johnson volunteered to serve as the Nominating Committee. Anyone who would like to volunteer for either of the positions is asked to contact either Mike or Alice.

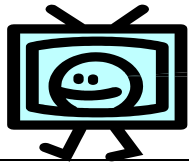

There were a number of discussions regarding activities sponsored by the organization. The bottom line is that the organization needs to have some input from park residents about the type of activities and events they would like to see. They are also encouraging residents to volunteer where they can to make various events and activities possible. Specifically we need people to host the monthly pot luck dinners, the weekly coffee and donut sessions on Saturday mornings and other similar activities. Anyone who can help is asked to sign up at the clubhouse to help with such needs

IMPORTANT – ATTENTION ALL RESIDENTS

Good news – a 911 emergency call box has been installed in the club house. This is for emergency use only and it is direct to 911 central stations. It will talk with you immediately about the emergency you have cutting down response time for either the fire or ambulance to get to Desert Harbor. Another thanks to our management.

Our Monthly Pot Luck was a well attended function. We had more guests this month than we have had for some time. The tables held a variety of foods with wonderful desserts – coffee and lemonade were served. Soon our snowbirds will be returning and then the hall will be once again full – it will be good to see our friends and neighbors

Ladies Luncheon On Tuesday, September 20th, seventeen ladies met at Mimi's, one of our favorite places for our monthly luncheon out of the Park. Several of the ladies ordered the quiche and salad luncheon. It was large enough so a lot of them had "doggie bags" to go! The service has always been excellent, but this time everything was SLOW. It took almost an hour between ordering and receiving our plates. Good thing most of us had no plans, so we could just sit and visit. It's always fun to catch up on everyone's news. The food was up to their usual high quality, so I imagine we will be going again. We have to give them another chance.

Bill and I took a neighbor and his bike to the AJ Bike Shop. It has moved across the Trail from its previous location. It is still just East of Signal Butte. And....the spouse of the Bike master has opened a 49 cent card shop along side his bike shop. She has some really nice cards as well as some neat “gifties.”

It seems a long ways off, but we have a bus trip on Feb. 13th going to a secret working mining claim in Arizona -- and there's still room. We'll visit with expert gold prospectors at work using traditional and modern methods. We'll learn how to mine for gold and can keep any gold we find...Lunch and beverages are provided -- all for \$89. This trip is always a sell out -- so, if you're interested get your reservations in early.

Do you want to see Sedona, Jerome, and Mingus Mountain? There's a day trip on Nov. 26th for \$59.

Patio Sale Update *by Midge Drouin*

Desert Harbor will be having their individual patio sales, as well as the bake, book, and white elephant sales in the clubhouse on November 12th from 7:00am to 12:00 noon. Gather your belongings which you would like to donate to the book sale and the white elephant sale. We are always looking for clean items. Plan ahead for baking because we could use brownies, cakes, pies, cookies, bars, fudge, etc. Plan to drop your white elephant items off on the Wednesday before the patio sale. We would appreciate it if you would price your items because this will save the committee some time. The same goes for the bake sale items. The night before the sale, you may come in to preview and buy sale items. Plan ahead and we hope to see you at the sale. Any questions call Midge Drouin at [602-459-9039](tel:602-459-9039)

APACHE JUNCTION RECYCLING *by Dave Borchardt*

There is a new recycling and waste facility currently under construction in Apache Junction. Ground was broken on August 11th for a new 14,000 square foot building that will be located at 3755 S Royal Palm Drive. The location is about halfway between Idaho and Tomahawk on the North side of Baseline. They expect to add 30 new jobs and it is expected to open in early 2012. The facility will be run by Right Away Disposal, which is the current provider of trash pick up here in the park. When we have any more information as to exactly when the facility will open, we will let you know.

Coyote Coupon Books for Sale

Help our activities organization, save money, and support the local merchants by buying this year's Coyote Coupon Book. They are still \$15 per book or two for \$25.00 and contain lots of BOGO savings on restaurants, golf, services, and entertainment. Call Connie or Art at 480-641-7753

DESERT HARBOR GOLF LEAGUE *by Dave Borchardt*

Once again the Desert Harbor Golf League will be starting the first or second week of November. Each week we play nine holes, on Thursdays starting around 11:00am, at Sunland Springs Golf Course which is just West of us on Baseline. They have three courses and we rotate each week with a different course. Last year we had as many as 30 golfers join us, so if you would like to participate this year, please contact Don Walker at 480-288-5686. Usually when we are done, some of us go to various locations for a beverage and a sandwich. Last year there were many of us that would also play 18 holes at various locations, either on a Monday or Tuesday, so if that would interest you as well, please let Don know.
