History of Chocolate

Chocolate's 4,000-year history began in ancient Mesoamerica, present day Mexico. It's here that the first cacao plants were found. The Olmec, one of the earliest civilizations in Latin America, were the first to turn the cacao plant into chocolate. They drank their chocolate during rituals and used it as medicine.

Centuries later, the Mayans praised chocolate as the drink of the gods. Mayan chocolate was a revered brew made of roasted and ground cacao seeds mixed with chilies, water and cornmeal. Mayans poured this mixture from one pot to another, creating a thick foamy beverage called "xocolatl", meaning "bitter wa- ter." By the 15th century, the Aztecs used cocoa beans as currency. They be- lieved that chocolate was a gift from the god Quetzalcoatl, and drank it as a re- freshing beverage, an aphrodisiac, and even to prepare for war.

Chocolate reaches Spain No one knows for sure when chocolate came to Spain. Legend has it that explorer Hernán Cortés brought chocolate to his homeland in 1528. Cortés was believed to have discovered chocolate during an expedition to the Americas. In search of gold and riches, he instead found a cup of cocoa given to him by the Aztec emperor. When Cortés returned home, he introduced cocoa seeds to the Spanish. Though still served as a drink, Spanish chocolate was mixed with sugar and honey to sweeten the naturally bitter taste. Chocolate quickly became popular among the rich and wealthy. Even Catholic monks loved chocolate and drank it to aid religious practices.

Chocolate seduces Europe. The Spanish kept chocolate quiet for a very long time. It was nearly a century before the treat reached neighboring France, and then the rest of Europe. In 1615, French King Louis XIII married Anne of Austria, daughter of Spanish King Phillip III. To celebrate the union she brought samples of chocolate to the royal courts of France. Following France's lead, chocolate soon appeared in Britain at special "chocolate houses". As the trend spread through Europe, many nations set up their own cacao plantations in countries along the equator.

A Chocolate Revolution Chocolate remained immensely popular among the European aristocracy. Royals and the upper classes consumed chocolate for its health benefits as well as its decadence. Chocolate was still being produced by hand, which was a slow and laborious process. But with the Industrial Revolu- tion around the corner, things were about to change. In 1828, the invention of the chocolate press revolutionized chocolate making. This innovative device could squeeze cocoa butter from roasted cacao beans, leaving a fine cocoa pow- der behind. The powder was then mixed with liquids and poured into a mold, where it solidified into an edible bar of chocolate. And just like that, the modern era of chocolate was born.

WHAT IS CARD BINGO?

That is a question I asked several years ago. So, after one potluck dinner I stayed for card bingo. It is a cross between a card game and bingo. Each player begins play with 9 quarters and one single dollar bill. Each player contributes a quarter for each of the first 9 games. The dollar is for the last game.

To begin the game you can have 3 or 4 people at a table (maximum of 4). All the cards are dealt out, 13 for each player, if there are 3 players you still have to deal to the dummy hand but not play it. The caller is determined by whoever wants to volunteer.

The caller uses a separate deck of cards, shuffles them and then calls one card at a time. Then each player throws their card in the center pile and the first person to get rid of all their cards wins.

COMMUNITY SALE DATE CHANGE

Coming soon!! The community sale that we had planned for March 9 has been pushed out to March 23. That gives us more time to clean out our houses of no longer wanted or needed items that are still in working and clean condition. We cannot take shoes or clothing but anything else is appreciated. Larger items are welcome, and we can arrange to have them picked up the week before the sale. Bonnie Harrison will look after this with a lot of help from our friends. There will also be beverage coolers that are being raffled and we are looking for bottles of any type of beverage or adult beverage to make those. Tickets are already on sale for \$5.00 for 1 or \$20.00 for 5!!! Rhonda Smaldino is putting this together.

We will have baskets and bundles of new or homemade items that will be raffled, and we are requesting donations for those also. Jane Boudreau will head this.

Of course, the popular bake sale will be running and will be recruiting our bakers to whip up some of your favorite recipes for that. Bea Goudeseune is the captain of this ship.

We will see if there are any of our crafters who want to set up tables to sell their wares.

There are a lot of requests for donations for all of this, but this March sale is our largest fund raiser of the year and is what we use to pay for entertainment, potluck meat and other requests. I.e. sound bar in clubhouse.

Please feel free to ask questions of any board member or the people I have listed as captains of that activity.

We will provide more information as the sale nears.

Ladies, Ladies, Lend me your Ears !

Once again I would sincerely appreciate your Baking Talent!

The Fun Days are coming up March 23rd & our Bake Sale is so very Important, and, so are You!

Due to all your hard work, dedication & support our Bake Sales have been so successful. Thank you so much!

This is just a heads up and i will be giving more information as time gets nearer.

