

DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—AUGUST 2017

Hot...hot....hot! compiled by Connie Riter

August is a long, hot, humid month in Arizona (as most of us already know). The monsoons are in full force with their winds, thunder and lightning, and torrential rains (in some areas). It is a good month to get away from the stifling heat and lazy days (if you can). For those of us who remain here throughout the month, here are some facts about Arizona which you might find interesting to read and ponder.

Arizona has 3,918 mountain peaks and summits – more mountains than any one of the other Mountain states. All New England, plus the state of Pennsylvania would fit inside Arizona. Our disparate climate can yield both the highest temperature across the nation and the lowest as well – in the same day! Arizona has 90 wilderness areas – more than the entire Midwest! It contains the largest contiguous stand of ponderosa pines in the world stretching from near Flagstaff along the Mogollan Rim to the White Mountains region. Yuma, Arizona is the country’s highest producer of winter vegetables, especially lettuce. Out of all the states in the United States, Arizona has the largest percentage of its land designated as Indian lands. The “Five C’s” of Arizona’s economy are: Cattle, Copper, Citrus, Cotton, and Climate. More copper is mined in Arizona than all the other states combined, and the Morenci Mine is the largest copper producer in all of North America. The world’s largest solar telescope is located at Kitt Peak National Observatory in Sells, Arizona. Arizona grows enough cotton each year to make more than one pair of jeans for every person in the United States.

When England’s famous London Bridge was replaced in the 1960’s, the original was purchased, dismantled, shipped stone by stone and reconstructed in Lake Havasu City, where it still stands today. It was re-built on dry land, then the Colorado River was diverted to flow under it! Built by Del Webb in 1960, Sun City was the first 55-plus active adult retirement community in the country. The hottest temperature recorded in Arizona was 128 degrees at Lake Havasu City on June 29, 1994. The coldest temperature recorded was 40 degrees below zero at Hawley Lake on January 7, 1971. The entire state of Massachusetts could fit inside Maricopa County (9,922 sq. miles). There are many more unusual facts about our State, but we’ll save them for another hot, humid August!

From the President's Desk—Bob Hert

We've had a great July filled with activities and music, starting with the 4th and "our own" Roadrunners performing at the 4th of July picnic. Thanks to everyone who attended and also to those who participated in our cart parade. Big thanks to Ron and Carol Sabo for the wonderful music and laughs and thanks to Don and Judy Childers for organizing the cart parade.

Our monthly potluck was also a big success with as usual lots of great food. Thanks Karen and Clark Kroschel for hosting the potluck. Our August potluck, scheduled for August 19th will be our annual potato bake hosted by the board, BYOB. Sign-up sheets are in the clubhouse.

What a great time we had on the 19th at our first annual "game day" with over 30 people joining in the fun and games. Please see the article in this newsletter written by Don and Judy Childers recapping the day. Thanks Don and Judy for putting this fun day together and thanks to Mike Kereluk for making the salsa.

We will be having a cribbage tournament on August 10th at 1:00 p.m. with first and second place prizes being awarded. This event is being hosted by Scott and Char Hudson. Sign-up sheets are in the clubhouse.

Sun Communities is hosting a breakfast on Saturday August 26th. More details will follow. Monthly resident's meetings will resume on September 2nd at 9:00a.m.

Remember we live in a very close community, take the time to say hello to your neighbors and keep an eye out for each other. Please be respectful of each other and have fun....life is too short.

FIRST GAME DAY

by Don and Judy Childers

We had a great turn out for our First Game Day, held on Wednesday, July 19th. There were two tables of Mexican train. Pat Peterson took first place and won a \$25 gift card. Karen Kroschel took second for a \$10 gift card.

Dart games were won by Cliff Tessmer for first place for a \$25 gift card, and second place went to Jim Stephens who won a \$10 gift card.

Wii bowling was played by several people and Judy Childers (me) had high score on both games, but I was nice enough to give Cliff second place. So I won a \$25 gift card, and Cliff a \$10 gift card.

A fun time was had by all and we hope to have more of these game days during the year.

by Midge Drouin

On Sunday mornings from 10:30AM until 11:30AM, come and join us for fellowship, prayer, and song. It's a pretty low keyed get together. Bring your Bible if you have one so we can all reflect on the message given. We also sing praises to the Lord.

