

DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—July 2024

Hello Neighbors!

Over the next 2-3 months, the newsletter committee will be making some changes. As many of you may know, we use advertising in order to pay for the printing of the newsletter. It has become harder to keep our advertisers due to residents not using them. So we have decided that we will no longer be printing the newsletter. We do not have a date as of yet, but we will let you know as soon as we know.

There will be an extended newsletter with all pictures and will still be emailed to each of you and will always be available on our website <https://desertharboraz.net>

We understand that some of you prefer a printed copy, we ask that you print them out yourselves. If you are not able to print it, please ask a neighbor to print it for you, if not you can contact one of your board members and they will print one for you.

Karaoke 4:00-6:00 on Fridays By Keith Weller

Karaoke summer hours are now from 4:00-6:00 on Fridays to tie in with the start of happy hour. Come down to the clubhouse to hear some great singing from your neighbors or give it a try yourself. We can provide almost any music, the words to the song are on a monitor so you don't have to remember the words. Come on down for some fun and entertainment. Karaoke Fridays 4:00-6:00!

FOOD TRUCKS

**We will not be having any food trucks starting in May thru September. We will start again in October when the winter families come back. If you have a favorite truck let me know.

Thank You!

Thank you to all the wonderful volunteers that help make each event you/I attend a success.

Many hands make lighter work, so please consider volunteering.

Together, we can shine!

President's Letter

6/16/2024

Big changes are coming!! OK, Maybe not big but good. We have a Community Breakfast on the horizon and if attendance merits, we will do it again. Same with movie night. Be sure to share which movies that you would like to see. The DJ that will entertain us New Years Eve would like a list of at least 2 songs that you would like to hear at our New Years Eve Party. We still need help on setting up (any volunteers?).

Restaurant Review submitted by Mary Stutleen

On June 18, 2024 several ladies went to Eggstasy for their luncheon.

This restaurant was recommended by our resident, Colleen Kitzman, to hold our ladies out of the park lunch recently. What a great choice! Very LARGE menu - a variety of eggs, toasts, fruit skewers, meats, hashes, potatoes, sliders, salmon, omelets, crepes, pancakes, waffles, with mixed combinations of fruits, syrups, etc., made to your liking. Also on the menu are sandwiches, soups, as well as healthy options such as oatmeal & quinoa, and lastly, CHOCOLATE COVERED BACON for the daring!

Serves a multitude of hot or cold beverage options, such as juices, milks, & teas, including the delicious premium coffee, Lavazza, which can be ordered as regular, decaf, latte, also hot or cold.

Food was extremely fresh and REALLY bountiful. Piled high or served on an oval platter. I personally ordered crepes with spinach, mushrooms, and Kasseri cheese (similar to mozzarella). However, comes with 3 or 4 crepes - choose the number you want. The crepes were hot with scrambled eggs on top mixed with the veggies & cheese mentioned. The bill was \$23.00 with food and 2 lattes.

The young female server was excellent - super efficient, professional, friendly, and fun! She was the only server for +/-30 women (and had other tables). She listened intently and really paid attention to details - when plates arrived, she knew who was supposed to receive each dish!

Resident's Meeting June 1, 2024 at 9:00 AM

The Residents Meeting was called to order by President, Neal Meyer. All in attendance stood for the Pledge of Allegiance. All Board Members except for Bonnie Harrison were in attendance.

President Meyer inquired if we had any new residents in attendance. None were present at this time.

President Meyer asked if everyone had seen and reviewed the previous months Meeting Minutes. These are published via email and on the webpage. Motion to approve made by Betty Zaslowsky, seconded by Dave Borchardt.

President Meyer stated that the Treasurer's Report was emailed to everyone and does anyone have questions or comments. No issues so motion to accept was made by Stu Olson, seconded by Cliff Tessmer.

Danny Maher, Vice President said the 1st Movie Night will be this Saturday, June 1st. Please bring your chairs or golf carts and park along the street on the north side of the clubhouse. Be mindful not to block anyone's driveway. Also, Danny and Shasha will be leading the Chair Exercise class every day this coming week. Remember, Karaoke will be on Fridays from 4 to 6 PM and then cocktail Karaoke will follow.

Danny Maher and Rhonda Smaldino cleaned out the closet in the back room. If you see anything you would like to have, please take it. Otherwise, we will donate to one of the thrift stores. Danny and Rhonda found a Social Security card and Birth Certificate while cleaning. Please see Danny to get the name on these documents. If no one knows who these belong to, they will be properly disposed.

Rhonda Smaldino, Board Member inquired about having a Community Breakfast and if there is any interest in doing so. By a show of hands, residents thought this was a great idea. We will get one scheduled on a Saturday at about 8AM and see how it is received.

Bea Goudeseune reminded the Ladies that the Ladies Out of the Park luncheon will be on Tuesday June 18th, at Eggstasy in Mesa. Bea also asked if anyone has a neighbor that is a shut-in or unable to attend meals, that we identify those residents so we can serve them. Please let Bea know and she will plan to accommodate them.

Regarding the monthly Newsletter. The cost of printing 100 every month is not going to be covered by the budget for the rest of the year. A proposal was made that we print 6 or 8 copies and put them in folders in the library for you to use. The newsletter is emailed, plus it is on the website. Our advertising has dropped off and that is where the money comes from for printing costs. If anyone knows of a company that services our community that might be interested in advertising, give their information to Mary Stutleen so she can contact them. It's agreed that we would do a 3-month trial of printing 6 to 8 copies and see if the advertisements increase.

Cami Weiss commented that the Host/Hostesses front page signup sheet is full. Look at the dates listed on the second page and sign up to help with our events. She will start making calls in the fall when our winter residents return if sheet is not filled.