Thank you once again..... Bea 602-703-0220

RAFFLE DONATIONS PLEASE

In preparation for our Community Sale on March 23rd we are asking for contributions for the Raffle Table. To be more specific we are asking for items to create baskets such as: gift cards, coffee or tea items, bath products, charcuterie board, drills, small appliances (crockpots, air fryer, Keurig coffee makers, etc.).

The Raffle Tables will be in the clubhouse. Tickets will be sold on the 23rd. The winning tickets will be drawn about 1pm.

Rhonda Jazwierski and Jane Boudreau are coordinating this portion of the Community Sale. Items may be dropped off at Jane Boudreau's home #179 after February 16th. If you have any questions, please contact either of us.

Resident's Meeting January 6, 2024

President Sandy Baumstark called the Meeting to Order at 9:00 AM. All Board Members were present. All in attendance stood for the Pledge of Allegiance. We had 65 Residents in attendance.

Sandy Baumstark then introduced our guest speaker Deron from PM-MH Park Model-Manufactured Home Insurance Services. Deron had passed out information requests if anyone would like a quote. This was also used for a gift giveaway held later in the meeting. Deron spoke regarding the insurance they provide not only for your home, but also for vehicles, i.e., golf carts and travel trailers.

President Sandy then inquired whether we had any new residents in attendance. Danny and Sasha stood and introduced themselves. They reside in Lot 7, which they purchased from his Mom Diane Maher. They were given a great welcome from the residents.

President Sandy asked if everyone had read the Secretary's meeting minutes and if there were any questions or comments. There were none, so a request was made to accept as submitted. Betty Zaslowsky motioned for approval, seconded by Ken Miller. Motion approved.

Sandy then asked if all had reviewed the Treasurer's Report for the month. No comments were made so the motion to approve was made by Michelle Nord, seconded by Jerry Stai. Treasurer's Report was approved.

President Sandy began the Officer's Reports:

Board Member Neal Meyer began by thanking everyone who helped with the Christmas Dinner. Jim and Brenda Harris helped tremendously, also a big thanks to everyone else who helped cook and clean. We need you volunteers to keep these events going.

Neal also brought to our attention that we were going to hold a donation drive for the Hope Women's Center. This will be on the last Saturday of the month. Box for donations will be by the front doors. This will be for 1 day only. Neal stated that he would accept cash as well if you don't have items to donate.

Secretary Jere Broadhead stated that 18 people attended the Cookie Decorating Class. We all had a great time. Treasurer Suzanne Dallas did not have anything to report.

Board Member Bonnie Harrison said that the Community Sale would be on March 9th this year. Start cleaning out your closets and cupboards for donations to sell. This is always a big money maker for our community. All electrical items that you want to sell must be in working order. Bea will be overseeing the Bake Sale portion again this year. The beverage cooler donations can be brought to the clubhouse. Please let Bonnie or Rhonda know so we can secure the items. There will be Gift Baskets that will be raffled off.

Board Member Rhonda Smaldino stated any donations for the beverage coolers would be welcomed. The coolers will be raffled off with tickets at \$5.00 each or 5 for \$20.00.

Rhonda also thanked all who donated and participated in the New Year's Eve Party. Everyone had a fantastic time. Thanks to all who helped with decorations and getting all the door prizes together.

Cami Weiss and Bea Goudeseune our Nomination Committee for vacant board positions said that there are 3 positions open this year. They are the President's position, the Vice President's position and 1 Board Member spot. If you would like to run for any of these open positions, please get with Cami or Bea. Positions begin the first of April.

The Library needs new books! The book mobile is also here on Fridays.

Sandy received a letter from Sunshine Acres Children's Home thanking our community for the donation made while they were here performing.

Also we have the new winter schedule of The Dutton's Theater. If anyone is interested in gathering a group to attend this year the schedule will be in the back by the signup sheets.

Harry Matthews will perform on Saturday the 13th from 6 PM to 8:30 PM. Everyone enjoyed his show last time he was here.

We will have Card Bingo on Sunday the 14th to see how it goes. We'll try and do this on Sunday's once a month. Bingo will begin at 6 PM.

Joe's Coney's Food Truck will be here on Thursday, the 11th from 4 to 6 PM. CANCELLED

Keith and Peggy Weller will have a Birthday Party on the 20th. All are invited to attend. The Weller's will provide the meat and everyone else bring a side dish to accompany the meal. The Weller's have provided a DJ, Doc Fletcher as well. Come and help them celebrate.

Continued on page 4

Rhonda Jazwierski stated that we needed a new TV, as it isn't working properly for the Chair Yoga Class. After discussion by several residents, it was decided that we needed to see if the office would provide a new one or if the TV was the problem at all. Further research is required.

