

DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—JULY 2017

**The Andes Adventure 2017 of Sharon and Ron Schupbach (Part 2 of 2)**

From Lima we flew to Iquitos, an isolated city that can be reached only by plane, or via the river for 2 months. It is 300 ft. above sea level. There is a population of 1 million people in Iquitos. The Europeans came for the rubber and oil but have mostly left. There are 40,000 3-wheeled motorcycle taxis. We were taken by one of these taxis to the Napo River that flows into the Amazon River. We were visiting at the end of the rainy season and so the rivers were very high. We had to take another boat up the Amazon 25 miles to Ceiba Tops, the lodge where we would stay for the next 3 days.

The Amazon river is the world’s largest river and the lifeblood of the world’s largest ecosystem. It is considered to be the longest river in the world, flowing east to west for about 4000 miles and can be 110 miles wide at the mouth of the river in Belen, Brazil where it empties into the Atlantic Ocean. It represents 20% of all the global water discharged into ocean. After check in at Ceiba Tops, we took a boat down river to a village by the name of INDIANA and toured the village and the central market where chickens, fish, vegetables and fruits were sold. We also had an opportunity to do some fishing for piranha. Ron caught one and several others in our group were successful. These were then cooked for our lunch along with the catfish that was also caught. We also had a chance to see pink and gray river dolphins, hawks, stilts, herons and vultures. In the afternoon, we visited an Yaqua village of indigenous peoples. These peoples are slowly disappearing as the children go to school and leave the village. We enjoyed a traditional dance with song. They have dogs that are used for hunting-not pets. Their pets are squirrel monkeys or sloths. They used to have up to 17-19 children in the family but now usually only 4-5.

**From the President's Desk—Bob Hert**

June is going out with a vengeance—HOT, HOT AND HOTTER!! But, our weather is not stopping us from enjoying the great events we scheduled for June and I'm hoping the attendance for our July events will be as good or better.

Thanks to Jim & Judy Matthews for hosting our June Potluck and to our board for hosting an ice cream social. I also want to thank Angi Cummins, Yolanda Ortega and Sun Communities for providing a delicious pancake breakfast.

Karen and Clark Kroschel will be hosting our July 15<sup>th</sup> potluck. Thanks Karen and Clark.

The board will be providing fried chicken, beer and pop for our 4<sup>th</sup> of July dinner (4:30 happy hour, dinner at 5) and before happy hour we will have a decorated cart, bicycle, bike or motorcycle parade through the park hosted by Don and Judy Childers. We ask that everyone bring a side dish of salad, beans, potatoes, bread or dessert for the dinner. We will cap the night off with a dance by "our own" **Road Runners**, Carol and Ron Sabo!!! We're looking forward to this night.

Our residents, Ken Camp and Joanna Hankison, incurred the devastating loss of their home due to a fire in June. Thanks to everyone in the community for coming together and offering assistance to Ken and Joann and I'm very happy to report Ken and Jo have chosen to purchase a home (#98) and will continue to live in the Park. I would also like to add that the fire department did a phenomenal job so if you ever see a member of the fire department I encourage you to thank them.

Remember we live in a very close community, take the time to say hello to your neighbors and keep an eye out for each other. Please be respectful of each other and have fun....life is too short.

## UPCOMING 4TH OF JULY EVENT

Desert Harbor will be having a 4th of July celebration in the community room on Tuesday, July 4th.

**Happy hour at 4:30 and Dinner at 5 P.M.**

A parade of decorated golf carts and motorcycles will be before dinner. **Chicken, chips and watermelon will be furnished.** Residents please sign up in the clubhouse to bring **Salads, Beans and Desserts** to share with everyone.

ROADRUNNER BAND will be playing for 2 hours during and after dinner. Also please join residents out front of the clubhouse in the evening to watch the fireworks at the Apache Junction High School.

Please join in the fun and come and enjoy your neighbors and friends.

## **FAREWELL TO PASTOR PENNY AND TOM NEWBY**

*by Barb Nienkark*

Pastor Penny and Tom are happy and excited about their move to the Mountain Home/Lakeview area of Arkansas.

They have enjoyed their many years in AZ and Desert Harbor but it's time for a change - what most of us would consider a very big change. But, they have a well thought out plan and they are excited about the possibility of living in a small ranch style home, surrounded by grass and trees with lots of nearby lakes. No more long, twice daily freeway commutes for Penny and no more spring allergies and blistering summer heat. It's all about four seasons, small towns, fishing for Tom and "easy livin'."

