

## DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—MAT 2017

### Cinco de Mayo *by Connie Riter*

Literally "the Fifth of May," Cinco de Mayo is a Mexican Holiday celebrating the Battle of Puebla, which took place on May 5, 1862. In 1861, France sent a massive army to invade Mexico, as they wanted to collect on some war debts.

The French army was much larger, (6,000 to 4,500) better trained and equipped than the Mexicans struggling to defend the road to Mexico City. It rolled through Mexico until it reached Puebla, where the Mexicans made a valiant stand, and, against all logic, won a huge victory. France had better guns and were better trained. No one expected Mexico to win the battle, except the Mexicans! It was short-lived, as the French army regrouped and continued, eventually taking Mexico City. But the euphoria of an unlikely victory against overwhelming odds is remembered every May fifth.

It is not Mexico's Independence Day. Mexico celebrates its independence on September 16, because it was on that day in 1810 that Father Miguel Hidalgo took to his pulpit in the village church of the town of Dolores and invited his flock to take up arms and join him in overthrowing Spanish tyranny. Independence Day is a very important holiday in Mexico and not to be confused with Cinco de Mayo.

Cinco de Mayo is a big deal in Puebla, where the famous battle took place but it really isn't as important as most people think. September 16, Independence Day, is a much more important holiday in Mexico. For some reason, Cinco de Mayo is celebrated more in the United States of America, by Mexicans and Americans alike, than it is in Mexico. One theory for why it is more popular in the USA is that at one time, it was celebrated in all of Mexico and by Mexicans living in former Mexican territories such as Texas, Arizona, and California. It was ignored in Mexico after a while but still celebrated north of the border, which never got out of the habit of remembering the famous battle.

In Puebla and in many USA cities with large Mexican populations, there are parades, dancing, and festivals. Traditional Mexican food is served or sold. Mariachi bands fill town squares, and a lot of Dos Equis and Corona beers are served. It's a fun holiday, really more about celebrating the Mexican way of life than about remembering a battle which happened 150 years ago. It is sometimes referred to as a "Mexican St. Patrick's Day." We will be having a salsa contest and margaritas will be served – in the clubhouse. Hope you will plan to attend!

**From the President's Desk—Bob Hert**

Well, April is almost gone and with it our cool weather. Many of our friends in the park have gone or are preparing to leave for their summer homes and we wish them all a safe trip home and we'll be looking forward to seeing all of them back in the fall!!!

Thank you Jerry & Dianna Stai and Linda Stephens for hosting our April potluck...as usual good food and great fun was enjoyed by all.

In May we've planned a salsa contest for Cinco de Mayo on May 5<sup>th</sup>; Memorial Day picnic and bar b que on the 29<sup>th</sup> and our monthly potluck is May 20<sup>th</sup>.

For those of you here year-round the board has planned some fun activities for the summer so keep an eye on the calendar and you won't miss out on the great activities to come.

I would also like to thank Sherry Weinert (Desert Harbor's Easter Bunny) for a great Easter Egg Hunt.

I would also like to say thank you to all who keep our activities and events happening.

Remember we live in a very close community, take the time to say hello to your neighbors and keep an eye out for each other. Please be respectful of each other and have fun....life is too short.

## The Easter Bunny hopped into Desert Harbor

by Barb Nienkark

What a surprise on Easter Sunday to see all of the colorful eggs left by the Easter Bunny around many of the homes in Desert Harbor. There were a number of grandchildren visiting and it was great fun watching them hunt for the eggs, scoop them up and laugh as they ran from house to house. I believe the Easter Bunny left close to 100 eggs. Most of them contained jelly beans but I heard from a reliable source that a few of them contained some money. Once it became known that some of the eggs might contain money a few adults actually joined in the hunt and were seen shaking those eggs.

In any event a great big thank you to the Easter Bunny...a.k.a. Sherry Weinert and crew for a fun and lively Easter Sunday morning in Desert Harbor.

## **APRIL POT LUCK**

Our April Pot Luck was held on Saturday April 15th and was attended by about 50 people. As usual there was a nice assortment of entrees and side dishes as well as some very delicious desserts. There were some door prizes of Coyote Coupon books and gift cards.

Everyone seemed to have a great time. We are in need of future hosts and hostesses so if you can possibly help out, please sign up.

## **Resident's Meeting Summary for April**

About 65 people were in attendance at our April meeting, held at 9 am on April 1<sup>st</sup>. All board members were present. The minutes from March and the treasurer's report were approved as written. Mike Kereluk began a discussion about the removal of the fridge in the clubhouse. He said we could use the one in the "card room" although it has been locked to store ice cream and soda for Bingo. The one in the kitchen can be used as long as we label everything we put in it with the date it was stored there.

