REMEMBERING OUR NEIGHBORS (addition)

We didn't have enough time to add in our January issue

Shelby Robnett

Shelby moved into lot #76 in July, 2016 with his wife, Susan, and mother-in-law, Pat Fisher. He moved to Arizona from Aurora, Colorado in 2011, and previously lived at Superstition Sunrise Park on Meridian where he played softball, and enjoyed "street happy hours" and parties with his many, many friends.

He and Susan were married on December 30, 1982 in Sacramento, California and have two sons, Skyler and Sean. Shelby was a simple, yet loving man. His smile was contagious as was his sense of humor. He was very outgoing and had a certain southern charm that few could resist. He will be missed at the dog park, I'm sure!

He loved watching NASCAR and loved his Oklahoma Sooners! Now he has a birds eye view of both.

Carol Rogers moved to Desert Harbor in November of 2006 with her husband Jim. Carol and Jim began their life together in Chicago, Illinois and moved to Arizona in 1986. Carol had previously worked for a large hospital in Chicago. Once in Arizona she worked for various apartment complexes in their housekeeping and front office operations. The position she enjoyed the most was working for the Tempe School District working in the cafeteria, she found the interaction with the students very rewarding.

In her younger years she enjoyed skating especially ice skating. Carol was a good cook according to her father-in-law and family. The cooking programs on Channel 8 were something she enjoyed. She passed her love for cooking on to one of her two sons who is a chef.

She was also an artist creating in oils. She honed her skill by enrolling in painting classes here in Apache Junction. She was even asked to teach a class.

VOLUNTEERS AND DONATIONS NEEDED! SUPPORT THE FUN DAY ACTIVITIES!

By Jane Boudreau

Ready set, it's time to clean your closets, cupboards and sheds for items to donate to the Community Garage Sale and Fun Day event.

We have plenty of opportunities for you to help the day of the sale and before. Please checkout the sign-up sheets located in the clubhouse.

If you are donating items for the raffles whether for a basket or stand-alone item, please sign-up. Elaine Granata is the coordinator and she would like the items by mid- February. Please arrange to drop the items off at her home #99 as soon as possible. Don't forget to include your name(s) and lot number with the items.

Midge Drouin is again coordinating the Bake Sale and will have the plastic storage containers available at the March 2nd Residents Meeting. Please take as many as you need. If you do not use all the containers, please return the unused to Midge. We ask you to label all your baked goods and candy indicating if they include a variety of nuts, are sugar free or gluten free,

Dave Borchardt and his merry band of grillers will be serving hot dogs and hamburgers with all the fixings. A variety of soda pop and chips will also be on sale by the food stand. Coffee will be available in the clubhouse by the bake sale.

Carol Rysavy and the library crew will have books for sale in the clubhouse. Invite your friends to come and make a few purchases to expand their personal libraries. The books are 5 for \$1 or 25 cents each. That's a bargain if you ask me.

Don Walker will have his popcorn machine warmed up and cranking out popcorn for your munching pleasure as you peruse the sale items.

Save a few dollars for the Mega 50/50 tickets. The drawing will be held around 1:30 pm and you do not need to be present to win. An hourly 50/50 drawing will be held at 8am, 9am, 10am, 11am and 12pm the tickets will be sold outside in the sale area. You MUST be present to win the hourly drawing. Good luck to all, may it be your day to go home with more than you have spent.

Fellow Residents:

I have completed replacing the smoke detectors in my home and feel the need to get others thinking about replacing theirs. The life of a smoke detector is 10 years. After that it should be replaced. It is not enough to replace the battery. Smoke detectors are never off and they lose life over time. All the homes in this park are 15-20 years old. If you have never replaced your detectors now is the time.

This can be a very inexpensive project. A contractor pack is under \$50 for enough units for your home. This can be a do it yourself project. Shut off the circuit breaker for the units. Take down the old and install the new. Just wire the same way. The mounting base should line up the same way.

Anyone with a sturdy ladder and minimally handy can do this. Think about adding a new fire extinguisher for about \$25. Now is a good time to check your dryer vent and make sure this is venting properly.

