

**DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—MARCH 2014**

**More Than Just St. Patrick's Day** *by Connie Riter*

Four big events occur during the month of March this year -- Mardi Gras on March 4<sup>th</sup>, the beginning of Day-light Savings Time on March 9<sup>th</sup>, St. Patrick's Day on March 17<sup>th</sup> and the beginning of Spring on March 20<sup>th</sup>. Apparently there is a lot more to March than parties, corned beef and cabbage, and green beer! (Although these are worth enjoying!)

The month of March is named after the Roman God of War, Mars, and was at one time the first month of the new year. The birthstone for this month is the beautiful stone, aquamarine, which is known for its calming effects. The flower of the month is the daffodil which is one of the first flowers to bloom in the Spring. And those born during this month are born under the sign of Pisces, March 1 - 20th or Aries, March 21<sup>st</sup> - 31<sup>st</sup>. It is also Save Your Vision Month and Red Cross Month...among other monthly remembrances. But...you knew all this, right?

It has been a hard winter in many parts of the country with storm after storm bringing freezing temperatures and snow to so many in the East and the South. Have you noticed that we have had an influx in people visiting our area during January and February perhaps caused by the cold in other parts of the country. We can all look forward to spring and the warmth it will bring.

One activity you may consider attending is right at our front door. On Monday nights during March, Apache Junction High School is continuing their lecture series which begin at 7 pm. Most people are there by 6:15pm because every night is a sell-out! March 3<sup>rd</sup> is "The Life and Times of Walter Cronkite." March 10<sup>th</sup> is "Stagecoach Robbery Trail." March 17<sup>th</sup> is "Winnie Ruth Judd -- Trunk Murderess." and March 24<sup>th</sup> "Arizona Film History." Tickets can be purchased for \$5 each, before the lecture.

We can also look forward to a new board of officers for our Activities Committee and with all the new people moving into Desert Harbor -- new ideas, new activities, and more volunteers. The Clubhouse was decorated beautifully for Valentine's Day and we have heard that it will be again, for St. Patrick's Day. Thanks Karen and your committee! You have done a superb job!

## **DESERT HARBOR CASINO NIGHT**

*By Dave Borchardt*

On Thursday, January 23<sup>rd</sup>, Tracey from Solstice put on a Casino Night for residents of Desert Harbor. There was a happy hour that started at 4:00 pm and then the Casino opened up at 5:00 pm. The betting stopped at 7:00 pm so that the auction could begin. Tickets for the event were \$10.00 per person and that gave you \$2000.00 in play money that you could wager to try and increase your total dollar amount so that you could then bid on the auction items. There was also food available for \$5.00. There were 4 slot machines, a craps table, roulette table, black jack table, 3 card black jack table and one table for Texas Hold Em. Once the auction started the bidding was pretty hot and heavy with residents pitted against one another to see who could bid the most for cases of beer, bottles of wine, lobster or steak dinner for two, wine party for 16 people and various other merchandise items. One of the hotter items was the bidding for a Keurig Coffee Maker and there was more than one table pooling their money together to see who could bid the highest. Team Dorothy Miller eventually outlasted everyone and got the winning bid and Team Bev Borchardt was a close second.

Overall, the evening was a fun filled event with about 70 residents taking part and it seemed like everyone had a terrific time. I think most of us are looking forward to another Casino Night next year.

## COMPUTER CORNER

**Getting started with Paint** In this article

- [The parts of Paint](#)
- [Working with tools](#)
- [Saving a picture](#)

Paint is a feature in Windows that you can use to draw, color, and edit pictures. You can use Paint like a digital sketchpad to make simple pictures, creative projects, or to add text and designs to other pictures, such as those taken with your digital camera.

**The parts of Paint** [Click to open Paint.](#)

When you start Paint, you'll see an empty window; drawing and painting tools are located in the ribbon at the top of the window. The following illustration shows the different parts of the Paint window:

### Working with tools

The ribbon in Paint includes a handy collection of drawing tools. You can use these tools to create freehand drawings and add a variety of shapes to your pictures. This section describes some common tasks. For more detailed information on how to use the different tools in Paint, see [Using Paint](#).