Bea Goudeseune thanked everyone who attended the December Luncheon held Out of the Park. Everyone had a great time. There were 55 in attendance. Next months Luncheon will be held at Chili's on Signal Butte. Bea also brought attention about a Birthday party that will be held. More information will be forthcoming.

Bea also stated she brought up the question to the office about the Town Hall meeting that the Regional Manager stated we would be having. Bea inquired why they were going to change the Craft Room instead of doing something that is required elsewhere. She suggested they could put more work into the Entrance to the Park. We need as a group to keep inquiring to the office about these meetings.

We will be having Karaoke on Friday afternoon from 3 to 5 PM. This is a lot of fun and all are welcome to come and enjoy. We held the Lot Attendance drawing. Carol Stephens in Lot 21 was our winner of \$70.00.

The 50/50 drawing was selected and Bonnie Harrison won the pot of \$95.00.

Request to adjourn was made by President Sandy Baumstark. Betty Zaslowsky made the motion to adjourn, seconded by Wayne Jazwierski. Meeting was adjourned. at 9:45 AM.

Respectfully Submitted, Jere

ENJOY A ROMANTIC DINNER FOR 2 ON VALENTINE'S DAY!

Caprese-Stuffed Chicken

YIELDS: 4 serving(s) **PREP TIME:** 20 mins **TOTAL TIME:** 45 mins

Ingredients

4 boneless, skinless chicken breasts
2 c. baby spinach
1 c. drained oil-packed sun-dried tomatoes, oil reserved
4 slices fresh mozzarella
1 1/2 **tbsp.** Italian seasoning Kosher salt
Freshly ground black pepper

Directions

Step 1

Preheat oven to 400°. On a work surface, cut a pocket into thickest side of chicken breast, being sure not to cut all the way through. Stuff each with spinach, tomatoes and their oil, and mozzarella. Season chicken all over with Italian seasoning, salt, and pepper. Secure with toothpicks.

Step 2

In a large heatproof skillet over medium-high heat, heat reserved tomato oil. Sear chicken until golden brown, about 3 minutes per side.

Step 3

Transfer skillet to oven and bake until no longer pink and an instant-read thermometer inserted into thickest part registers 165°, about 15 minutes.

Step 4

Remove toothpicks. Arrange chicken on a platter. Pour pan juices over.

This dinner goes with countless sides, but we especially love it served with garlic and feta mashed potatoes, Parmesan roasted green beans, and garlic bread.

Strawberry Shortcake

Strawberry Shortcake is a great summer dessert using bright fresh berries. Light & sweet angel food cake is toasted and layered with whipped cream, which is a delicious twist on the typical strawberry shortcake recipe.

Prep Time 30 minutes **Cook Time** 10 minutes **Sit time for strawberries** 2 hours **Total Time** 2 hours 40 minutes

Ingredients

0.5 angel food cake
1 cups strawberries sliced rest for 2 hours
0.5 tablespoon granulated sugar • whipped cream

Instructions

Preheat oven to 375°F.

Wash the fruit and pat dry. Slice strawberries and place into a bowl. Add in the sugar and gently stir together.

Cover and place in the refrigerator for two hours.

Cut the angel food cake into cubed pieces and place them onto a baking sheet covered with parchment paper. Bake for 8-10 minutes until they are slightly toasted. Remove from oven and cool.

In clear glasses, layer the angel food cake, strawberries, and whipped cream. Repeat layer once again and top with whipped cream.

Serve immediately.

Book Review for newsletter by Connie Riter

LITTLE SOLDIERS by Lenora Chu

--an American Boy, a Chinese School....

If you have ever wondered why Chinese students seem to be so much more focused than American students, reading this book may help you understand. The author Lenora Chu is the daughter of immigrants. She was educated at Stanford and Columbia, and returned to China with her husband, Rob, and Rainey, her little boy, choosing to enroll him in a public school in Shanghai with the intent to find out why Chinese students do better than every other country in science, math, and technology. She tells her story with insight, humor, and candid research.

Competition, conformity, and the desire to score higher than anyone else on tests is a way of life in Chinese schools. From an early age the children wear uniforms, sit completely still in class with their feet flat on the floor. Grades are posted so everyone in the class can see how you did. The teachers willingly accept expensive gifts from parents so they will spend more time with those children whose parents have given them better gifts.

If a child does not do well, he may be asked to leave the school and be enrolled in a trade school far from his parents' home. Students are called by a number, not by their name and Chinese teachers are highly respected by parents and students alike. What a contrast to our schools where everyone is called by their name, and "no student is left behind." In the early years they learn to memorize math tables and at least the first 30 digits of pi. There is little time for creative writing, music, or art. Students who excel can go to the best schools in the country or overseas. China is preparing their future leaders –not attempting to educate everyone! I think you would enjoy reading this book. I certainly did!
