## Happy New Year!

### What does 'Auld Lang Syne' mean?

The most accurate plain English interpretation of the piece's famous title is 'Old long since', or 'For the sake of old times'.

The song itself is reflective in nature, and is basically about two friends catching up over a drink or two, their friendship having been long and occasionally distant.

The words were written by Scottish poet Robert Burns in 1788, but Burns himself revealed at the time of composing it that he had collected the words after listening to the verse of an old man on his travels, claiming that his version of 'Auld Lang Syne' marked the first time it had been formally written down.

However, an earlier ballad by James Watson, named 'Old Long Syne', dates as far back as 1711, and use of the title phrase can be found in poems from as early as the 17th century, specifically works by Robert Ayton and Allan Ramsay.

## From the PResident Desk—Sandy Baumstark

Where does the time go? Seems like the older we get, the months just fly by. I hope everyone had a Merry Christmas with family and friends, and a happy, healthy New Year.

Time to start thinking about new board members. President, Vice President, and 2 members at large positions will be up at the end of March. Nominations will be at the February meeting. We have a nomination committee or people can be nominated from the floor at the meeting.

We will have three Saturdays of music. One of our favorites, Harry Mathew, a great entertainer, Doc Fletcher, and the Golden Oldies Band.

Keith and Peggy Weller are celebrating their birthdays and everyone is invited.

They are supplying the main course and we can all share our favorite side dishes and desserts. Doc Fletcher is the entertainer for the night.

We also fit in a Card Bingo on a Sunday evening. Come out and enjoy some of the activities. Check the calendar in the newsletter for dates and times.

Sandy

Resident's Meeting December 2, 2023

The Meeting was called to order by President Sandy Baumstark at 9:00 AM. All Board Members were present except for Rhonda Smaldino. We stood for the Pledge of Allegiance.

President Sandy inquired if we had any new residents in attendance. Nick and Anne Brake stood and introduced themselves. They bought Lot 119. Welcome to our community, we are pleased to have you here.

The President asked if everyone had read the prior month Meeting Minutes and if there were any comments. No one had an objection to the minutes. Motion to approve was made by Ken Millar and seconded by Betty Zaslowsky.

President Sandy asked if everyone had looked over the Treasurer's Report and if there were any comments. No one had an objection and motion to approve was made by Wayne Miller, seconded by Vince Trizzino.

We then moved on to Officer's Report. Secretary Jere Broadhead informed us that the date for the Cookie Decorating Class has been moved from the 13<sup>th</sup> of December to the 14<sup>th</sup> of December. The class has been closed so we can supply an exact count. Time will be pinned down and an email will be sent along with notice in Facebook on the Activity page.

Suzanne Dallas, our Treasurer, had no added items to report.

Board Member Bonnie Harrison gave a report on the Patio Sale that was held in November. We had a successful Sale with approximately \$2700 made which after expenses provided a net gain of \$2500. Thank you to all our wonderful residents who took part. There were a lot of donations as well as Baked Goods and Crafts. Thank you to all who volunteered, without you this is not possible.

Also, remember that we will have the New Year's Eve Party at the Clubhouse. The Theme this year is Black and White, so dress in your best to enjoy this event. The music will be provided by DJ and will be from 8:30 PM until 12:30 PM. Bring your own snacks and beverages. Be sure to sign up on the sheet in the back. Donations for Door Prizes are needed. These can be gift cards (limit to \$25.00) or alcohol. We will have the 50/50 drawing. Be sure to bring cash to tip our DJ, as he does a fantastic job. Please come and help decorate the Clubhouse. Contact either Rhonda Smaldino or Bonnie Harrison with questions.

Board Member Neal Meyer thanked all who took part in the Thanksgiving Dinner, especially those who volunteered to cook the turkeys. Thanks to everyone who supplied a side dish to go with the dinner. It was an enjoyable time and a good turnout.