#### Draw a line

Some tools and shapes, such as the Pencil, Brush, Line, and Curve, let you make a variety of straight, curved, and squiggly lines. What you draw is determined by how you move the mouse as you draw. You can use the Line to draw a straight line, for example.

On the Home tab, in the Shapes group, click the Line .

In the Colors group, click Color 1, and then click the color you want to use.

To draw, [drag](#) the pointer across the drawing area.

#### Draw a squiggly line

Your drawings don't have to be composed of only straight lines. The Pencil and Brushes can be used to make completely random, free-form shapes.

On the Home tab, in the Tools group, click the Pencil tool .

In the Colors group, click Color 1, and then click the color you want to use.

To draw, drag the pointer across the drawing area and make a squiggly line.

**Note** If you want to make a line that has a different appearance, use one of the Brushes, instead.

#### Draw a shape

Paint lets you draw many different shapes. For example, you can draw ready-made, defined shapes such as rectangles, circles, squares, triangles, and arrows (to name a few). You can also make your own custom shape by using the Polygon shape to draw a polygon, which is a shape that can have any number of sides.

On the Home tab, in the Shapes group, click a ready-made shape, such as the Rectangle .

To add a ready-made shape, drag the pointer across the drawing area to make the shape.

To change the outline style, in the Shapes group, click Outline, and then click an outline style.

If you don't want your shape to have an outline, click No outline.

In the Colors group, click Color 1, and then click a color for the outline.

In the Colors group, click Color 2, and then click a color to use to fill the shape.

To change the fill style, in the Shapes group, click Fill, and then click a fill style.

If you don't want your shape to be filled, click No fill.

#### Add text

You can also add text to your picture. The Text tool lets you add a simple message or title.

On the Home tab, in the Tools group, click the Text tool .

Drag the pointer in the drawing area where you want to add text.

Under Text Tools, on the Text tab, click the font face, size, and style in the Font group.

The Font group

In the Colors group, click Color 1, and then click a color. This is the text color.

Type the text that you want to add.

#### Erase part of your picture

If you make a mistake or need to change part of a picture, use the eraser. By default, the eraser changes any area you erase to white, but you can change the eraser color. For example, if you set the background color to yellow, anything you erase turns to yellow.

On the Home tab, in the Tools group, click the Eraser tool .

In the Colors group, click Color 2, and then click the color that you want to erase with. If you want to erase with white, you don't have to select a color.

Drag the pointer over the area you want to erase.

#### Saving a picture

Save your picture frequently so you don't accidentally lose your work. To save, click the Paint button , and then click Save. This saves all of the changes made to the picture since the last time you saved.

The very first time that you save a new picture, you will need to give your picture a file name. Follow these steps:

Click the Paint button , and then click Save.

In the Save as type box, select the file format you want.

In the File name box, type a name, and then click Save

## **Resident's Meeting** - *by Bob Mayo*

The resident's meeting was called to order by President Jim Gabel on 1 Feb 2014. Following the Pledge of Allegiance the minutes of the previous meeting were presented and approved. The Treasurer's report was presented indicating a balance of \$2781.04 in all accounts. There were questions regarding the figures as well as why there were no receipts for the New Year's Eve party. As Tim Chrissis was out of town and answers to the questions were not known, the report was approved subject to audit.

Kathy Gabel presented a listing of upcoming events for the month of February. Connie Riter discussed upcoming trips and also said there were still 13 Coyote Coupon books available for those who might want one. Frank Kosar discussed the upcoming February breakfast and also said this would be the last breakfast for a while unless someone wanted to take it over temporarily. Frank also thanked all those who donated their time and services to make these breakfasts a success. Coleen Kitzman said she was still looking for donations of items including food for the school we are supporting. There was a discussion of the best way to get the donations to her.

Carol Rysavy reminded residents of the exercise classes which are held on Mon, Wed & Fri from 8:00 a.m. to 9:00 a.m. in the clubhouse. Cliff Tessmer spoke about shuffleboard and other games which are held on Thursdays at 2:00 p.m. Midge Drouin reminded people that we will have a patio sale on March 22<sup>nd</sup> running from 8:00 a.m. until one. This will be strictly a patio sale. No white elephant, book, or bake sale.

