

DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—APRIL 2015

April in the Valley *by Connie Riter*

Here's an interesting thought – only two months of the year are used as ladies' names – April and June. Perhaps this is because women bring new life into the world and these are the months noted for springtime and weddings....hmmmm.

There are some other interesting facts about April. April 1st, known now as April fools' day, was celebrated until 350 AD as the birthday of Christ. The pope at the time then changed the celebration to December 25th when he revised the calendar. April's birthstone is the diamond and the Zodiac signs are Aries and Taurus, the gods of war and the bull. This is Mathematics Awareness Month and Humor Month – those two just don't seem to go together.

The Revolutionary War began on April 19, 1775. On April 4, 1818, a flag containing one star for each State and 13 stripes was adopted by Congress. On April 6, 1917, the US declared war on Germany in WW I. On April 30, 1975 General Duong Vanh Minh surrendered and the Communist forces captured Saigon which led to the end of the Vietnam War. April 22nd is celebrated throughout the world as Earth Day. Perhaps this is why people do huge spring cleaning in April, yard work is begun, and, of course, professional baseball begins.

Many of our winter residents will be leaving this month. To all of them we wish a summer filled with sunshine, happy times with friends and family, few bugs, and a speedy return to your WINTER HOMES. We'll be waiting for you!!

From the President's Desk

by Ken Camp

As of this report, we have finished with our first Desert Harbor Fun Day! There are many people to thank for the success of our White Elephant sales, with all of your donations to the sale.

Nancy, thank you for storing treasures in your patio for us – for the last few months and longer. I know you will be happy to have your Arizona Room back to normal once again. For all of you who volunteered on Saturday, March 14th, we could not have made Saturday a success without your help. Liz, thank you for all your help, both on Friday night and Saturday morning. Thank goodness it didn't rain! I want to thank all of our chairpersons for an outstanding job of putting all of the events together. Much thought and time went into planning each event.

Planning for next year's event will start in the fall of 2015. Those with new ideas and thoughts, please write them down and they will be considered when the 2016 planning begins.

St. Patrick's Day was held on March 17th with 116 attending. Our jam session was on the 18th of March. Thanks to Hans for hosting this fun event. Darwin's Hoe Down on March 21st was enjoyed by many of our residents. Thanks Darwin for putting on this event. As you can see, we had a good number of events in March, Again, please drive carefully in the park and watch out for bicycle riders and people out walking.

RECAP MARCH RESIDENT'S MEETING *by Connie Riter*

A residents meeting was held on March 7, 2015 at 9:00 am in the Clubhouse. All board members were present. The secretary and the treasurer's Reports were accepted and approved. Ken asked if anyone would offer to decorate the clubhouse for St. Patrick's Day and for Easter.....no one responded. Ken said that Renee Spiers will do face painting at the fun days too.

Ken indicated that a breakfast will be held on April 2nd, tickets will be \$4 each and it will run from 8 – 9:30 am. Ham, eggs, French toast, and orange juice will be served. The photo contest will end on March 27th, photos will be posted, and residents will vote on April 4th. A jam session will be held on March 18th, with Hans playing. Pot lucks tend to be short of meat at the end of the line, so the activities committee will be buying fried chicken from Walmart and holding it until there is a need to put it out in line. The 21st of March will be our Canadian hosted Hoe Down. A Sock Hop will be held on March 27th, from 6:30 – 9 pm, with pulled pork sliders being served. Sherry Weinert is in charge of this.

Colleen Kuntzman said she would no longer be collecting items for Superstition Springs Elementary. She received only 2 bags in the last 2 months, and the school is closing at the end of this session.

The 50/50 raffle was held and Philicia won it, receiving \$50.00.

The meeting was adjourned at 9:35 am.

Winter Dance Party Reviews *by Midge Drouin*

On Friday night, January 23rd, Darwin Giem hosted our dance party from 7 PM until 11:30 PM that evening. There were around 35 in attendance enjoying dancing, snacks, BYOB, and socializing. Everyone seemed to have a great time.

