

DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—NOVEMBER 2015

Oh, dear....It's November already! *by Connie Riter*

Here we are in November! Time seems to fly by at this time of year. Perhaps that is why on November 1, 1884, delegates from 25 nations met in Washington DC and established time zones for the world (with every 15 degrees of longitude equaling one hour.) Was this an attempt to organize and hold on to "time," if just for a moment? When we think of November we naturally think of Thanksgiving Day, and as we get older and have more time to reflect on our lives and the things for which we are thankful, we think of our country, our families, our friends, our health, our opportunity to enjoy our retirement here in Arizona, and so many more things. It is not a perfect world, and the challenges seem to be overwhelming at times, but we still are grateful for so much!

Is it a coincidence that during this month on November 11th we celebrate Veteran's Day – a day to honor veterans of all wars. This is a good day to thank the veterans in our Park who have served our country so well and to thank active military should you meet some. We owe them so much!

Many of our winter visitors come each week now, and we are grateful to them too...for their friendship, for the ideas and activities they bring with them, and for the development of the areas around us, which we enjoy all year. So, enjoy the month and its meaning and while you are munching on your turkey, you may want to practice saying, "arigato", "shukran", "do jeh", "dzekuje", "spasibo", "merci", "danke", "grazie", "asante". No matter how you say it – they all mean "Thank you."

From the President's Desk by Ken Camp

First, I want to welcome all our winter residents back. We hope we will have another good year. Many activities are lined up so keep track of your newsletter or on the web as Dave does a great job of informing every one of the upcoming events. My thanks to a great October fest and thanks to Hans and his group for the music. Good job! Philicia has Halloween planned so hope all had a good time. Remember the Ice Cream Social on November 11th. The Patio Sale is on November 14th and our Thanksgiving Pot Luck will be held on November 21st. As we all know, we do not have a kitchen, so the turkeys will have to be baked in our homes. I was hoping that this would not be the case, but it is. On the sign-up sheet please consider bringing sweet potatoes, mashed white potatoes, dressing, and anything else that goes with a Thanksgiving dinner. (Christmas will probably be the same.) Please call me or any Board member with questions you might have concerning Thanksgiving or Christmas.

Remember to drive safely in the Park since we have more residents walking and riding their bikes at this time of year. Also when you are entering or leaving the Park, drive slowly and carefully.

Summary of October 3rd Residents Meeting

Ken Camp began our monthly residents meeting at 9 am with all board members present and a total of 43 other residents. No new residents were present. Both the secretary's report and the treasurer's report were approved as written. The treasurer's report shows a balance of \$371.57 in checking, \$174.44 in petty cash, and \$7,601.67 in Savings.

Art Roberts again questioned an expenditure of \$400 for poker tables – without residents' approval. Dave indicated that the opportunity arose to get them and Tracy said she would reimburse us for this amount. We have not received the money from her yet.

Connie spoke on the Ladies Soup 'n Salad luncheon which will be held this coming Tuesday, Oct. 6, at 11:30. We only had 9 people show up last month, and she encouraged all ladies to come. She also mentioned the casino trip to Lone Butte and Wild Horse on Thursday, Oct. 15. Midge spoke on Karaoke and gave information on the Patio Sales to be held on Nov. 14th. Book, Bake, and White Elephant sales will be held in the clubhouse. Sherry mentioned the Ladies' Out of Park Luncheon on Oct. 21st – a Wednesday. They will be going to Nando's for lunch and then have a tour of Sunshine Acres and time to shop at their store. Bev Hert, Philicia Hightower, and Sue Behrens will host the Halloween Party on the 31st from 6 – 9 pm. Bring your own drinks and snacks and prizes will be given to the best costumes. No sign up sheet is needed.

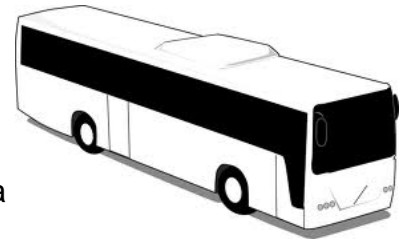

Ballots for the upcoming election will be distributed by the board members around the middle of October and a box will be available in the clubhouse for votes. Bob Hert, Art Roberts, and Susan Hoopes will count the ballots during the November meeting. Without a kitchen this year, Thanksgiving will be different – Turkeys will be provided by the Activities Committee, and residents are asked to bring everything else, like at a pot luck. 4 board members have already offered to roast the turkeys at home.

Briana's manager's meeting will be held on Oct. 14th. On the 17th, we are having our Octoberfest pot luck. Wine and beer will be provided and Hans will play. Ken asked for additional money for the Appreciation Day Dinner on December 2nd. After checking with local catering services, he asked for an additional amount so that the cost should not exceed \$2500. This was voted on and passed.

The library desk was auctioned off by Kim Worthem and Frank and Mickey Kosar were the high bidders with a bid of \$50.00. Ken said that the computer desk from the computer room is FREE to anyone who wants to have it. Ken mentioned that Monica Bauschard and Alice Johnson are now home from the hospital after having had surgery. The 50/50 raffle was won by Susan Hoopes for \$39.00. The meeting was adjourned at 9:28 am.