Community Worship at Desert Harbor was established in 2011 and taken over by Pastor Penny in April, 2013. During her years as Pastor she baptized 3 residents, held memorial services for 5 residents, and had the pleasure of uniting 2 couples in marriage. Penny hosted three wonderful Mother's Day Teas and one Welcome Back Snowbirds Bash. These events were wonderful fun and those in attendance appreciated all of the hard work and planning that they took to provide by Penny and her helpers.

Pastor Penny hopes to form Olive Branch Ministries in her new community. The Ministry will offer welcoming hands to those who don't belong to any church and to anyone who needs a helping hand in any way. With her pastoral abilities, I'm sure that the Olive Branch Ministries will be a huge success wherever Pastor Penny settles.

I wanted to title this article "Sad Farewell..." but after chatting with Pastor Penny and Tom and seeing their excitement about the move, I realize for her and Tom it won't be a sad day but rather a happy new beginning

**FELLOWSHIP AT DESERT HARBOR** *by Cami Weiss*

As some of you know, the church that was under the direction of Pastor Penny has been dissolved because of Tom and Penny's moving to Arkansas. We have formed a lightly structured, casual, with lots of personal interaction, fellowship group of individuals consisting of Desert Harbor residents and friends from other places. We welcome all of you to join us.

We meet every Sunday at 10:30 am until 11:30 am in the Desert Harbor Community room. We also meet on Tuesday evenings at 6:30 pm until 7:30 pm in the craft room at Desert Harbor for fellowship of others and share the Bible and have lots of laughter and great communication. We have had about 12-16 people attending.

We are open to ideas and suggestions to make everyone feel welcome. Please come and join us.

**ICE CREAM SOCIAL** *by Cami Weiss*

Desert Harbor held an Ice Cream Social June 21st at 4 p.m. in the clubhouse. It was well attended by the residents still here enjoying a reprieve from these hot Arizona days. A fun time was had by a wonderful turn out of 55-60 people. The event was handled by the board with other residents helping.

Because of the wonderful turn out, I am thinking the board will have to have another one of these socials in the Fall for all the summer and winter residents. A lot of socializing of neighbors and friends.....Good to see..We are family..

---

**RECYCLED GREETING CARDS WANTED**

Do you have used greeting cards? There is a basket in the clubhouse that you can put them in. Only the fronts are used. Connie Riter will be sure the cards are sent to St. Jude's in Nevada. Thank you.

Photos following on page 11

We boarded our boat again to the area of the canopy walk. This is a trip across 13 levels of hanging, swinging bridges that get higher into the trees with each new bridge. The views of the rainforest were spectacular. This rainforest has the highest diversity of trees in the world with up to 400 billion trees here, some up to 1000 yrs old. Most common are of palm species, brazil nut, possumwood, kapok. Bromeliads grow abundantly and vines are trailing everywhere. After our trek down from the canopy walk, we went back down the river and enjoyed the Ethobotanical Garden and enjoyed another demonstration and blessing by the shaman. He explained the use of different plants and herbs used as medicine: white garlic, orange fluid, dragon blood, sacha, huito root, catclaw, lemongrass, leche okair, ficus inner bark, turmeric root, and a hallucinogenic called lowaska. After a 1 hour and 40 minute ride up the river back to the lodge, we rested and packed for the next day's departure to home but not before we visited the Wildlife Preserve where we mingled with capuchin and squirrel monkeys, toucans, parrots, coatimundi, turtles, anacondas and red tipped boas. This trip was amazing!!! The city of Lima is a fairly modern city with parks and churches and buildings that are structurally sound with reasonable shopping areas. Outside of the city, you step back in time-way back. The smaller towns are making progress but most all structures are in some stage of development with rebar apparent in 90% of them. The villages remain nearly as they were decades ago- primitive. The people were friendly and they all seemed happy. Even in the most outlying areas they have cell phones and some degree of solar to provide energy. We walked a lot. But not nearly as much as most of the natives do on a regular basis. We saw few overweight Peruvians. Our meals were mostly representative of the local culture with lots of fresh fruits, fish or chicken, potatoes of multiple varieties, salads and simple desserts. My favorite was the flan-it was delicious. If you decide to visit here, know it is not for the faint of heart and be prepared for occasional rains and walking up and down a LOT!!