Don't forget on Tuesday evenings we have a great Bible study going on at the clubhouse in our craft room. Bible study runs from 6:30PM till 7:30PM so bring your Bibles if you have one and come reflect on the Lord.

With the summer months upon us and people on vacation, Tai Chi will start up again in September around the 2nd week. Classes will be held on Mondays and Thursdays from 9AM until 9:45AM. If you're planning on coming to the classes remember to dress in comfortable clothing and bring water to drink. The classes will consist of stretching, balancing, and learning new positions for mind and body. Hope to see you all in the fall.

JULY LADIES LUNCHEON OUT

Eleven ladies attended the July Out-Of-The-Park Luncheon at On The Border on Power Ave in Mesa. We all enjoyed a good Mexican lunch and lots of good conversation and laughs. Our next outing will be on Tuesday, (always the third Tuesday each month), August 15th at Red, White and Brews on Power and McDowell. We will meet at our clubhouse at 11:00 am. Be sure to sign up and come join us

RECYCLED GREETING CARDS WANTED

Do you have used greeting cards? There is a basket in the clubhouse that you can put them in. Only the fronts are used. Connie Riter will be sure the cards are sent to St. Jude's in Nevada. Thank you.

A MESSAGE FROM TWO VERY SPECIAL RESIDENTS:

Dear Friends and Neighbors.

Joann and I want to thank all of you for your prayers and cards at the time of the loss of our home. I want all of you to know what a great family closeness we have in this park. This means a lot to us!

We have a lot to do, but I think we can see “light at the end of the tunnel.” My prayer for you is that you never have to experience the heartbreak we have had to endure. From the bottom of our hearts, we thank you again.

National Park Senior Pass Price to Rise

Time is running out for outdoors lovers age 62 and older to take advantage of a great bargain. The price of a lifetime Senior Pass good for admission to national parks and federal recreation lands where fees are charged, will jump from \$10 to \$80 on August 28.

The pass (currently \$20 if purchased online) is good for admission to 137 National Park Service sites that charge fees. It covers the pass holder and up to three more visitors age 16 and older. Pass holders also get discounted fees for camping, swimming, boat launch, and other services. The Senior Pass can also be used at sites managed by the US Fish and Wildlife Service, Bureau of Land Management, Bureau of Reclamation, US Forest Service, and US Army Corps of Engineers.

The fee increase was mandated by Congress as part of December 2016 legislation to raise money to pay for park projects and visitor services. That legislation requires the price of the lifetime Senior Pass to be the same as the Interagency Annual Pass, which is currently \$80 for one year, according to a NPS press release.

There is a way for patient seniors to spread out the \$80 cost of a lifetime pass over four years. The legislation introduced a new annual pass for seniors priced at \$20. Anyone who purchases annual passes over the course of four years can trade those used passes for a lifetime pass. Details: Go to store.usgs.gov/pass for price and purchase information for all national parks passes.

CHIT CHAT AROUND THE PARK

July 4th Parade, Dinner and Entertainment *by Barb Nienkark*

We began our July 4th celebration with a golf cart parade along the streets of Desert Harbor. The parade was led by Don and Judy Childers and the participating carts were decorated with our patriotic red, white and blue colors. As always it was a beautiful sight to see.

Happy Hour was held after the parade and cold beverages were provided by the Desert Harbor board. Everyone had a chance to cool off and catch up with their friends and neighbors. At least 100 residents were in attendance so there was plenty of opportunity to relax and mingle before dinner.

The Desert Harbor board provided plenty of delicious fried chicken and the residents provided the rest of the dinner and desserts. I'm sure no one went away hungry!

After dinner Ron and Carol Sabo, a.k.a. "The Road Runners" performed some great music from the 50s, 60s and 70s for our dancing and listening pleasure. It's great to have all of that talent living right here in our community.

After dark we could see the beautiful fireworks from the Apache Junction High School. They put on an excellent display every year.

All in all, a fun filled 4th of July celebration.

July Pot Luck *by Barb Nienkark*

The July Pot Luck was held on Saturday the 15th with about 60 residents in attendance. It was hosted by Clark and Karen Kroschel with assistance from Arturo and Yvonne Tapia.

As usual there was a wonderful assortment of entrees, vegetables, potatoes, salads and desserts.

We have lots of new residents and if you haven't attended a pot luck as yet give it a try next month.