CASINO TRIP

by Connie Riter

Rancho Mirage has again invited us to go with them (if room permits) on their casino trip. This time, they are going to Fort McDowell on March 18. The Fort requires full legal name, birthdate, Fortune Club Number (if you have one) and your phone number. Debbie must have this information and \$15 by March 8th as the casino requires the information by the 11th to be sent to the office in Illinois. Anyone interested in going should call Debbie ahead with their information to reserve a seat. Her phone number is 480-935-1777. (See attached flyer).

THE HISTORY OF CITRUS

arranged by Connie Riter

Eight hundred years ago Chinese agriculturists wrote about varieties of citrus growing in Southeast Asia. Citrus was cultivated by royalty in Italy during the Roman Empire and followed the expansion of the Arab empire into Northern Africa, Spain, and other lands along the Mediterranean Sea. At the end of the 11th century, Christian crusaders brought back citrus to Europe from all parts of Asia.

In 1493 Columbus brought citrus to Haiti on his second voyage to the New World. By 1525 Valdez, a naturalist, wrote that the number and variety of citrus growing in Haiti was “past counting.” Spanish brought citrus into Florida to trade with the Indians in the 16th century. Citrus trees grew wild in Florida near rivers and lakes from seeds dropped by the Indians. In 1750, the grapefruit was seen growing in Barbados and was probably a mutation from another fruit. It was described as the “forbidden fruit.” It was not until the early 1800’s that the name “grapefruit” originated in Jamaica and referred to the way they grew in clusters like bunches of grapes. In 1835, the first grapefruit tree was planted in Florida by Don Phillippe, a Spanish nobleman.

The navel orange was first imported into California from Brazil by USDA scientists in 1870. The first navel orange tree was planted at the doorstep of Eliza Tibbets in Riverside, Ca. The first seedless grapefruit (a fruit which contains no more than 9 large seeds) was found in Florida in the late 1800’s. The first pink seedless grapefruit was found in Florida in 1913 as a mutation of the white grapefruit tree. In 1929, the ruby red grapefruit was discovered in the Rio Grande Valley as a mutation of the pink grapefruit. One thing is for certain – there is something truly special about citrus.

RON E. CASH by Cami Weiss

Thank You everyone who attended the performance of Ron E. Cash on January 8th at Desert Harbor. We had a very fun time. There was a lot of dancing and singing and just listening to his great tunes. Everyone enjoyed the snacks that were provided by Sun Communities. We had about 80-90 people attend. A lot of people told me that they really enjoyed his performance. He played Johnny Cash tunes the first hour and then anything and everything that we requested. A good time was had by everyone.

The January tournament was held on Tuesday January 15th with a total of 12 people playing.

Dave Borchardt had the high hand with a 21.

Thank you to Scott and Char Hudson for hosting the tournament.

Summary of January 2019 Residents Meeting

Dave Borchardt began our monthly meeting at 9:00am on Jan. 5th, leading us in the Pledge of Allegiance. There were about 66 residents present. Dave then asked if there were any new residents and there was one: Ellen Randolph in #59, from California. He then took roll call of the Board and all were present, including Bruce Wicken. He then introduced Darren from PM-MH, an insurance company which advertises in our newsletter. Darren was available after the meeting to speak to individual residents about insurance and cleaning their air conditioner ducts. He also had a gift certificate to raffle off.

The minutes were approved as written. The treasurer's report was also approved. Under **Officer's Reports**, Connie mentioned the ladies luncheon out on Jan. 15 going to P.F. Changs – sign up sheet in the back. She also mentioned the Casino trip where we have been invited to join Rancho Mirage, going to Vee Quiva. Cost is \$15, but you get \$15 back in slot play when you go. More information on the sign-up sheet in the back. She also invited residents to come on the Turf Paradise trip this year, on Feb. 9th. Cost is \$99 per person, includes bus trip there, and other perks. See her for reservations. Bonnie Harrison spoke on the sunshine committee, saying she gave out 4 get well cards this month. She indicated that Bruno broke his leg and that Bev Norman is continuing to improve. Carol Rysavy spoke on the library indicating that with Nancy Pavkov, her assistant, everything is going well. Tom spoke on the aluminum can collection. He said we get 80 cents per pound of cans. Also, the paper bin should only have paper and broken down clean cardboard. Since we lost our blue dumpster for recyclables, we need to take them down to the RAD area on baseline. Dave mentioned the Super bowl party on Feb. 3rd. Karen Kroschel spoke on Bingo, indicating that they have contributed \$7 short of \$2000 for 2018.