Stu Olson took 56# of food to the food bank last month. The food bank is requesting canned goods like tuna fish and chicken. Stu is going to inquire about a water drive this summer.

Continued on next page

The Women's Shelter donation box is full. Items will be taken to the Shelter in the next week or so, so please continue to donate, they are appreciated.

President Meyer inquired whether there was any new business that needed discussing. Cami Weiss asked that someone contact the office and get the garbage disposal replaced in the front sink.

Also, would the community like a DJ scheduled for July? If so, let a Board Member know and we will see about getting one scheduled.

By raising hands, is there an interest in holding a CPR Class here in the Clubhouse? There are several who stated they would be interested. The Board will check into the cost associated with having a class.

The Resident Lot and 50/50 drawings were next. The Resident Lot drawn was Lot 69, they were not in attendance. Funds back in the kitty till next time. The 50/50 drawing of \$76.00 was won by Bill Majercin in Lot 55, congratulations!

Motion to adjourn the meeting made by Wayne Jazwierski, seconded by Betty Zaslowsky. Meeting adjourned at 10:15AM. There were 56 residents in attendance.

Respectfully submitted by,
Jere Broadhead, Secretary

HOST AND HOSTESS DUTIES

- Start about an hour before the event time, place salt & pepper shakers on each table, tables should already be set up.
- Place table numbers on each table (depending on how many people and tables we have).
- Please be sure to have everyone that will be handling or serving food wear gloves. **THIS IS A MUST.**
- Make sure tablecloths are on each long table (one for desserts and three for serving food).
- Put dinner paper plates on the end of the long table and smaller plates on the dessert table.
- Put silverware and napkins on the long table (knives, forks, and spoons in wicker baskets). Also, knives, forks, and spoons on the dessert table.
- Get serving spoons, spatulas (for desserts) and tongs, if necessary, on each table where needed.
- Make coffee (either one large pot or two small pots depending on the weather and how many are signed up).
- Make sure sugar, creamer and stir sticks are on the counter with coffee cups.
- As residents arrive, welcome them, and instruct them where to place their dish and uncover the food when ready to serve.
- Make sure the PRAYER is being said. It is on the wall next to the front door of the clubhouse.
- Call everyone for dinner by using the numbers on the table or calling a playing card.
- After the meal is over, remove salt and pepper and table numbers or cards.
- Wipe down each table with a clean cloth.
- Empty coffee pots, clean and store.
- Wash all utensils and put them away,
- Clean counters and any other dishes that belong to the clubhouse.
- Take home all the used clothes, wash and return to the clubhouse.

****Others will be responsible for setting up and taking down serving tables.****

Having Type II Diabetes I am always concerned about how I dispose of my pen needles from my insulin. After doing a little research I found this article from AZ Dept of Environmental Quality and thought it would be helpful to share this.

Any needles you use can be disposed this way:

Every year, people throughout the country use billions of needles, syringes and lancets — also known as sharps — to manage medical conditions at home. Improperly discarded sharps potentially expose people to infection or injury, posing a health risk not only to sanitation, housekeeping and janitorial workers, but also pets, children and other family members. Besides stick wounds, used needles can also transmit serious diseases from herpes to HIV. The following guidelines provide methods to properly dispose sharps and protect yourself and others.

Disposal Options for Individuals Using Sharps at Home

The Environmental Protection Agency (EPA) has identified several ways to safely discard medical sharps:

Place sharps in either a medical sharps container (purchased from a pharmacy or health care provider) or in a heavy plastic or metal container. • Use household containers, such as plastic detergent bottles, only if the lid is secured with heavy-duty tape and the words, “Do Not Recycle,” are written on the container with a permanent marker.

- Never place the container in the recycle bin.
- Do not overfill containers. To maximize space, you can use a needle cutter/destroyer (severs needles from the syringe and costs anywhere from \$5 to \$140).
- Keep containers out of reach from children and pets.
Fully encapsulate sharps prior to disposal in a solid waste receptacle. (You can add quick-drying cement, plaster or similar materials to the container of sharps as long as you allow the container to dry before disposal.)

Sharps Mail-Back Program

Following are some programs that will send you special containers and packaging, dispose of them properly, and send you a new empty set to refill. Please note that these programs will only accept sharps disposal containers that they send to you.

Smoke Detectors & Carbon Monoxide detectors.

Hello neighbors.

Contemplating the need to make our home as safe as possible, since we are not getting any younger. It came to my attention to look at our smoke detector. Since we moved in a little over a year ago, we came to realize the smoke detector needed to be replaced. This made me start thinking of all you wonderful residents we share this community with.

Smoke detectors are designed to last anywhere from 8-10 years. After 10 years smoke detectors can start to lose their sensitivity and may not be able to detect smoke as well as they were built to. Most alarms have a “use-by-date” printed on them, and some models have a “built-in, end-life notification chirp”. This chirp once activated is extremely loud & irritating, and once it comes on, it must be stopped, by either getting on a ladder to remove the detector and/ or pressing the button to deactivate it. For some of us.. just knocking it down with a broom out of irritation worked. (Not suggested though) .

Carbon Monoxide detectors have a life of 5-7 years and are designed to warn you of any unusual build-up of CO in your home. They will chirp once to indicate that the batteries need to be replaced. You can also check the LED lights on your detector, as they often indicate the battery level.

Please check your alarms, for your safety as well as your neighbors. If you need assistance in checking them, installing one, or purchasing one; please notify me (Nancy Gaede) via my mailbox, Lot 135, or call me at (503) 816-1027, and my husband, I, and others willing to help will assist you.
