DESERT HARBOR—A 55+ COMMUNITY—APACHE JUNCTION, AZ—August 2024

## President's Letter

I am really pleased with the activities this summer. The Breakfast and Movies Nites are good additions.

When we post information about our activities, I have requested that it be posted on the Facebook page "Desert Harbor Activities Community". This page is for Desert Harbor Residents. It can be accessed only by Desert Harbor residents and only commented on by Desert Harbor residents. We also have a web page-<https://DesertHarborAZ.Net>. Anyone can access this site We are growing this site, Now. you see old Newsletters, possible activities, past Resident's Meeting minutes among other information. If you would like to see something posted on this site, contact Lori Johnson.

A couple of dates to keep in mind: we will celebrate all August Birthdays the second Saturday of the month, August 10, 3 PM in the Community Room, cake and ice cream will be provided. The birthday celebration will be continued monthly on the second Saturday of the month. On Labor Day, after the potluck, we will have Super Wild Bingo, cost will be \$7.

I will recommend to the membership that we alter the terms of the President and Vice-President so that they are elected during alternate years and the same scenario for the Secretary and the Treasurer. There are several ways this can be done. We will discuss during future Resident's Meetings and vote per our By-Laws.

Thank you for your help

**All about August**

August is the eighth month of the year. It was originally named Sextilis in Latin because it was the sixth month in the original ten-month Roman calendar under Romulus in 753 B.C. In 8 BCE it was renamed Augustus in honor of the first Roman emperor (and grandnephew of Julius Caesar), Augustus Caesar (63 B.C. - 14 A.D.). Augustus means respective and impressive, venerable, “the venerable one” or noble, and majestic, “the great one”.

Sextilis had 30 days, until Numa when it had 29 days, until Julius (Julian Calendar) when It became 31days long.

August Caesar clarified and completed the calendar reform of Julius Caesar. Un the process he also renamed this month after himself. In 8B.C. the Roman Senate decided to honor Emperor Augustus Caesar by renaming the month to Augustus (mensis). This change also ensured that August had the same number of days as July which was named after Julius Cesar. So, August has 31 days, just like July, preventing any perception of an inferior month for Emperor Augustus.

The birthstone for August is the peridot

The Zodiac sign up to August 22<sup>nd</sup> is “Leo” and from August 23<sup>rd</sup> on is “Virgo”

## Resident Meeting July 6, 2024

The monthly Resident Meeting held on July 6, 2024, began at 9:00AM. All Board members were present except for Bonnie Harrison. All residents in attendance stood for the Pledge of Allegiance.

President Meyer inquired whether we had any new residents in attendance. Brad and Vicki (I failed to get their last name) purchased Lot 113, stood and introduced themselves. Big round of applause as they are from Minnesota. Welcome to our community. We hope you are happy here and if we can be of service, please let someone know.

President Meyer then asked if everyone had read the previous month Meeting Minutes and if there were any questions or comments. No comments, so motion to accept made by Betty Zaslowsky, seconded by Cami Weiss.

The Treasurer's Report was emailed. President Meyer inquired if anyone had any questions. No issues with the monthly report. Motion to accept made by Ken Miller seconded by Paul Howell.

President Meyer's called for the Board Officers Report. Danny Maher, Vice President, reported Karaoke is still being held on Fridays from 3 to 6PM. Following we continue with music and or karaoke from 6:30 to whenever everyone leaves. This is such a fun time, please enjoy our great singers as well as the comradery.

We will have Movie Night in the Clubhouse on July 6<sup>th</sup> beginning at 8PM. Tonight's Movie is Caddy Shack. Popcorn, Ice Cream and Mimosa's! Until it cools off outside, we will continue to have Movie Night inside.

Jim Harris, Board Member, inquired if Residents present would be interested in having a Catered Meal. This would cost around \$10 per plate. The majority agreed with this idea. The committee is thinking of Thanksgiving Dinner and/or Christmas Dinner. Further investigation into catering companies will be conducted by the committee.

Carol Rysavy, our resident Librarian thanked Paula Barker for filling in for her while she was away. Still need new books and magazines. Shelves are full, so utilize the library.

