

DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—MAY 2018

Reprint from an article in May of 2012

And Now It's May!! *By Kay McKersie*

While I was researching May holidays for writing this article, I counted seventy-five daily, ten monthly and ten weekly observances. Many I had never heard about, so a few of the daily ones are: Brothers and Sisters Day (2nd), National Tourist Appreciation Day (6th), Clean up Your Room Day (10th) and National Chocolate Chip Day (15th). Some of the weekly ones are: National Postcard Week (1st week), National Pet Week (2nd week), Stuttering Awareness Week (3rd week) and National Medical Services Week (4th week). Last, but not least: Date Your Mate Month, National Barbeque Month and Older Americans Month. The more traditional observances are Cinco de Mayo (Spanish for the fifth of May) which we have borrowed from Mexico, especially in the Southwest. The event celebrated in Mexico is for their freedom from France in the battle of Puebla in 1862.

President Woodrow Wilson made Mother's Day an official holiday in 1914, although it had been recognized in some areas since 1870. Julia Ward Howe initiated the holiday to support disarmament. (Mothers hate to see their children go to war) which I found intriguing. Today it is celebrated with visits, phone calls, flowers and cards. All women are honored today: Mothers, Grandmothers, Daughters, Granddaughters, Sisters, Aunts and Cousins. Decoration Day (May 31st) was established after the Civil War to honor the deceased soldiers. Decoration Day was changed to Memorial Day in 1882 and the holiday was moved to the last Monday in May in 1968 with the Uniform Holidays Bill in order to establish three-day weekends. Almost all cemeteries place a flag on the gravesites of the veterans, and families continue the tradition of placing flowers on their family graves. The day is celebrated with parades and memorial services conducted by the American Legion and the Veterans of Foreign Wars. The end of May begins the summer vacation cycle and the barbeque season. Of course, in Arizona we BBQ all year and in our Park we vacation all year!

From the President's Desk—Dave Borchardt

As I write this message the weather is starting to warm up and most of our Winter residents have left for their summer homes. We wish them safe travels and are anxious to see them back this fall.

Thank you Sun Communities for the April 5th Ice Cream Social.

I wasn't able to attend the Hot Dog Day but people have told me it was a big success and we have another one planned for May 16th.

As always the Strawberry Shortcake Festival was a huge success. Thank you so much to Connie Riter, Judy Childers, Arlene Wicken, Bob Hert and Bev Hert.

The May resident meeting will be our last until this fall.

Be sure to observe the 10 MPH speed limit in the park, we have a lot of people walking and riding their bikes.

LADIES SOUP-N-SALAD LUNCHEON *by Jane Boudreau*

On Tuesday April 3rd nine ladies enjoyed chicken noodle soup, salads and desserts. This was a small but jovial group of ladies.

The Ladies Get Acquainted Soup-N-Salad Luncheon was begun over ten years ago as an opportunity for the ladies of Desert Harbor to share lunch and become acquainted. For some of our residents this has been their only occasion to share time with the other women in our community. In the past we held fashion shows with residents modeling outfits from a local retailer. On other occasions we made valentines, played games including bingo and held trivia contests. The committee is always open to ideas to facilitate the enjoyment of the attendees.

As the attendance dwindles with winter residents leaving for home, we may consider suspending our luncheon. We invite the new ladies in our community as well as seasoned residents to please consider attending our luncheon on May 1st. A signup sheet is posted in the clubhouse to assist us in knowing how many tables to prepare as well as give you an idea of what the others are bringing. We meet about 11:45 am with lunch served at 12 noon. Please bring your table service including a bowl and your beverage to drink. Don't forget your \$1 for the fifty-fifty drawing.

We do have an enjoyable time no matter the number attending. Hope to see you on May 1st!

FIRST HOT DOG COOKOUT *by Jane Boudreau*

The first Hot Dog Cookout supper hosted by the Activities Organization was held on Wednesday, April 18th. A group of over 60 residents and guests attended the event. Our grill masters were Bruce Wicken and Richard Lewis while other board members and spouses assisted with the event. Those attending also enjoyed several side dishes provided by residents. This is an opportunity to enjoy time with neighbors as well to welcome new residents to our community.

The Activities Organization has scheduled a second Hot Dog Cookout to be held on May 16, 2018 at 5:00 pm. Please remember to bring your own beverage. Signup sheet will be available in the clubhouse. Please sign up early which will allow the board to purchase sufficient supplies for the cookout.

The May cookout is the last planned until the cooler weather. Please check the newsletter, calendar and boards for events over the summer.