On Friday night, February 27th, the residents in our park enjoyed another dance party hosted by Darwin. This time we got to enjoy a game called "The Unnewlywed Game" in which six couples were chosen to compete. The men were sent out of the room and the women were asked questions about how they think their mate would answer questions about things their mate should know. Whoever came up with the most answers would win a \$25 gift card from the Olive Garden. The two lucky winners were Connie and Ron Farmer. We had many laughs that evening and enjoyed the usual dancing, snacking, and socializing. The party broke-up around 11:30 that evening.

We are all looking forward to the 21st of March when our Canadian friends will host the "Hoedown". A big thanks goes out to Darwin for all the good times and effort that he puts into it.

HELP!

By Connie Riter

Each year for Memorial Day we honor the veterans who live in our park by displaying their pictures on a special display in the Clubhouse. If you are new to the park, we would love to add your picture to our board. This also includes your siblings, children, or grand children who have been in the service. If you have a picture, please let me borrow it, and I will return it to you after I scan it in. The information I need for the display include what branch of the service you were in, what rank you had, what years you were in, where you were stationed, and (if possible) what you might like to tell the residents of Desert Harbor about your service.

Things to do Around Town in April *by Connie Riter*

The travel company, Sue Sinclair, has no new trips for the summer, other than taking reservations for the Rose Bowl Parade. So, I thought I'd investigate things to do around here.

The Easter Pageant at the Mormon Temple on Main Street in Mesa is being held each evening from March 25 through April 4. If you have never seen it, it is well worth the trip downtown. Bring your own lawn chairs or blankets and come early for the best seats. It is always a wonderful experience!

At the Desert Botanical Gardens in Phoenix, you can view many different types of birds, along with the pro birders, every Monday in April at 8 am.

Gilbert Downtown Concerts are held at the Water Tower Plaza on April 2, 16, and 30. Bring a picnic basket, blanket, or lawn chairs, sit back and enjoy! They are free.

A large gathering of wood carvers will take place on April 11 at the Heard Museum. Over 100 artists will show and sell their unique creations. There will be carving demonstrations and musical performances, too.

The Copperstate Thousand Field of Dream Cruise In is being held from April 17 – 22 at the Tempe Diablo Stadium. There will be locals, classics, muscle cars, exotics, street rods, too. And best of all, admission is FREE.

The Arizona Women's Expo will be held at the Phoenix Convention Center on April 25 and 26. Come see demonstrations, attend workshops, check out new products and enjoy one of the largest trade shows in Arizona.

Church News *by Barbara Fox*

Wayne F. Zumhof from the Genesis Project spoke to the folks at Community Worship in February. The Project continues to need donations of water, clean clothing and shoes, and food, especially peanut butter and grape jelly for the summer. Monetary donations and volunteers are also welcome to help feed and clothe the homeless of Apache Junction.

Our Easter service is scheduled for April 5th. Bible Study continues every Tuesday evening at 6:30 pm. We are studying the book of Acts.

Ladies can start planning for the second annual Mothers Day tea on May 9th. And yes, there is going to be a hat competition again! This year there will be prizes for several different categories. More details to follow.

LES KOEL - NEIL DIAMOND TRIBUTE

by Jane Boudreau

On Wednesday evening March 4 residents and their guests enjoyed an evening of Neil Diamond's hits. They were performed by Les Koel. Mr. Koel is a versatile performer with selections available from Frank Sinatra to Jimmy Buffet. He entertained the groups of about 65 for two hours. The group sang along to tunes they knew and kept time with the music by clapping. During the intermission the crowd enjoyed cookies and coffee.

This was Mr. Koel's second visit to Desert Harbor and the group enjoyed this performance as much as the first. A big thank you to our Entertainment Committee for bringing him back. We look forward more evenings like the one on March 4.

LADIES LUNCHEON AT THE OUTBACK

by Jane Boudreau

On Thursday, February 17, 2015 eleven ladies enjoyed lunch at the Outback Restaurant in Mesa. The ladies selected from the lunch menu with salads, sandwiches and steaks being some of the options chosen. Lively conversation was enjoyed.