Vice President James Genso said there would be Racks and Balls Food Truck on Thursday, December 14<sup>th</sup> from 4 to 6 PM. Also, we will have Joe's Coney on January 11<sup>th</sup> from 4 to 6 PM. No need to cook dinner those days!

We will be having Flashback Cadillac on December 2<sup>nd</sup> from 6 to 8 PM. Put on your dancing shoes and come and enjoy the music.

On December 4<sup>th</sup> there will be a meeting at the clubhouse for all who are interested in a Chair Yoga Class. An email will be sent about the time for the meeting. A demonstration will be put on the TV, so you can follow along.

We will be hosting Sunshine Acres Children's Choir on December 7<sup>th</sup> from 6:30 to 7:00ish at the Clubhouse. If you could supply cookies for them afterward, it would be greatly appreciated.

Michelle Nord will be celebrating her 60<sup>th</sup> Birthday on Saturday December 9<sup>th</sup>. Happy hour begins at 4:30 and they will provide a DJ from 6:30 to 9:30 PM. Come and help her celebrate!

On Tuesday December 12<sup>th</sup>, Brentwood West Choir will be performing at 6PM.

Since we'll all be in the Holiday spirit, we will have Caroling on the 16<sup>th</sup> of December. Start at the Clubhouse and serenade the park. If you don't have a golf cart, team up with someone!

CONTINUED PAGE 4

Christmas Dinner will be held on the 25<sup>th</sup> at the Clubhouse. Ham will be provided, so bring your best side dishes. Dinner will begin at 4:30 PM. Sandy Meyer said that she has Host and Hostess for the dinner but needs volunteers to cook the hams. If you don't have a roasting pan, there are several in the kitchen. Please be sure and use the sign-up sheet in the back so we know how many hams to provide.

Vince said he took over 175 pounds of food to the Food Bank. Remember, they will not accept the 18 count eggs crate. We end up tossing them, so please dispose of them yourselves.

The Christmas Angels are going great. Stu said he had a few left so you can pick those up after the meeting. He needs all purchases back by the 13<sup>th</sup>. Sun Communities got 10 which was a great help. Do not wrap the gift, just attach your Angel card to the sack and take over to Stu in Lot 50. He has 2 boxes in the carport for drop-offs.

Bea Goudeseune wanted to thank everyone who supplied baked goods for the sale and a big thank you to all who helped organize and aided selling items. We couldn't do it without you.

Bea also wanted to remind the ladies of the Ladies Out of the Park luncheon on Tuesday, December 19<sup>th</sup>. All Men are invited to attend as well. It will be held at Dierk Bentley Whiskey Row in Gilbert. We can carpool from the clubhouse or meet there. Leave from the community at 11 AM.

We also have Ladies Luncheon in the Park on Tuesday, December 5<sup>th</sup>. Since the weather is cooling off, we will go back to soup and sandwiches or whatever you would like to bring along those lines.

Carol Rysavy, our Resident Librarian, said we have all kinds of books for your enjoyment. We need new books, bring some in or just one's you've recently read so others can enjoy them. Carol is also a member of the Mobile Home and RV Organization. There is an article on speeding in their newsletter which is interesting. Please read it if you get a chance, as we have the same issues here. The Book Mobile will be here on Friday, December 8<sup>th</sup>.

Please take note that we have several Board positions opening in April. The President, Vice President and possibly two Board Members positions are available. Cami Weiss and Bea Goudeseune will be the committee leaders. If you want to be on the Board or want to elect someone, please get in touch with either one.

## REMEMBERING OUR NEIGHBORS

As we look forward to 2024 let us remember those neighbors who will not be going forward with us. They are neighbors who may be a loved one, friend or possibly casual acquaintance. We would like to share a few of our memories of these individuals with you.

**Dottie Larson** was a member of our community for a few years. She had an amazing smile, her kindness for others, a love of life and her faith were traits she exuded. She did enjoy joining her neighbors on Wednesday night for poker at our clubhouse. Prior to moving to Desert Harbor, she was a first and second grade teacher in Indiana. After her move to Arizona, she was a Real Estate Agent in Phoenix and Heber/Overgaard. She is missed by all who know her.

