

DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—DECEMBER 2022

This is a re-print of an article from December 2008 written by resident Bob Mayo about former resident Larry Lepic who was at Pearl Harbor that day.

DAY OF INFAMY

By Bob Mayo

Shortly we Americans will observe the 67th anniversary of a December morning in 1941 when forces of the Japanese empire attacked the military installations of the United States at Pearl Harbor in the Hawaiian Islands. That date, December 7th 1941, was rightly described by President Franklin D. Roosevelt as “a day that will live in infamy.” With the passage of time many have forgotten the horrors of that quiet Sunday morning, but there are those who will never forget that time. One of an ever-dwindling number of those that were there that day is Larry Lepic who has lived here at Desert Harbor during the winter months with his wife Marge since 1998.

Larry was born December 19th, 1920, in Mauston WI, the youngest of 5 boys. The family lived on a farm near Mauston until 1929 when the family moved to Chicago, IL, just in time to face the great depression that began in the fall of that year. Despite the difficult years Larry managed to eventually graduate from trade school. He then worked at a full-time job while attempting to also attend college, which was less than ideal. He enlisted in the Army Air Corps at Chanute Field, IL in May of 1939, hoping to benefit from the schooling and experience it offered. After the usual fits and starts most military veterans would recognize, Larry was trained as a Machinist and as an Aircraft and Engine mechanic. Following training he was selected for assignment to Hawaii. While traveling across country for transport to Hawaii Larry had his first look at Apache Junction. In his words it “had one hand pump gasoline station that also sold sandwiches.” Upon arrival in Hawaii, Larry was assigned to the 18th Pursuit Group as an Aircraft Crew Chief, and later assigned to the Hawaiian Air Depot assembling B-17 engines.

On the morning of December 7th after a Saturday night on the town Larry like many others was awakened by the sound of bombs going off. Like others he and his buddies believed it was a US Navy training exercise but very soon realized that Pearl Harbor was actually under attack and over the radio heard that all military personnel were to report to their units. Larry and one of his buddies could see that the large hangers at the Air Dept where they worked had been completely destroyed so they chose to drive another buddy to his unit at Schofield Barracks next door to Wheeler Field in a 1936 Terreplane station wagon.

(continued on next page)

(continued from previous page)

While trying to get to Schofield Barracks they were forced to jump out of the car and take cover under the car and in a ditch to escape a strafing attack by Japanese planes. When they were able to continue on, they were pulled over by a motorcycle policeman who directed them to follow him to the Queen's Hospital. There, the rear seats were pulled out and replaced with stretchers, a Red Cross Flag was put on the station wagon and they were instructed to go pick up casualties. On their first return to the hospital in Larry's words, "The doctor chewed us out and said, 'Bring me some live ones'. The poor guy was gut shot and didn't have a chance. We must have looked pretty green as the doctor gave us each a shot of whiskey. More trips, more whiskey, and pretty soon we were throwing them into the station wagon." Larry has written an unpublished autobiography which includes much more sometimes graphic information about that morning at Pearl Harbor, but which is much too long to be included here.

Larry went on to become an officer in the Army Air Corps, later the U.S. Air Force. He piloted many types of multiengine aircraft including the B-29, B-47 and B-52, finally retiring from the U.S. Air Force in 1965. He worked a number of jobs before becoming the manager of Bellingham Municipal Airport in Bellingham, WA in 1970. Larry was also active in the Veteran of Foreign Wars, serving as Post Commander and later as the District 15 Commander. He worked at Bellingham until finally ending his working career in 1981.

While Larry is certainly not the only survivor of that day at Pearl Harbor in December 1941, and in fact there may even be others here at Desert Harbor, he is representative of all those who survived as well as those who did not. His memories of that day provide us with a very personal insight into that terrible event in our history. His memories amply demonstrate why vigilance is a virtue and that the experiences and sacrifices of all our military personnel and their families, past and present, must never be forgotten.

The holiday season is upon us, and it is a time for celebrating with family and friends. We all have a lot to be thankful for here in Desert Harbor. Not everyone in Apache Junction is as fortunate as we are. There are many families unable to give their children a magical Christmas they deserve.

We can change that for a few families this holiday season. I have been in touch with the Apache Junction chapter of the Salvation Army and have received 20 Christmas Angel tags for local children so they can wake up to a wonderful Christmas morning.

A Christmas Tree is in the clubhouse with the Angel tags. Each tag has a child's name we can help this year. Next to the tree is a table with a sign-up sheet listing each child's name and age. Please fill in your name and lot number for the tag you are taking. (There are a few children with the same names so please make sure you place your name on the correct line. Also, verify the child's code number on the tag to the one on the sign-up sheet).

If there are no tags left on the tree and you would like to help, please call Stu Olson (480 332 4822) and he will contact the Salvation Army for additional Angel Tags. Take your tag to the store and purchase new items listed on the tag (or something similar).