Ed Williams and Howard Bermieck spoke on launching a Community Watch Program here in our park, working with the AJ Police department. They are looking for people to patrol in golf carts 2 per cart, for 4 – 6 hours at night. Dave mentioned that Cindy said we have \$3000 allotted for our park this year. The Board went through the activities planned, and submitted a list of \$2950 items wanted. They cannot pay vendors or bands.

Jane spoke at great length on the upcoming Fun Day on March 9. Dave spoke on the fact that we need 3 people to be on a nominating committee to get people to be Treasurer and Secretary and one member at large. Bev Borchardt, Linda Edwards, and Pat Murphy volunteered. The audit committee needs 2 people: Art Roberts and Paula volunteered.

Dave thanked everyone who came out to carol for Christmas and especially Bob and Karen Chapin and Jim and Bonnie Harrison. We are having a new raffle each meeting where a lot number is drawn and IF that person is at the meeting they will receive \$10. If not, another \$10 will be added each month until a lot number is drawn where the person is present. Bonnie Harrison is handling this. Rancho Mirage is having an AED training meeting on March 14th. On NY Eve 72 people attended with over \$600 given out in door prizes. On Valentine's Day we will be having a live band. The 50/50 was \$79 and was won by Curt. Jerry Stai won the \$25 gift card from Cracker Barrel, provided by the Insurance Company present. We adjourned at 10:25.

Super Bowl 53 is right around the corner. It will be held on Sunday February 3rd and we will have our Super Bowl party at the clubhouse around 4:00 pm. We plan on having pizza again and everyone is encouraged to bring food to share and of course what you would like to drink. We usually have a pretty good turn-out for this event. We will have both TV's on as well as the sound system so everyone will be able to see and hear what's going on.

Our annual Chili Cook-Off will be held on Wednesday February 6th at 2:00 pm. Once again Pat and Jerry Murphy will host the cook-off. Please be sure to sign up and indicate whether you will be supplying chili for the contest. We would like to have at least 10 entries so plan on whipping up one of your best chili recipes.

Desert Harbor welcomed in 2019 with 72 residents taking part in our annual New Year's Eve Party. We had door prizes of about \$600.00 in value, we had snacks to munch on, everyone brought their drinks and plenty of music to dance to. It was truly a great evening enjoyed by all.

JANUARY POT LUCK *by Midge Drouin*

On Saturday, January 19th, residents of Desert Harbor arrived at the Clubhouse for their monthly pot luck. We had approximately 55 people in attendance. Jerry Murphy graciously gave the blessing prior to eating.

The food table had many different hot dishes such as lasagna, corn soufflé, potato casserole, sliced ham, veggie salads, leaf salads, coleslaw, jello and fruit salads. A good variety of bread and rolls were brought in with homemade honey butter and regular butter spread to satisfy our taste buds. There were a variety of delicious desserts such as: cheesecake, cookies, bread pudding and much more.

The fifty-fifty was won by Jill Hemming in the amount of \$58. After our meal, a few residents stayed for card bingo. A thank you goes out to the poker group for hosting.

Twenty three hungry ladies were anxious for this month's Out of Park Luncheon at P.F. Chang's. I must say, P.F. Chang's did not disappoint! Food and service were excellent.

What a surprise to have Arlene Wicken join us! Thank the Lord Arlene felt up to a day out. Praying you get well and back on your feet soon. See you next month??? We also had 3 new residents attend, I do believe they will be back !!

The Ladies have chosen Babbo's for the February 19th out of park lunch. Please remember, the 1st Tuesday of each month is the Soup 'n Salad Luncheon in the Clubhouse, and the 3rd Tuesday of each month is the Out of Park.....Please plan on signing up in the clubhouse.

Wishing everyone well during this New Year 2019

PETE BYAM *By Cami Weiss*

Pete Byam played good old Country tunes on January 23rd at the Desert Harbor Clubhouse to about 85 people. All enjoyed his songs and a lot of dancing. It was terrific dancing music. He also told some wonderful jokes. We had a lot of snacks and a lot of good fun. Thank You all for attending.