**James (Jim) Klos** and his wife Nanci moved to our community about five years. He was a Harley enthusiast and they enjoyed riding the roads of Arizona. He was also a lover of music, especially of Eric Clapton and BB King. Jim and his dad Bill attended our super bowl parties at the clubhouse. He also enjoyed visiting with neighbors at happy hours held in our community. The family dog Prudence held a special place in his heart. Like many of our residents he and Nanci enjoyed dining out in local restaurants. His extended family treasures the memories they created together.

**Cheryl McManaman** and her husband Ray have been residents in our community for 5 years. When the weather permitted, they enjoyed riding in their golf cart around our community. On Monday evening you would find them playing bingo in the clubhouse. Cheryl enjoyed sewing and collecting all items cow. Her greatest pleasure was spending time with her children and grands. Cheryl is fondly remembered and missed by her family and friends.

**Betty Cuevas** would walk from her home to Dog Park with her little black and white dog, Scooter. We enjoyed meeting her there and discussing the problems of the day and many times – the afterlife. She was always working around her home putting up new decorations or planting something. Betty was a good friend and went the “extra mile” to help someone who needed cheering up. She was a twin and though she had many health problems of her own, she was always ready to help someone else. Many called her “Betty Boop” which she had printed on her back car window. She will be missed by many friends and family.

**Vernon E. Beecher** 11-28-1940 to 12-11-2023. Born in Pennsylvania, Vern spent the last 40+ years living and working for the state of Arizona as an engineer/surveyor in Tucson and Kingman. He retired to Tonto Basin and moved to Desert Harbor in early 2021 after losing his wife of 35+ years, Carol to Alzheimer's. An avid reader, Vern was always busy with his art/drawings, walking, planning and taking trips into the mountains, and seeking out rock 'n roll bands (he was also a singer in his own rock 'n roll band in the 60's and 70's). Vern leaves no family but will be missed by his many friends and neighbors. May he rest in peace.

**Vernita Loveridge** was a 15 year resident here. She enjoyed playing board and card games. She loved to cook and enjoyed the company of her family, friends and neighbors. She has one daughter and gave the ultimate gift to her brother Clif Edwards by donating Bone Marrow which saved his life. She will be missed by everyone who knows her.

**Marie Ryan** was a fiesta lady originally from New York. She had two children. Marie and Art had a wonderful life together for the last 4 yrs. married on New Years Eve. She loved her dog. She was loved and is missed by her husband Art.

## Book Review

Countdown 1945  
By: Chris Wallace  
Non-fiction

The book begins when President Roosevelt died and Vice President Harry Truman was suddenly President of the United States. As it seems with Vice Presidents, he was not involved in any of the war planning and knew nothing about the Bomb.

If you are interested in our Nation's history, you should enjoy this book.

It is basically about 116 days leading up to the testing in the New Mexico desert and the use of the Bomb that changed the World.

There are many personal stories of the scientists, civilians, military personnel and, of course, the pilot and co-pilot of the Enola Gay. I found the international intrigue interesting.

The thoughts of a particular scientist after the use of the Bomb was eye-opening.

After reading this book, one could be left wondering, if in charge, what would your decision have been.

Carol Rysavy

I bought this book from Amazon. It is currently out on loan. If you are interested, let me know and I will pass it on to you when it is returned.

While the following was not a part of the book review that I did, it is related to the subject.

From 1951 to 1958 the United States conducted nuclear tests. One of our residents, Nancy Swanson's husband Herman was one of the Marines present in July of 1957 in the Nevada desert during one of those tests. They were either witnesses or clean-up crew. He, along with many other Marine, Army and Navy personnel, developed serious health complications including cancer. Herman battled several types of cancer obviously from that time in service.