Lunch at Uncle Bears *by Bea Goudeseune*

Twenty two lovely ladies attended the Out of Park Luncheon at Uncle Bears in April. What a great day it was! The food was, as usual, “delicious” as was the most important, “the company.” So much laughter and conversation, picture taking, and just an all around delightful time. Our poor waiter, serving all 22 of us, took orders, delivered, and sorted all our separate checks! (I think he was new on the job, but what a training!) We all agreed the service was very good. Thank you, ladies, for making this such a great day! And...if you missed this month’s outing, next month’s luncheon will be at Chili’s on Signal Butte on May 15thSign up in the Clubhouse.

Desert Harbor 50's – 60's Party

by Dave Borchardt, #142

The Desert Harbor 50's-60's party was held on Saturday evening, October 10th and was attended by approximately 80 people. Larry and Judy Liles provided the entertainment for the evening and everyone seemed to enjoy the trip down memory lane. Has it really been over 50 years ago that we were listening to all those wonderful songs on the good old AM car radio.

There were plenty of dancers too! There was a special guest appearance by the ever popular Miss Bertha to commemorate the retirement of Jack Quetschenbach, and Miss Bertha provided Jack a memorable dance just for him. I think Jack really enjoyed this dance routine; he could hardly keep his hands off Miss Bertha.

Thank you to the Desert Harbor Activities Committee for putting together this fun filled event. And thanks also to all who helped clean up afterward.

Changes in Genealogy Class *by Esther Lough*

In previous years, the genealogy class has been put on summer hiatus from May to October, but we are making some changes this year which hopefully will be beneficial to all who are interested. This change will become effective immediately.

We will not be meeting formally at the clubhouse on Friday afternoons, but I will be available to work with folks on a more individual basis by appointment, which could be most any time of day or any day of the week or weekend at our mutual convenience. As usual, I can help with methods of re-searching, organizing, and documenting data, and setting up files/books to each person's own style.

If there are any questions, please don't hesitate to contact me: Phone 480-288-8579 or E-Mail incos-mom@yahoo.com

Strawberry Fest *by Connie Riter*

On Tuesday, April 24th, we had our annual Strawberry Fest at 2 pm with over 50 people attending. Arlene Wicken purchased pound cake and real and canned whipped cream. Connie and her crew, consisting of Bob Hert, Judy Childers, and a guest, Eileen Bellestri, prepared 40 quarts of strawberries! All the helpers, including Bev Hert, served the shortcake. There was enough left over to take some home to residents who couldn't come to the clubhouse and we still have 3 bags of prepared strawberries in the freezer for an ice cream social or another strawberry fest. Everyone who came seemed to enjoy themselves and many even had "seconds."

Want to know some facts about strawberries? They were first mentioned in literature during ancient Roman times. They are one of the top 5 fruits high in vitamin C and eating them lowers the risk of cardiovascular disease and cancer and lowers blood sugar levels. They were first cultivated in Brit-tany, France from strawberries brought back from Chili in the 1750's. Before that wild strawberries were eaten especially for medicinal purposes. During the middle ages, the entire plant was used to treat depression. The United States leads the world in growing and consuming strawberries with over 1.3 million tons of strawberries produced yearly. We did our share at our strawberry fest!

Summary of April Residents Meeting *by Connie Riter*

Bob Hert began our monthly meeting at 9:00am leading us in the Pledge of Allegiance. He then gave the floor to our new president, **Dave Borchardt**. About 65 residents were present. Dave thanked Bob for the excellent job he did as President and also **Cami Weiss** for her work as Vice President. He also thanked **Mike Kereluk**, member at large, who was not present. He then took roll call of the Board and all were present. The minutes and treasurer's report were approved as written. **Joyce Hoopes** asked if we received any interest on the money we have in the bank. Richard Granata said the bank does not require us to have a certain amount in savings, so they do not give us interest.

Committee Reports: Connie mentioned the ladies soup n salad luncheons held each month on the first Tuesday. This month we had only 8 people present. We will try one more month. If we don't get more people, we will not schedule any more luncheons until the fall. She also indicated that she gave \$400 to the Activities Committee for the sale of Coyote Coupon Books this year, as well as 10 unsold books. These will be used as raffle items at various events.
Officers Reports: **Richard Lewis:** \$61.20 was collected from the cans this month. Apparently we are drinking more!

Carol Rysavy gave a report on the library. She said we have a considerable credit at the Book Vault in Superstition Springs Mall -- \$300. This can be used to cover ½ of a used book you buy there. Just tell them you are from Desert Harbor. The owners are nice to work with. Carol bought a shelf for movies which will now be stored in the closet in the library.

Dave mentioned that since so many people don't have family down here to gather with on holidays, Thanksgiving Pot Luck and Christmas Pot Luck will be held on the **actual day** this year. He mentioned the Hot Dog Day and the Strawberry Festival held this month. The time for Hot Dog Day was changed to 5 pm since this would allow people who work during the day to come. Upcoming Events planned in the future: The Guilty Pleasures Band are booked for March 23 next year for \$600 and Bernie and Red for February 28. Tim Eggebraaten has been hired for March 10 for \$450. (Since the board is allowed only to book events costing \$500 or less, we took a vote on Guilty Pleasures Band and it was approved.) Cinco de Maya will be a salsa contest and Margaritas Fest on May 5th at 5 pm. Chips, Salsa, and drinks served. Prizes for Salsa winners will be \$50, \$30, and \$20.