The attendance at the out of park luncheon has been declining. If you have a restaurant you would like to visit please join the group next month. They will be going to Dining Room Café on April 21. It is small local restaurant located on 185 N. Apache Trail in Apache Junction. The ladies like to patronize the local restaurants whenever possible. For those who have not attend we only frequent establishments who will provide us with individual checks. A sign-up sheet is posted on the bulletin board in the clubhouse.

Western Hoedown - Red Solo Cup Style *by Jane Boudreau*

Saturday evening March 21 a hundred plus residents and guests enjoyed an evening of food, dancing and good company. The evening was presented by the Canadian residents of Desert Harbor. Coordinating the event were Darwin and Sheila Geim with assistance from Dave and Monica Forster, Les and Pam Allen, John and Jane Kalmakoff, Wayne and Ardi MacNeill, Doug and Karen Stoesz, Jim and Bonnie Harrison, Dan and Gisele Piesinger, Guy and Sheryl Nagy, and Ron and Glenda Lienwebers.

The evening began with beer available during happy hour for those who wished to imbibe. During this time 50/50 tickets were also sold, the drawing to be held after the dinner. Fried chicken, coleslaw, potato salad, rolls and baked beans were served. The baked beans were made using Bertha Harris' recipe. She had to leave early to return home. Cup cakes and coffee were available to top off the dinner.

I have to congratulate Darwin and his team on the wonderful decorations. The Red Solo Cup theme was carried out throughout the room. A chandelier was constructed from red solo cups as well as strings of lights with solo cups as globes. The center pieces on the tables were sunflowers with tiny red solo cups as accents. The library was converted to a jail with black bars on the windows. Did you catch the silhouettes holding up the walls? Great imagination and thought went into the décor and it set the scene for a lively evening.

Doug Stoesz, one of our resident DJ's, spun the tunes all evening. Before the dancing began the 50/50 was drawn and Cindy Walker held the lucky ticket. Door prizes were awarded throughout the evening. Residents, vendors and Sun Corp. donated the door prizes

A big thank you to our Canadian residents for a very enjoyable evening. We hope you're beginning to plan next year's event.

DESERT HARBOR COMMUNITY SALE, CAR SHOW & FUN DAY

by Dave Borchardt

Our inaugural Community Sale, Car Show & Fun Day was held on March 14th from 7:00 am to 2:00 pm. Residents donated many, many items for us to sell in the Community Sale part of the Fun Day.

We had 11 cars participate in the car show part of the event.

We started off the morning with coffee and donuts then went right into lunch serving Sloppy Joes, Hot Dogs, Chips, Soda, Coffee and Water.

The cake walk brought in a lot of people trying to win a cake. The spinning wheel also had quite a number of people participating.

The raffles were a huge success, the 50-50 drawings contributed a lot, and grab bags also brought in money as well.

This event could not have been as successful as it was without the help of many, many volunteers who contributed a great deal of time and effort.

We don't have an exact final dollar amount that we made but we are somewhere around the \$4000.00 clear profit mark. We feel this was quite remarkable considering this was our first time. Again this was thanks to a lot of helpers.

We have already started talking about next year and are reviewing how everything went this year and will be looking for input from all of our volunteers as well.

Thank you everyone for a JOB WELL DONE!

LADIES GET ACQUAINTED SOUP-N-SALAD LUNCHEON And FASHION SHOW

by Jane Boudreau

On March 3, 2015 forty-five residents and their guests enjoyed our monthly luncheon. The ladies enjoyed several soups, fresh salads and delectable desserts. Following the luncheon a fashion show was conducted with fashions from the Dress Barn located at Power Square in Mesa. The models, all residents of Desert Harbor, were Kim Worthem, Sherry Weinert, Kathy Gable, Barb Nienkark, Cami Weiss, and Midge Drouin. Each of the ladies modeled two outfits selected with the assistance of the staff at Dress Barn. Several of the ladies commented they would never have selected the outfit themselves and were pleased with their selections.