Community Worship of Desert Harbor meets every Sunday at 10:30 am in the Clubhouse. We are continuing our study of Genesis on Tuesdays at 6:30 pm in the craft room and there’s always room for one more! The study on Bible basics is held on Wednesday afternoons at 2 pm. Please contact Phil Fox if you have any questions. Over 35 people enjoyed the gospel jam on Saturday, October 24. There were several musicians from out of the park and our own Midge Drouin and Pastor Penny Newby sang some great songs. Another one is scheduled for November 28th. We are now collecting canned goods as well as clothing for the Genesis Project in Apache Junction

HOW TO DRIVE IN PHOENIX: *shared by a friend*

You must first learn to pronounce the city name, it is: FEE-NICKS'. There are other names to learn such as Awatukee (Ah-wa-Too-Kee) but that will be included in the advanced course.. The morning rush hour is from 5:00 am to noon. The evening rush hour is from noon to 7:00 pm. Friday's rush hour starts on Thursday morning. The minimum acceptable speed on most freeways is 85 mph. On Loop 101, your speed is expected to at least match the highway number. Anything less is considered 'Wussy'.

Forget the traffic rules you learned elsewhere. Phoenix has its own version of traffic rules. For example, cars/trucks with the loudest muffler go first at a four-way stop; the trucks with the biggest tires go second. However, East Valley, SUV-driving, cell phone-talking moms ALWAYS have the right of way.

If you actually stop at a yellow light, you will be rear ended, cussed out, and possibly shot. Never honk at anyone. Ever. Seriously. It's another offense that can get you shot. Road construction is permanent and continuous in Phoenix. Detour barrels are moved around for your entertainment pleasure during the middle of the night to make the next day's driving a bit more exciting.

Watch carefully for road hazards such as drunks, skunks, dogs, barrels, cones, cows, horses, cats, mattresses, shredded tires, squirrels, rabbits, crows, vultures, javelinas, roadrunners, and the coyotes feeding on any of these items.

Maricopa Freeway, Papago Freeway and the 'I-10' are the same road. SR202 is the same road as The Red Mountain FWY. Dunlap and Olive are the same street too. Jefferson becomes Washington, but they are not the same street. SR 101 is also the Pima FWY except west of I-17, which is also The Black Canyon FWY, and The Veterans Memorial HWY. Lastly, Thunderbird Rd. becomes Cactus Rd. but, Cactus Rd. doesn't become Thunderbird Rd. because it dead ends at a mountain.

If someone actually has their turn signal on, wave them to the shoulder immediately to let them know it has been 'accidentally activated'. If you are in the left lane and only driving 70 in a 55-65 mph zone, you are considered a road hazard and will be 'flipped off' accordingly. If you return the flip, you'll be shot.

For summer driving, it is advisable to wear potholders on your hands.

HEALTH ARTICLE *by Midge Drouin*

DA Facts On OTC Drugs

If you're like most people, your medicine cabinet probably contains more than one over-the-counter (OTC) drug. Each year, Americans spend billions of dollars on non-prescription medications to treat everything from [headaches](#) to indigestion. These drugs can deliver safe, immediate relief; but they can be dangerous if misused or combined with other medicines.

"People assume because it is over the counter that it is safe," said Heather Free, pharmacy manager of a Walgreen's Pharmacy in Washington, DC, and an American Pharmacists Association spokesperson. The reality is that even an aspirin can have adverse effects or cause harm if you don't follow recommended doses, directions, and warnings.

"Over-the-counter medications are intended to treat short-term illnesses and symptoms," said Amy Tiemeier, associate professor in the department of pharmacy practice at St. Louis College of Pharmacy. "Ingesting them over a long period of time can lead to any number of adverse effects and lead to a worsening of a disease that should be treated by a medical professional."

The [Food and Drug Administration in January issued a warning about sodium phosphate laxatives](#), saying there had been 54 reports of serious side effects and 13 deaths among people who overdosed or had coexisting health conditions. These laxatives can cause dehydration or abnormal levels of electrolytes in the blood, leading to kidney damage. According to the FDA, people most at risk include young children, adults over 55, and patients using medications that may affect kidney function.

Another recent FDA warning asked doctors to stop prescribing combination drugs that exceed 325 mg of acetaminophen per dose. Acetaminophen, a common fever and pain reliever found in many OTC drugs, is combined with opioids such as codeine, hydrocodone, and oxycodone in prescription painkillers. The problem is that "many consumers are often unaware that many products (both prescription and OTC) contain acetaminophen, making it easy to accidentally take too much," the FDA said in a statement. Too much acetaminophen can cause irreversible liver damage. [A correspondence just published in The New England Journal of Medicine](#) suggests that combining acetaminophen and the nasal decongestant phenylephrine (PE) may cause serious side effects. The combination raises PE levels in the blood as much as four times, according to New Zealand researchers. Elevated PE levels can lead to dizziness, insomnia, and increased blood pressure. "Patients need to understand what they're putting into their body," said Tiemeier. "Many over-the-counter medications, especially ones for colds and allergies, are formulations of several medications...which could lead to some harm."
