From the President's Desk—Dave Borchardt

I can't believe it's September already.

We have a very busy month lined up. In addition to our regularly scheduled events we have:
Sept. 2nd Labor Day Indoor Bar B Q
Sept. 7th Resident Meeting
Sept. 8th Sunday Night Football (clubhouse)
Sept. 10th Cribbage
Sept. 11th Game Night & Root Beer Floats
Sept. 21st Special Dinner with Magician
Sept. 22nd Sunday Night Football (clubhouse)
Be sure to check out the calendar.

I would also like to take a moment and THANK the many residents we have in our park that help other residents. These are truly generous people that give selflessly of their time and it is so very much appreciated not only to the residents you help but you give all of us a warm feeling in our hearts. I would like to give some names but I know I would forget someone and certainly don't want to miss anyone. You know who you are and the residents you help know who you are and that's what matters. So once again THANK YOU, you help to make Desert Harbor a better community.

RESIDENT SHOWCASE

by M. Drouin

This month, we are spotlighting another crafter in our community. Her name is Cynthia Schauer and she lives in # 206. Cyndy lives with her significant other, Don Walker. They originally came from Southern California in a little city called Cerritos. They have been residents in our park since January, 2006.

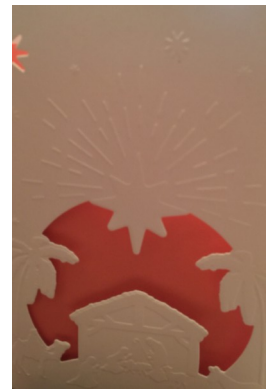

Before Cyndi moved here to Desert Harbor, she was a seamstress who made bridesmaids' dresses and along with that she also did quilting. In the past, she has also tackled one-stroke painting. She also painted on shirts, did rhinestone designs on jackets, and put kits together for assorted cards.

Cyndi started her card making crafts in the 1980's. She joined "Stampin-Up" which is a distributor for designing cards. She took a little time off and then got back into cards again where she now has over a hundred stamps, a hundred dies plus, and five different machines for die cutting, embossing, foiling, and more. These are all for making cards. Originally, Cyndi says a friend of hers got her into card making.

Cyndi does a few local shows...in fact her next show will be in our park at the clubhouse in November of this year.

I asked her if she ever gives classes for making cards and she replied "not really", but if a person just wanted to start on a small basis, they would need supplies such as: ink, card stock, scissors, glue, tape, tweezers, and a pokey tool. It's not a cheap craft to get into. But, Cyndi does sell her cards if you need one or two. She does a variety of cards such as: birthday, anniversary, thinking of you, best wishes, Christmas, get well, and Easter.

Her newest challenge is "Pop Ups" and box cards. She is always looking for a new challenge. Come over to her table at our craft sale in November to see her new items.

Fall Is Lurking Right Around the Corner

by Barbara Nienkark

and so is our first fall Resident's Meeting on Saturday, September 7th. We'd like to have a great turnout for this and every other meeting in the months to come. As always, we will have coffee and donuts and a 50/50 drawing. We will also be giving away \$10 to some lucky resident in attendance if your lot number is drawn. If you are not present the \$10 dollars will be rolled over to the next meeting for some other lucky resident to win \$20. The maximum payoff for this "attendance bonus" will be \$90. So, come join us and you may be lucky enough to win \$10.

Based on the attendance at our summer activities, it seems that we have about 85% of our residents here during the summer months. We have been discontinuing our Resident's Meeting for June, July, and August but we will have the meetings during these summer months if enough of our residents are interested in attending. So here is some food for thought and you will be asked in September how you feel about meetings in the summer.

Take care and be careful out there...see you all soon...

PLEASE REMEMBER -

We have many walkers, cyclists and golf carts in the park. During the days of heat, they are taking advantage of a little cooler temps by doing it in the evenings. This park is not well lighted and it is hard to see the people. Please wear light colored clothing, and carry a flashlight or a flasher light. Same with bicycles. Light clothes or vest and a light front and rear on the cycle. Also, the people on the bicycles need to follow the traffic rules. You need to slow down or stop at intersections. A car not expecting cycles to run out in front of them may have a difficult time stopping.