***From the Park Manager's Desk  
Angi Cummins***

Hello!

I cannot believe it is July already! I apologize for not having a town hall meeting in June – we had so many other things going on that it completely got away from me. I promise we will have a meeting in July, and as soon as I am able to work out the date I will send an email blast out and post a few flyers.

Please stop by the office if you do not receive the emails from me or Yolanda when we send them out. It appears we are missing a lot of email addresses. If you can't stop by, please email us so we can add you to our email list.

We have been busy trying to improve some things here at the community for all of you. During the extreme heat advisory, Ernie has spent time dialing into some detail items within the clubhouse. As I write this, he is in the process of painting the card room and making some changes in the clubhouse. We've also purchased some décor for the card room to make it more inviting. We hope you will enjoy using this room now. We do hope you are enjoying all the added flowers and the new flower pots in front of the clubhouse – we are trying to schedule some dates with our landscaper for improving some of the landscape to the entrance of the community – more details to come when we can nail down some dates and specifics.

It is fun for me to see so many of our residents coming together – whether it is for Bingo, Friday evening happy hour or just forming new friendships.

Please know that I am still working with SRP regarding adding more street lights to the community. We are trying to determine what exactly that would entail, and how to make it happen. Please remain patient as we are diligently working on this. SRP no longer offers installation of the dusk to dawn lighting, but have referred me to a few outside vendors they recommend. We will continue to work on this.

Our door is always open – and we welcome your feedback and suggestions!

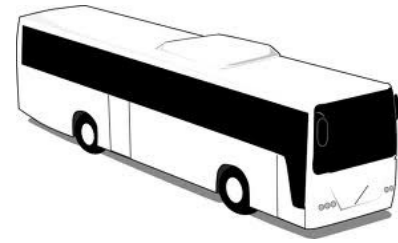

## WELCOME NEW RESIDENTS

**Shelby and Susan Robnett** moved into Lot 76 from Colorado, with her mother Pat Fisher. Shelby is working full time for now. Shelby loved to play softball and Susan loves Zumba and Yoga. They have 2 children and 1 grandchld. Please welcome them to Desert Harbor.

**JUNE POTLUCK** by Cami Weiss

The June potluck was held on June 17th at 4:30pm with happy hour and then dinner at 5:00pm. We had about 40 people attend and had a great time. Excellent food again but we were lacking meat dishes, but a good time was had. Mike Kereluk was the winner of the 50/50 which was \$39.00. Afterwards 14 people stayed and played Left-Right-Center. We had a lot of laughs and a really good time was had by those that stayed. Host and Hostess were Jim and Judy Mathews. Clark and Karen Kroschel will be the host and hostess for the July potluck on July 15th.

**Ladies Soup n Salad luncheon for June** by Connie Riter

Thirteen ladies joined us for our monthly soup n salad luncheon held on June 6, 2017. We had a variety of salads, a couple of soups, and some delicious desserts. We discussed whether we wanted to have a fashion show this fall. The consensus seemed to be to have a “different” type of fashion show where the ladies created their own outfits with unusual meanings. (Some people might remember Helen Riestow who used to be in charge of such a show.) Sherry Weinert will be in charge of our new fashion show. Another suggestion was to create an outfit from things purchased at a thrift store. We may do this at a later time. We invite all ladies in the Park to come to our next luncheon which will be held in August. This is a good time to meet some of your neighbors, enjoy some lively conversation, and partake of some really good food! A sign up sheet will be available later in the month since there is no luncheon in July. See you August 7<sup>th</sup> at noon.

## INFORMATION

- GARBAGE** Picked up every Monday and Thursday morning (please don't put your food garbage out the night before because the Coyotes love to rip it open). If one of the following holidays falls on a Monday or Thursday, the garbage will be picked up one day later:  
*Independence Day, Thanksgiving Day, Christmas Day, New Year's Day*
- RECYCLE** We have dumpsters located on the west side of the clubhouse. There is one yellow color container for paper and cardboard. We get money for the paper and cardboard so PLEASE use it as it helps the Activity Club's treasury. The two blue recycle dumpsters are for plastic, glass and all other recycle items. We do not get any money for these two containers, but please recycle as much as you can.
- MAIL** The mail person that delivers our mail will put the "red flag" up when he/she is done. If you have outgoing mail, just put it in the outgoing mail slots and it will be picked up. Please do not put the red flag up, let the mail person do it.