A fifty-fifty was held with thirty-seven dollars being contributed to the Activities Organization Treasure.

The next luncheon will be held on Tuesday, April 7 with serving beginning at noon. We will continue with the original format of soups, salads and desert items. The suggested Box Lunch will not take place. After you review your cookbooks and decide what you would like to prepare, please remember to sign up in the clubhouse. May we suggest you invite a neighbor to join you for lunch. This is a great venue to meet the other ladies in our community. As a reminder those attending are asked to bring their own table service including bowls for soup and a beverage to drink. Coffee will be available.

We look forward to seeing you at the next luncheon.

Desert Harbor Celebrates St. Patrick's Day *by Connie Riter*

On March 17th over 125 people met at the clubhouse for a delicious corned beef dinner provided by the Activities Committee – at no cost to the residents. The traditional corned beef was served, accompanied by carrots, red potatoes, and cabbage. Soda bread was served and a delicious cake. Some residents brought cakes they had won at the Cake Walk on Saturday to provide more variety.

While we had a lot of corned beef, the last few tables did not get cabbage. Then the potatoes and soda bread ran out... It is important when such a dinner is planned, that you sign up on the sheets provided so that enough food can be purchased... Steve Davis and Ken Camp did most of the cooking and a large bucket was provided for residents to make donations to the cost of the dinner. "I bought over 96 pounds of corned beef," Ken said. "and corned beef has gone up in price this year." A 50/50 raffle was held and Ken was one of the two winners....Some tables had champagne or apple juice left from New Year's Eve. Everyone seemed to have a good time!

HEALTH ARTICLE *by Midge Drouin*

What's Causing Your Dry Skin?

Your skin is your body's first line of defense against the elements. When sun, wind, and cold leave skin dry and itchy, don't hide it under long pants and gloves. Replenish it! To get the kind of smooth, sleek skin you'll want to show off, learn these eight top causes of, and fixes for, dry skin.

1. Winter Weather

When the temperature drops, the humidity level plunges too. Dry air leaves skin parched. "Once the weather starts to change, I see patients coming in complaining of dry, itchy skin," says Linda Stein Gold, MD, clinical research director for the dermatology department at Detroit's Henry Ford Hospital. Turning up the thermostat doesn't help, either. Indoor heating strips even more moisture from the air -- and your skin. Quick Fix: Dial Up the Humidity Install a humidifier in your home to keep air moist. Set humidity at a constant 45% to 55%, and the temperature at a balmy 68 degrees Fahrenheit. Before you go outside in wintry weather, create your own moisture barrier. Protect your most sensitive parts -- lips, face, and hands -- with a scarf and gloves.

2. Steamy Showers

Setting the shower to steamy soothes your body, but it won't do your skin any favors. "I know it feels wonderful to stand in a really hot shower... but it can dry out the natural oils in our skin more quickly," Stein Gold says. Standing under that hot spray long enough to belt out your favorite tune is also a no-no. The longer you linger in the shower, the more you dry out your skin. Quick Fix: Cleanse Coolly and Quickly Dial down the shower temperature to lukewarm, and keep showers short. Five minutes is enough to get clean without over-drying. Save the singing for your car.

3. Moisture-Robbing Soaps

Don't put just any bar of soap into your shower dish -- they're not all the same. Wash with a harsh soap and you'll send your skin's natural moisture barrier straight down the drain. Quick Fix: Go Mild "We recommend using a mild, fragrance-free soap that moisturizes as it cleanses," Stein Gold says. Bar or liquid doesn't matter, but choose a soap that's specially formulated for dry skin

DESERT HARBOR JAM SESSION

By Dave Borchardt

On Wednesday March 18th we were treated to a special Jam Session that Hans Nikolaas put together for a very entertaining evening that was attended by about 60 or so people. There were about 15 musicians and a few singers and they played a variety of music from Rock & Roll to Country to Polkas. We had about 20 or so visitors from other parks and everyone seemed to enjoy themselves. We also served free Ice Cream Sundaes at intermission as well as coffee and both were greatly appreciated by all. It was a very fun, entertaining evening.