Volunteer at Banner Goldfield Medical Center

Help Others By Donating Your Time

At Banner Goldfield Medical Center Phoenix, our volunteers are an important part of our team. Each year, volunteers donate thousands of hours and talent to our Medical Center and generate funds that benefit our programs and services through fundraising efforts of the gift shop and other special sale events.

Volunteers contribute hours in all aspects of our facilities from nursing floors and medical records, to the Emergency department and Information Desks. Wherever your talents lie, we have a place for you!

Our volunteer program provides flexibility in scheduling and placement to accommodate seasonal volunteers, teens and career professionals. The goal of the Volunteer Services department is to maximize our volunteers' talent by providing opportunities that use their skills.

We require all our applicants:

- Complete a thorough application, interview and background research process (could take up to 3 weeks)
- Commit to volunteering at least 100 hours within 6 months or 1 shift per week, approximately 4 hours in length

-

If you are interested in becoming a volunteer, please fill out our Adult Application or call **(480) 394-4042**.

E-MAIL UPDATE

Please be sure we have your updated correct e-mail address. For park activities and events Dick Smith is the new person handling them so Dick will be the contact person if you have something you want to get out to our residents.

ARE YOU READY FOR SOME FOOTBALL ?

The 2019-2020 NFL Football Season begins on Thursday September 5th with Green Bay at Chicago. Great rivalry to start the season.

Our first Sunday night viewing party will be on Sept. 8th at 5:00 pm with Pittsburgh at New England. We will get pizzas and everyone chips in to pay for them. Please bring a snack to share and also bring what you would like to drink. We will have football squares so bring a few dollars for that.

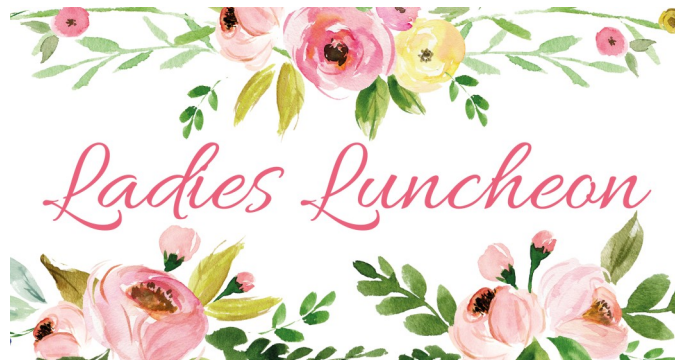

This will also be the start of our weekly football pool. Week one sheets have to be turned in before the game starts on Sept. 5th. You simply pick which team will win. Please put your picks in cubby #142 at the clubhouse or drop them off at lot #142.

Once again you can play for \$3.00 per week or you can play for free. If you play for \$3.00 the person that has the most number of correct picks wins all the money collected. If you play for free and have the most number of correct picks, we will have a gift card for you.

We started this weekly pool in 2013-14 so this will be the start of our seventh year.

We will play for 17 weeks and will have play-offs pools as well. Then we end up with a great Super Bowl party at the clubhouse complete with football squares.

It should be a great fun season. Good luck to everyone!

What a summer we have had ! I hope everyone's air conditioner has kept up with the heat and kept you comfy .

The air conditioner was working perfectly at the " American Legion " this past week for our Out of Park Luncheon .

The Ladies in attendance had no complaints about the food, nor the accommodations.

We sat in the non-smoking room, ordered a variety of dishes, cheese burgers, fish sandwiches (delicious) as well as shrimp baskets ! Even COCKTAILS !!

Please join us September 17th. for another fun afternoon. The Ladies will decide their choice at the September 3rd. In Park Luncheon .. Join us September 3rd and the 17th. Hopefully the weather will be more accommodating .

POTATO BAKE 2019

So many of our community came to the clubhouse the first Saturday of August to enjoy a truly unique dinner, the Potato Bake. With about 80 of us there we enjoyed visiting with so many friends and boy did we eat. The baked potatoes were more than a meal then there was all sorts of toppings to add on. We had butter, sour cream, chives, cheese, broccoli and awesome chili. Oh, and just when you thought you would sink into the floor there were also all sorts of fabulous desserts.

Come! Enjoy a "Night Out!"