**RETURN ALL TAGS AND UNWRAPPED GIFTS TO THE
COMMUNITY CENTER
SATURDAY DECEMBER 10TH FROM 10AM-NOON**

Let's make this a special holiday season for as many children as we can!

Desert Harbor's Hoe-Down

Beth Chartrand and her crew of workers did an outstanding job of putting this evening together. With fair skies and mild temps predicted, they decided to go all out and have the Bee Line Hiway Band perform outside. The food was set up inside but everyone took their plates outside to enjoy their dinner, the music and the beautiful evening. The weather stayed great until much later in the evening, but by that time the delicious food, the spirits and the dancing kept us warm. Colleen Kitzman and Ron Passage were the lucky ones to split the 50/50 drawing. A big thanks, too, to the Hostesses who did their usual awesome job of cleanup.

Residents Meeting - November 5, 2022

President Sandy called the meeting to order at 9:02 AM and we stood for the Pledge of Allegiance. All Board Members were present. Board Member Rhonda had to leave before the meeting began. Norman Blakey from Copper Canyon Law introduced himself and gave a few examples of wills and trusts. He said he would be there through our meeting and would be happy to answer any questions we might have after the meeting. Sandy thanked him for treating us to donuts that morning. Sandy asked about any new residents but there were none present. She welcomed back our residents who have been gone during the summer months. Richard Nienkark made a motion that we accept the October Residents Meeting minutes with a second by Michelle Nord. There was no discussion about the Treasurer's Report and Connie Riter made a motion to accept the report with a second by Gen Horne.

President Sandy wished our former President, Dave Borchardt, a very Happy Birthday and we all sang Happy Birthday. She thanked Board Member Beth for all of her hard work on the Hoe Down. It was an awesome party with lots of residents present, delicious food, and great music. She thanked Denise and Steve Haws and Terry and Michelle Nord for smoking the pork and Ron Passage, Wayne and Kenny for the set up and take down.

Our yearly Patio Sales will be on Saturday, November 12th from 7 AM to 1 PM. Rich Nienkark and James Genso will put up the banners on the outside wall on Monday, November 7th. You can pick up a flag for your driveway this morning after the meeting. We have talked to the office and they have promised to have the gate open early Saturday morning. Carol Rysavy asked about the Bake Sale containers and they will be available in the clubhouse late on Friday afternoon the 11th. Yes, we will also have our usual walk around the community starting at 5 PM on Friday evening so you have an opportunity to see what your neighbors have for sale and what you can't live without! Don't forget to bring things you don't want to sell to the clubhouse in clean and usable condition.

Thanksgiving is right around the corner and we need Hosts and Hostesses for the dinner. We have volunteers who will bake the turkeys but we can't have the dinner without others to help with it. Please sign up to help.

The Ballots for the Revised By-Laws will go out on November 15th. If you are not at home the ballot will be taped to your door. We asked if anyone was interested in Chair Exercises. No one responded. Bonnie Harrison has a sign up sheet for volunteers for the Patio Sale. Please see Bonnie after the meeting. Stu Olson raised the question about supporting a family for Christmas. Deloris Marshall had nothing to add about our advertisers. Connie Riter is going to put up the Veterans display boards on Sunday, November 6th and they will be up until after our park wide patio sale. Keith Weller asked about a Pickle Ball court but there really isn't a place for one in our community. Brentwood West has courts and is a sister park so maybe if a few of our residents are interested they could play there. Carol Rysavy also mentioned the Multi Generational Center as a possibility. In January we are only going to give 1 ticket with your name on it for the Birthday drawing. We will be having Food Trucks and will keep you posted on the dates and menus. Paws and Claws will be here to pick up their donations on November 16th.

Gen Horne won the \$82 50/50 drawing. Don Baumstark won the \$10.00 Birthday gift and the residents in the house drawing were not present. If you get a Birthday ticket, please remember to bring it to the meeting.

Remember...Steve Briggs will be back to perform solo on Saturday, November 19th from 6-9 PM. Wayne Miller made a motion to adjourn with a second by Fran LeVeque.

Respectfully submitted, Barb Nienkark, Secretary

Thanksgiving dinner was a huge success...

There were about 70 residents and guests. The turkeys were delicious with stuffing and gravy. We had mashed potatoes, sweet potatoes, corn casserole, green bean casserole, salads, homemade dinner rolls, and desserts. Everything was so good.

Terry and Michelle Nord and Leon and Diane Schmitz were our main hosts. Bill McEwen was there to help with set up and help too.

The turkeys were cooked by Stu and Robin Olson, Dave and Bev Borchardt, Jerry and Dianna Stai, Denise and Steve Haws, and Sandy and Don Baumstark.

A special Thank You to all who helped clean up after the feast.

The 50/50 was split between Jerry Stai and Mary Stutleen. They each got \$50.

We played Card Bingo afterwards with 6 tables with 24 people,