Karen Kroschel and Paula Barker agreed to take over Bingo, but would like to have a rotating team helping them so two people don't have to do it every week. There will be a sign up sheet if you'd like to help out and another meeting will be held for those volunteering, later in the month. The Host and hostess sheet needs volunteers to handle most months. If we don't get volunteers, we won't have pot luck.

Bonnie Harrison gave the results of the Canadian Party. They made \$455 in ticket sales and the 50/50 brought in another \$189. This money was handed over at this time to Richard Granata. She said 126 tickets were sold, and 125 people attended! March 2 next year will be the Canadian Party.

Jane Boudreau gave the report on the Fun Day. She thanked everyone who helped out to make it a success. She said the total amount taken in was \$5,832.33 and expenses were \$834.77. Our profit was then listed at \$4,997.56. (Book sales were not listed as a separate item.)

Nancy Pavkov has cleaned out her storage shed and has room to store 2 wheelchairs, a few walkers, etc. for use of the residents. She wants everyone to know that she has the room and these will be available as needed when they are added to her storage. So, if you have one not being used, please consider giving it to her.

Concerning the Street Dance and Barbecue, we had no where to place our trash after the event. Dave spoke to Ernie and Dave will have the key for the trash bin for future events.

The 50/50 which consisted of \$46 was won by **Bev Borchardt**. Two Coyote Coupon Books were also given out to **Philicia Hightower** and to **Joanne Hankison**. Meeting adjourned at 9:50 am. (Note: May's meeting will be the last until the fall.)

Honoring our Veteran Residents *by Connie Riter*

Twice a year we have a display of pictures in the Clubhouse of all our residents, both present and past, who have served in the military. If you are new to the Park or just didn't have a picture before, please consider letting me borrow a picture for our Board. These can be pictures of you or your children, grandchildren, brothers or sisters, parents, or some other relative. I will give the original back to you and will give you a sheet to complete for some information on the person.

Our display will be set up on May 21st, so I will need the picture by the 15th to have it on our board this Spring. Thank You!

Recycled Card Program *by Connie Riter*

For years I have been collecting used greeting cards and sending them to Nevada because they were the only ones who would take them, at my own expense.

I have decided not to continue to do this.

Here is the address should you want to send your own cards to St. Jude's, but if you have unused cards --- with envelopes, I would suggest you give them to Goodwill, the Salvation Army, or to St. Vincent de Paul's.

Desert Harbor Worship *by Midge Drouin*

You are always welcome to attend our Sunday morning worship and join us for reflection, song, and prayer.

When it comes to ceiling fans, figuring out which direction your fan should rotate can be confusing. Many ceiling fans come standard with forward and reverse functions, Here's a breakdown:

The diagram is split into two vertical panels. The left panel is titled "Counter-Clockwise" and shows a blue circular arrow rotating counter-clockwise. Below it, a dashed blue arrow points down, labeled "Cool Air". Below this panel is a sun icon and the text "PERFECT FOR: SUMMER". The right panel is titled "Clockwise" and shows a blue circular arrow rotating clockwise. A red arrow points from the fan towards the right wall, labeled "Warm Air". Below it, a dashed blue arrow points up, labeled "Cool Air". Below this panel is a snowflake icon and the text "PERFECT FOR: WINTER".

Counter-Clockwise

Cool Air

Forward: Typically the standard setting of your fan is forward, the fan should push cold air downward and lower the room temperature.

PERFECT FOR:  **SUMMER**

Clockwise

Warm Air

Cool Air

Reverse: Setting your ceiling fan in this direction should pull cool air from below and push warm air from above out across the walls raising the room temperatures.

PERFECT FOR:  **WINTER**

INFORMATION

- GARBAGE** Picked up every Monday and Thursday morning (please don't put your food garbage out the night before because the Coyotes love to rip it open). If one of the following holidays falls on a Monday or Thursday, the garbage will be picked up one day later:
Independence Day, Thanksgiving Day, Christmas Day, New Year's Day
- RECYCLE** We have dumpsters located on the west side of the clubhouse. There is one yellow color container for paper and cardboard. We get money for the paper and cardboard so PLEASE use it as it helps the Activity Club's treasury. The blue recycle dumpster is for plastic, glass and all other recycle items. We do not get any money for these two containers, but please recycle as much as you can.
- MAIL** The mail person that delivers our mail will put the "red flag" up when he/she is done. If you have outgoing mail, just put it in the outgoing mail slots and it will be picked up. Please do not put the red flag up, let the mail person do it.