Bob brought up the monthly expense account Angi has for our park. She said we receive \$200 to \$250 per month and all items she buys for us – gift cards, ping pong paddles, etc. comes out of that money. That is why the pancake breakfast was canceled. Carol Rysavy mentioned that the used book store is open in the mall next to Penny's home store. Mention her account and you can save money on used books purchased there. Donna Belfour indicated that 34 pounds of food were collected for the needy in March.

Jane reported on the fun days \$6,395.61 was collected and after expenses we had \$5,133.12. Bob thanked the men who helped pick up items for our sale and Nancy agreed to let us store items in her patio for next year's sale. Bonnie Harrison reported on the Canadian Party, indicating that about 100 people were in attendance. She presented Bob with \$530 from the party. She also wanted to emphasize that the Canadian Party is NOT just for Canadians – Dave suggested re-naming it the can/am party. There will be a change in Bingo. Arlene and Bruce and Bev and Bob are "retiring." Pat Peterson and Ann Marie Bush will be taking over. Bob went through the calendar of coming events. These are available in the longer version of the minutes. Arlene won the 50/50 for \$50. We adjourned at 10:10 am.

## **STRAWBERRY SHORTCAKE FOR ALL** *by Jane Boudreau*

On a lovely Tuesday afternoon, approximately sixty-five residents gathered in the clubhouse to enjoy strawberry shortcake and conversation. The group slowly gathered in the clubhouse starting at 2:00 pm and by 3:00 pm the shortcake, whipped cream and 32 pints of strawberries were devoured. Hosting the event were the Desert Harbor Activities Organization Officers and Board Members. Connie Riter and her crew of Judy, Pat and Bob cleaned the berries in just one hour Tuesday morning. This was the second year for Connie and her crew cleaning berries. She felt more organized this year and the task was accomplished in record time. Kathy Gabel bought the Sarah Lee pound cake to serve with the strawberries. Other members of the board –Mike and Richard helped serve.

For those of you who missed this opportunity for dessert before dinner remember to check the monthly calendar for coming events. I met a resident whom I'd seen at other events but had not had the opportunity to speak. I'm looking forward to chatting with her and other newer residents at our next event.

Enjoy what's left of spring as those double digits are on the way.

**Water, water, everywhere....** *By Connie Riter*

Where does our water come from? The Apache Junction Water District supplies well water (groundwater) pumped from the Eastern Salt River Sub-Basin Aquifer which flows southwesterly under Apache Junction and its surrounding areas. The groundwater is treated for arsenic removal where necessary, disinfected with chlorine, pumped into storage tanks and blended with Colorado River (surface) water. The surface water is transported through the Central Arizona Project (CAP) canal system and filtered and purified at the Superstition Area Water Plant before being introduced into the distribution system. AJWD can also receive CAP water from the City of Mesa's Brown Road Treatment Plant and delivered through an interconnect for a backup supply of water, if needed. With the addition of the Superstition Area Water Plant, a new study of our water will be conducted sometime in 2017. Results of this new study can be found by contacting [webmailwater@ajcity.net](mailto:webmailwater@ajcity.net).  
What Could be in Drinking Water Sources? The sources of drinking water (both tap and bottled water) include rivers, lakes, streams, ponds, reservoirs, springs and wells. As water travels over the surface of the land or through the ground, it dissolves naturally occurring minerals and, in some cases, radioactive material, and can pick up substances resulting from the presence of animals or from human activity. Drinking water, including bottled water, may reasonably be expected to contain at least small amounts of some contaminants. The presence of contaminants does not necessarily indicate that water poses a health risk.

Four times per year, at regular intervals, the AJWD conducts tests on our water to see if it meets federal standards. The results indicate that our water is still safe to drink. Should they ever find a problem, we will be notified by local television and radio stations. Let's hope this never happens!

**Les Koel** - *by Barb Nienkark*

The not so "Solitary Man"...at least not when he performed on April 19th in the Desert Harbor Club House.

A nice crowd sat back, relaxed, and thoroughly enjoyed the smooth, versatile, easy listening voice of Les Koel as he traveled down memory lane with his large collection of Neil Diamond songs. From the well-known hits like "Sweet Caroline" and "Cracklin Rosie" to the obscure "Soolaimon" and "Be" he had them all on his hit list. Les has been to Desert Harbor in the past and we certainly hope he comes again as this talented and versatile musician will always be welcomed.
