### Everything to Know About Labor Day in 2023

It's a patriotic holiday that honors hard working Americans! Us by Tierney McAfee

Labor Day is a holiday most Americans can get behind!! Yeah, it sadly means that summer is coming to a end, but it's also a day that holds so much meaning. For one it's just another excuse to eat our favorite grilled foods, host a pool party, and put those fun summer Instagram caption to good use. And while it's certainly a day worth celebrating for all those reasons, there's a bit more history behind the meaning of Labor Day, too. So here's everything you need to know about the summer holiday, including when is Labor Day in 2023?

Labor Day celebrates the women and men who campaigned tirelessly for worker's rights in the labor movement of the late 19<sup>th</sup> century. Their hard-fought wins are the reason for many of the rights we enjoy and take for granted today, such as a 40-hour work week, safe work conditions, paid time off, and sick leave. Those workers saw that there could be no freedom and liberty in this country without economic freedom for the working class. The holiday honors the source of this nation's strength—American workers, unions, and labor leaders. No matter how you decide to celebrate Labor Day 2023, take some time to reflect and pay tribute to all the laborers, past and present, who helped build America and make it the country it is today. **presented by Barb Nienkark**

## Resident Meeting August 5, 2023

President Sandy called the meeting to order at 9:00 AM and all stood for the Pledge of Allegiance. Board Member Bonnie Harrison and Vice President James Genso were not present.

Sandy asked if we had any new residents present and there were none at the meeting.

Sandy asked if everyone had the opportunity to read the Secretary Report prepared by Barb Nienark from our last meeting. Everyone agreed they had and request for approval. Rich motioned for approval, seconded by Paula.

The Treasurer's Report was provided by Suzanne. Jim made motion to accept, seconded by Michelle. No additional Reports from the board.

Jan inquired whether anyone would be interested in a Craft Fair sometime in November. Several people were interested. Thought it might fit with the annual sale held during November. Will discuss further.

Stu Olson stated the Food Bank collection has been going well. Please keep the donations coming. Stu also reiterated the Water Drive was going on during the month of July. Please bring water to the Club House. It will be taken to the Food Bank. If you prefer you can donate money to any Board Member.

Carol stated that the Book Mobile will be here August 11th . We need books for the Library. We also have lots of Movies if you're interested in looking at those.

Jan asked if anyone was interested in starting a Singing group. Location TBD. Will discuss further. Bea reminded everyone that the Ladies out of the Park luncheon will be held at The Black Bear this month. Sandy again asked for volunteers to sign up for Host and Hostess for our functions. She also stated we still need people to get a food handlers license.

Please talk to Sandy, and costs will be reimbursed by the Board.

Terry stated that he will no longer be taking recycled cans. The hassle is as it is not profitable at this time.

Jan also reminded everyone of the Bible Study being held on Thursdays at 2:30 PM in the Craft Room.

Bea reminded everyone that the Ladies out of the Park luncheon will be held at The American Legion this month.

Lou addressed the residents about vagrants being in the park. We've had break-ins and people saw unwanted guests by Dick and Cyndi's house. If you know your neighbor is away for the summer and you have an additional vehicle, check with them about parking it in their drive. This will be a deterrent for unwanted activity.

Margo requested a special Thank You to Dick Smith for all the time and effort he has put in on the website. He has done this service to the community for several years.

The 50/50 drawing was won by John. Resident drawing was not in attendance.

Sandy called for the meeting to be adjourned at 9:30 am. Motion made by Rich, seconded by Wayne.

Respectfully Submitted By,  
Jere Broadhead, Secretary

## Symbols of a New Nation

The American flag did not play a major role in the War of Independence. Most of the myths about the flag's importance during the Revolution – including the famous tale of Betsy Ross sewing the first flag for General Washington – emerged much later, after the *Star-Spangled Banner* written by Francis Scott Key (1814) had become the nation's most significant and cherished icon. At the time the American flag was created, it did not attract much attention from the general public; its primary function was to identify ships and forts. Ordinary Americans in the Revolutionary era turned to a variety of other symbols – the eagle, Lady Liberty, George Washington – to express their patriotism and define their national identity.

This would start to change during the War of 1812. Often referred to as the "Second War of Independence," the conflict inspired a fresh wave of patriotism in a generation too young to remember the Revolution. When Key declared that "Our flag was still there," he fused the physical symbol of the nation with universal feelings of patriotism, courage, and resilience. By giving the flag a starring role in one of the most celebrated victories of the war, Francis Scott Key's song established a new prominence for the flag as an expression of national identity, unity, and pride. And by giving it a name – that Star Spangled Banner – Key transformed the official emblem into something familiar and evocative, a symbol that Americans could connect with and claim as their own. The flag was no longer just an emblem of the nation; it became a representation of the country's values and the ideals for which it stands.

In the years since 1814, in times of celebration and crisis, pride and protest, people have raised the flag to express their ideas about what it means to be American.

Raining Meatballs

Our August Ladies Luncheon needed more than an umbrella as it rained Meatballs and more Meatballs! Yes, a lovely delicious lunch was had at Babbo's ! A Delicious Day it was! Lots of great food and plenty of laughter was had by all.

September 19th the Ladies have decided to see what is served at the " American Legion " for their Luncheon. As a rule it is the comradery that our ladies enjoy rather than where they are dining although of course the cuisine and atmosphere is of equal importance as well.

I am a member of the Legion on Meridian just north of Southern so you need not be. Just sign up in the clubhouse on the sheet for Ladies Luncheon Out of Park or call me and I will add you to the list. We car-pool as necessary and leave promptly at 11:00 so just show up if nothing else! I urge all our new residents to attend and meet the others. Also remember, same time, same fun!

See you September 19th! Bea 602-703-0220

Come out and participate -- Or just observe and cheer on.

## Men's out of Park Lunch at the American Legion

Fellows ! September 19th the fellows meet for lunch and tall stories at the American Legion on Meridian just North of Southern. Call Bob Chapin, Lot 131 to arrange a ride if necessary. 517-290-2913

Bob is a Member therefore you can just come on over to the Legion on Tuesday September 19th and enjoy some "men only" time !

See you there ! Bob Chapin    Bea Goudeseune