Steve Davison presented the names of those nominated for board positions. They include:

|                  |  |
|------------------|--|
| President:       | Ken Camp   |
| Vice President:  | Dave Borchardt   |
| Member at Large: | Sherry Weinert – Mike Kereluk – Renee Spears & Sharon Ziccardi |

The floor was opened for any further nominations. There were none; so the new President and Vice President will be Ken Camp and Dave Borchardt. Ballots will be provided to park residents to fill the two open member at large positions. There will be a box in the clubhouse where residents may place their ballots any time before the start of the March resident's meeting. Residents may only vote for two individuals and the two receiving the most votes will be the new members.

Meeting was adjourned.

## **REMINDER**

**Ballots for the election of persons to serve on the activities board must be turned in prior to the start of the March resident's meeting. There is a box in the clubhouse where you may drop off your ballots.**

**LADIES LUNCHEON** *by Jane Boudreau*

On Tuesday, January 21, 2014 seventeen ladies from Desert Harbor enjoyed lunch at the 'Dining Room' Restaurant in Apache Junction. The restaurant is located at 185 N. Apache Trail . The restaurant is small with only seating for less than 50 guests. The food was served hot and we had no complaints from any of those in attendance. I understand the kitchen is small resulting in a slower delivery of our orders.

We were seated at three tables and all the food for each table arrived at the same time. Our table was served last as I was the last one to arrive. The wait staff was very attentive to our needs and very friendly. All the tables in the restaurant were full during our visit.

We want to thank the 'Dining Room' for accommodating our group and providing us with individual checks. Several of those in attendance have had breakfast at the restaurant and said it was good. If you're looking for a new spot for breakfast, lunch or dinner why not try the 'Dining Room' right here in Apache Junction.

## **HEALTH ARTICLE** *by Midge Drouin*

### **WASH YOUR HANDS**

Why is it so important to wash your hands? Washing your hands helps to keep you healthy. You touch everything with your hands. Regular washing of hands with soap and water could reduce deaths from diarrhea illnesses by 50%, according to CDC estimates.

How can you catch a cold by not washing your hands? Germs may live on inanimate objects for an extended time. If you touch contaminated surfaces, the germs get on your hands. Eventually, you touch your eyes, nose, or mouth, which gives germs access to your insides. Where are you most likely to pick up germs? The top of the list is the restroom. What is the right way to wash your hands? The proper way to wash is with lots of soap and warm water for as long as you have the patience for at least 20 to 30 seconds. If you sing Happy Birthday twice, you've washed long enough. You do need to wash after gardening, even if you wear gloves, because there are bacteria and parasites in some areas of soil.

You can't ever wash your hands too much. When is it important to wash your hands? Anytime you use the bathroom and definitely before you start cooking or doing any food prepping or working with raw meat, poultry or eggs. If you're taking care of someone who's sick, be sure to wash your hands more than you normally would. And wash your hands after you change a diaper. Whenever you're sick, wash your hands after you sneeze or cough into your hands. Wash your hands after you takeout the garbage and also after feeding your pets. "Don't be shy about asking anyone taking care of you or a loved one if they've washed their hands."

## **SUPER BOWL PARTY**

*By Dave Borchardt*

We held our Super Bowl party on Sunday, February 2nd and it was well attended by about 40 people. Everyone brought something to drink as well as some snacks to share. Dave Drouin chipped in and bought the pizzas for everyone. Thanks Dave! The game was pretty much a blow out with Seattle stomping Denver by a score of 43 to 8. We had our annual football squares for the game and sold 100 squares at \$5.00 per square so there was a total of \$500.00 in the pot. The first quarter was won by Sheila Galli, the second quarter was won by Sheryl Nagy, the third quarter Terry Watts and the final quarter was won by Dorothy Miller.

We also had a play-off sheet where participants picked the correct winners from the teams after the wild card games were determined. We had a total of 3 people pick exactly the correct amount of winning teams, 7 total, and each person also picked the total number of points that would be scored in the game. Dick Smith correctly picked 7 winning teams and picked the total points scored right on the nose, 51 points. There were a total of 26 players that entered the contest with \$5.00 each, so the total prize of \$130.00 went to Dick Smith.

We had a fun football season of picks and everyone seemed to enjoy it.