Have You Ever Wanted to Tour the Tovrea Castle? *By Connie Riter*

Two years ago, I signed up for a tour of this “Wedding Cake House” in Phoenix, which can be seen from the 202. Our date for the tour is October 10th at 9 am and tours are limited to 12 people, which is the number of tickets I bought way back then. I still have tickets to sell, so if you would like to go with our group, see me with your \$20 before the end of September. Then we will have to decide if we will drive down or hire an Uber. Back on June 30, 2019, they released another group of tickets which they said would probably sell out in a few hours. The 2 hour tour includes the 5,000 sq. ft. main floor and basement as well as the 44 acre grounds and cactus garden.

What is the Tovrea Castle? It is that giant “wedding cake” castle you have probably driven by on the 202 by Van Buren and 52nd Streets. It was built by Alessio Carbaro, an Italian immigrant who got rich in the sheet metal business in San Francisco, before moving to Phoenix in 1928. His plan was to build a resort and housing development. He finished it in 1930, but his dreams of making it a resort didn’t pan out, perhaps due to the presence (and smell) of a nearby meat packing plant. He sold the property in 1933 to Edward Tovres, a cattleman who probably didn’t mind the meat packing plant.

Tovrea died not long after making the purchase, but his widow lived there alone until she died in 1969, and Phoenix acquired the property in 1993. The city opened the castle and its gardens to the public in the spring of 2012 and the tours have been a hot ticket item ever since.

Again, see me if you would like to go with us and we will have a meeting of the group going when the tickets are all sold to see if we would like to go somewhere for lunch after our tour. Let’s make a “fun day” of it!

Rocky Point, Mexico

Nestled between the beautiful Sea of Cortez and the majestic Sonoran desert, Puerto Peñasco, or Rocky Point, is a destination with unique natural beauties. Such is the case of the Pinacate Reserve and the Great Altar Desert, the largest active dune field in North America and the site of a spectacular volcanic shield with lava flows, cinder cones and impressive giant craters.

In Rocky Point, you see variety of sea life, unique plants and remarkable geological characteristics. You will see dolphins playfully jump in and out of the turquoise water. You may enjoy whale watching, quiet walks on the boardwalk or the beaches, playing golf, or a relaxing day at the spa.

HAWAIIAN NIGHT POT LUCK *by M. Drouin*

On Saturday night, the 17th of August, we had our monthly pot luck which had a Hawaiian theme to it. There were about 60 people in attendance. Our pot luck was hosted by the water volleyball group.

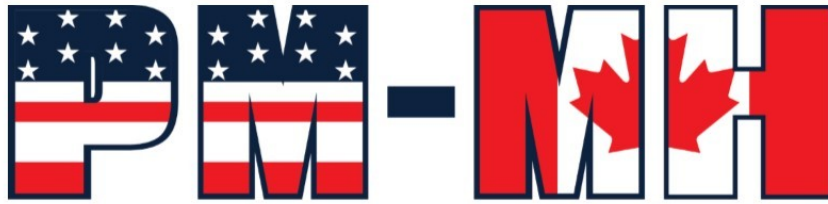

There were three sets of tables set up in the clubhouse that evening: food, dessert, and cocktails. The cocktail table served Mai Tai's and Pina Colada's which were bar tended by Connie & Art. The food table had many types of food such as a variety of salads such as BLT, fruit, Hawaiian crab salad, potato salad, Jell-O cool whip salad, and coleslaw. All dishes were very colorful and tasty.

Our main dishes included a meat tray of pulled pork and sliced deli meats, potato casserole, meatballs, various vegetable dishes, and bread for making sandwiches. The dessert table featured sliced watermelon, strawberries, cakes, and pineapple upside down cake.

The hall was decorated beautifully by our hosts which included table centerpieces on each table, flowery decor on the walls and ceiling, and beautiful background music while we were eating. And, we can't forget our wonderful island music put on by Sean and Scott who call themselves The Volcano Island Band. Entertainment lasted for about 2 hours. Many of the songs played that evening brought back many memories from years gone by. The music they featured that evening were from the Harry Belafonte era, some reggae, and much more. Sean Mireau gave us a little background history about the steel drum instruments that they featured. His partner, Scott, teaches steel drum playing to around 70 high school students.

We had one lucky 50/50 winner of \$77.50 which was won by Cyndi Schauer in lot 206. Good food, good music, and great evening!