Bea Goudeseune had topics to bring to our attention. First, the Ladies Luncheon held in June at Eggstacy was a fabulous place to eat. Everyone should try this restaurant. The July Ladies out of the Park Luncheon will be at Fat Willy's on Crismon and Baseline on July 16<sup>th</sup>. Please be at the clubhouse by 11 AM if you need a ride or call Bea so arrangements can be made.

On July 12<sup>th</sup> before karaoke, we will have cake and coffee to Celebrate Jean Whitten's 90<sup>th</sup> Birthday. Come celebrate Jean!

Vince Trizzino took 133 pounds of food to the local food bank. Thank you, community, for all your hard work for this cause. We will be holding the water drive during the month of July. Stu Olson stated in previous years, the Board matched the donation. All present agreed we would do the same this year. We also accept cash donations if you cannot bring water cases to the clubhouse. You can give the cash to a Board Member or Stu Olson.

**Old Business:** the pancake breakfast was a big hit! 40-50 people were in attendance. We will schedule another breakfast soon

**Continued on next page**

**New Business:** Wayne Jazwierski wanted to know more about the hike in the trash service increase. Is it possible to inquire at the office about having trash picked up once a week instead of twice a week? Also, why doesn't the current trash company provide trash bins? Inquire at the office for information. Each one of us needs to ask, so the office can see the concern.

We will have a Potluck on July 20<sup>th</sup> beginning at 5:00 PM. Card bingo will follow, after cleanup.

Our monthly Lot drawing was held. Lot #170 was the winning number; however, they were not in attendance. Money goes back to the pot. The 50/50 drawing was next, Vince Trizzino was our winner of \$65.00.

Request to adjourn the meeting made by President Meyer, motion made by Richard Nienkark, Seconded by Jim Stevens. The meeting adjourned at 9:30 AM.

Respectfully submitted,

Jere Broadhead, Secretary

Fat Willy's, our destination for lunch today, is a sports bar and grill They are located on the southwest corner of Baseline and Crismon . It was recommended to try for by several residents for a while now, and I can see why. They have a great variety on their menu and serve breakfast, lunch and dinner.

We had about 23 ladies and they ordered a variety of items. Everyone said their meals were good to very good and large portioned and the wait staff was on top of everything, refilling beverages, bringing out our meals, etc.

Sports enthusiasts, there are several large screen TVs on every spare wall space in both dining room and bar with all kinds of sporting events.

Having Type II Diabetes I am always concerned about how I dispose of my pen needles from my insulin. After doing a little research I found this article from AZ Dept of Environmental Quality and thought it would be helpful to share this.

Any needles you use can be disposed this way:

Every year, people throughout the country use billions of needles, syringes and lancets — also known as sharps — to manage medical conditions at home. Improperly discarded sharps potentially expose people to infection or injury, posing a health risk not only to sanitation, housekeeping and janitorial workers, but also pets, children and other family members. Besides stick wounds, used needles can also transmit serious diseases from herpes to HIV. The following guidelines provide methods to properly dispose sharps and protect yourself and others.

Disposal Options for Individuals Using Sharps at Home

**The Environmental Protection Agency (EPA) has identified several ways to safely discard medical sharps:**

Place sharps in either a medical sharps container (purchased from a pharmacy or health care provider) or in a heavy plastic or metal container. • Use household containers, such as plastic detergent bottles, only if the lid is secured with heavy-duty tape and the words, “Do Not Recycle,” are written on the container with a permanent marker.

- Never place the container in the recycle bin.
- Do not overfill containers. To maximize space, you can use a needle cutter/destroyer (severs needles from the syringe and costs anywhere from \$5 to \$140).
- Keep containers out of reach from children and pets.  
Fully encapsulate sharps prior to disposal in a solid waste receptacle. (You can add quick-drying cement, plaster or similar materials to the container of sharps as long as you allow the container to dry before disposal.)

### **Sharps Mail-Back Program**

Following are some programs that will send you special containers and packaging, dispose of them properly, and send you a new empty set to refill. Please note that these programs will only accept sharps disposal containers that they send to you.
