DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—SEPTEMBER 2022

What is Labor Day, and Why Do We Celebrate it?

Labor Day is a national holiday in the U.S. For many people it's a symbolic end of summer and the start of a new school year, celebrated with barbecuing and one last summertime hurrah.

However, it was envisioned by founders as a celebration of the American worker and the great American work ethic. It was a creation of the labor movement in the late 1800's. The first Labor Day celebrations were parades to show the public "the strength and esprit de corps of the trade and labor organizations" of the community, followed by festivals designed for the recreation and amusement of the workers and their families.

Continued on page 2

Continued from page 1

Speeches by prominent union officials, industrialists, educators, clerics, and government officials were among the day's highlights. (Something like a political rally held today.) The first Labor Day parade was on Tuesday, September 5, 1882, in New York City. By 1894 23 more states adopted the holiday, and on June 28, 1894, President Grover Cleveland signed a law making the first Monday in September a legal holiday every year.

Labor Day was all about the great American worker, the driving engine behind the most productive economy in the world, and the American work ethic that resulted in one of the highest standards of living in the world. All of this came from a belief in economic and political democracy. Of course, Labor Day not only celebrated the American workers but also protected their quality of life, addressing the problems of the day—from long working hours to lack of time off.

So whether you work on a farm, at a factory, in an office, or at home, we hope that you will take this day of honor, find some work/life balance and reflect on your good work. After all, at work is where we spend the majority of our time.

Take a moment to reflect on this history and the many American workers who came before us—to build our railways, roads, infrastructure, and more. Then go to a picnic or barbecue as our ancestral workers did 128 years ago!

From the President's Desk—Sandy Baumstark

By the time you read this, Don and I will have returned from a wonderful vacation with our family and friends.

Labor Day is almost upon us and the picnic lunch will be provided by the Desert Harbor Activities Committee. The Miller boys will be doing the grilling for us. Thank you both in advance for all of your hard work.

On Saturday, September 17th we are having a Potato Bake. Happy Hour at 4:00 with the potatoes served at 4:30 PM. Whiskey Rush will be here to entertain us from 6 to 9 PM.

We will have our first food truck in several months coming on Wednesday September 28th, Poky Cocina Mexican Foods. Come and join in the good food, fun and socializing.

Next month our snowbirds will begin to trickle back in.

Humana Sales Representative, Tracy Eubank-Sloan, and her comic sidekick, Greg Garcia, paid us a visit on August 18th.

They brought ice cream and lots of great fruits and vegetables for those lucky to win a game of Mexican Bingo. While the turnout was small those of us who were there had lots of fun.

All of the insurance companies have lots of changes coming in October during open enrollment and we will definitely have them back when the snowbirds return and the changes can be discussed.

Besides the fun part of their visit, they are both very knowledgeable about the insurance market.

LADIES OUT OF PARK LUNCHEON

By Cami Weiss

The Ladies Out of the Park was held on August 16th at Red Lobster. There were 10 of us and we had a wonderful time with close conversation and laughs. Food was great with a wonderful waitress.

Bea will be back to decide on a September location. That will be on September 20th 11:00.

Thanks to each and everyone for attending. It was great.

Residents Meeting - August 6, 2022

President Sandy called the meeting to order at 9 AM with approximately 52 residents in attendance. Prior to calling the meeting to order, Cami Weiss approached Sandy with a bag from Vice President Elaine and a note. The note was a resignation from Elaine and the bag contained her records, debit card and keys. Prior to the meeting, Cami Weiss passed out typewritten notes to the members from Elaine Granata with her many reasons for resigning from the Board.

We stood for the Pledge of Allegiance and then Sandy took roll call with all members present except Vice President Elaine. There were no new residents to introduce and the minutes from the July Residents Meeting were approved by Wayne Miller with a second by Mike Kereluk.

We moved on to the Treasurer's Report and Cami Weiss asked why there were 2 months of reports. Treasurer Suzanne said she was still in the process of catching up and she wanted to be sure the residents had all of the information. Sherry Weinert asked about the projector and Sandy explained that it was an indoor and outdoor movie projector with a large screen and that it was on sale. The Board hopes it will be well used this coming winter. It was made clear that in the future you must have a receipt to get reimbursed. Betty Cuevas made a motion to accept the Treasurer's Report with a second by Mike Kereluk. Approximately 8 residents did not accept the Treasurer's Report.

Board Member Beth said that we will resume having the Food Trucks in the fall.

Cami Weiss brought up the 50/50 drawing and said that the change should have been brought up in front of all members not just the Board. President Sandy said it was a Board decision. She also thinks we should be able to see the Audit Report and the changes, if any, to the By Laws.

Stu Olson took all of the donated water to the food bank. We matched the donated cash and the donation totaled \$276. There were also 126 pounds of food items. Terry Nord was not present, but he turned in \$53.30 for aluminum cans.

Resident Bea reminded us that the Ladies Out of Park Luncheon will be on 8/16 at Red Lobster. Please be at the clubhouse by 11 AM for carpooling. For the time being Bob Chapin will not be attending the men's luncheon at the American Legion. That does not mean that you men cannot go as a group and have lunch. So, go for it!

Our esteemed librarian, Carol Rysavy, asked us to continue to bring in books and magazines. She has received a donation of old Stephen King books and if he is one of your favorite authors, they are available in the library.

Cami Weiss asked President Sandy to read the letter that she delivered from Elaine Granata. Despite some of her other Board Members disagreeing with this request, Sandy read the letter. After reading it Sandy said that now would be a good time to ask for nominations for a new Vice President. Mike Kereluk nominated James Genso and he accepted the nomination.

Dave Borchardt said that he has new telephone directories for \$3.00 each if you don't have a computer and printer to do it yourself. He is also trying to get an answer from our front office about why the jump in our water/sewer bills. Lew Smaldino said he went directly to the Apache Junction Sewer Board, and they didn't know anything about our water bills. This brought up a number of comments from the residents about problems they are having or how different things are in Casa Blanca. Carol Rysavy talked a little about AAMHO, but you have to pay to belong and it's definitely not a quick fix. Paula and Bea suggested we have a Town Hall Meeting.

Rhonda asked how do we get more residents out for events? Vern Beecher said that when we have Karaoke again that we should request a printed list of the music they have. We should also have covers for the microphones to prevent the spread of any illness.

Beth reminded us that on September 17 Whiskey Rush will be entertaining us, on October 15th 3 Speed, and on October 29th Beeline Highway. Depending on the weather we may have that evening outside. And, yes, we do sign all contracts for our entertainment.

Rhonda Odell reminded us that this is probably the last curve of our lives. There is great truth in that statement. Thank you, Rhonda, for stopping by the Board Member table and thanking us for a job well done. We all do the best that we can.

John Steinke said that the Genealogy group will meet on Fridays at 2 PM in the card room.

The \$10 birthday drawing was won by Suzanne Dallas. The lot number drawn was 112 and they were not present, and Paula Barker won \$58.00 in the 50/50 drawing.

Paula Barker made a motion to adjourn with a second by Wayne Miller.

Respectfully submitted, Barb Nienkark, Secretary
